**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**  
**ACADEMIC YEAR 2021 -2022/ ODD SEMESTER**  
**INDUSTRY EXPERT INTERACTION SESSION (ALUMNI)**

A one day webinar on industry expert interaction session titled “**Skills and Industry Requirements** ” was organized on **25.9.2021** for the IV CSE with an objective of making the students to get deeper into the current industry trends , expectations of the industry and which area has more opportunities in their field . Our Alumni **Mr.R.Nagarajan**, Asst Manager , Reliance JIO , Bangalore of 2018 passed out handled the session. Totally **33 students** attended the session from the final year CSE. The Head of the Computer Science Department Dr.S.M.Uma welcomed the gathering and Mrs.R.Sugantha Lakshmi AP/CSE (Dept Alumni Co-ordinator) introduced the resource person to the students. The resource person highlighted on what are the current industry needs, their expectations, job opportunities, how to equip (learning new technologies) themselves for getting job in industry, preparing themselves for the interviews. He also explored the booming areas which create more job opportunities. He briefed about where to register for jobs, how to locate and choose jobs opportunities from various online sites as a fresher and after receiving experience. Also he narrated the initiatives and steps to be made for becoming an entrepreneur, what are the areas of improvement the student should develop for seeking job, how to improve communication skills. The students of IV CSE actively participated in webinar, interacted with the resource person, got their doubts clarified and got benefitted.
