DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

## ACADEMIC YEAR 2021 - 2022 / ODD SEMESTER

REPORT

1. Name of the event   : Guest Lecture on "Mobile Application Development"

2. Date & Session   : 04.10.2021 (02.30pm – 03.30pm)

3. Venue   : Virtual mode

4. Name of the Organizer   : Mrs.G.Chandra Praba, AP/ CSE

5. Resource Person   : Mr.S.Ramprakash, Teaching Fellow, UCE-Thirukkuvalai.

6. Objective   : To create an exposure to the students about the Kotlin tool

               that is used for app development.

Department of Computer Science and Engineering organized a guest lecture on "Mobile Application Development" on October 04th of 2021 with the objective of making the students exposed to the tool used for Apps development in virtual mode. Around 49 students from our department attended the session and got exposed to the basics of Kotlin tool. The resource person Mr.S.Ramprakash elaborated the basics, installation and the working procedures of the Kotlin tool in a well organized manner. The session highlighted the following points:
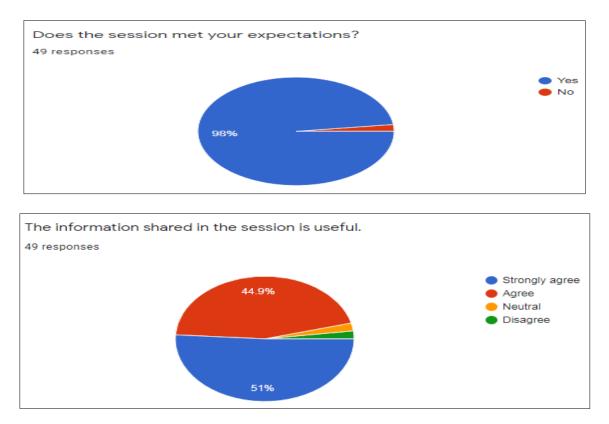

- What is Kotlin and the need for it?

- Installation requirements and the procedures.

- Setting up the environment.

- Simple examples.
