Organised by

Department of Mathematics,
Kings College of Engineering,
Punalkulam, Thanjavur - 613303.

About our Institution:

Kings College of Engineering (KCE), since its inception in the year 2001, provides quality education to the needy aspirants including under-privileged students of this region. KCE is approved by All India Council for Technical Education, New Delhi, affiliated to Anna University, Chennai and is a NAAC accredited institution. The institute offers five UG and four PG programmes. Situated on the Thanjavur – Pudukkottai Highway, the KCE campus spreads over 50 acres in a beautiful serene atmosphere, ideally suited for technical education with architecturally designed infrastructural facilities.

About the Department:

Mathematics at Kings College of Engineering reflects the ever increasing need for Engineering graduates who not only have quantitative skills but also know how to use them. The department takes a fresh new approach to the teaching of mathematics, evident both in the style of teaching and in the focus on improving their problem-solving and analytical skills.

Objective of the Programme:

- To motivate students to realize the importance of mathematics and remove phobia of mathematics
- To popularize everyday mathematics among varied target groups and create an appreciation of mathematics among masses
- To communicate inspiration emanating from the works and lives of great mathematicians
