Presidential Address

The Presidential Address for the 21st Annual Day was delivered by Dr.R.Rajendran, Secretary of the institution. Our Secretary, in his presidential address, motivated the students to reach their goal with full concentration and hard work and made them realize of their parents mainly from poor and middle class family for their dedication to the core to uplift the life through education with sheer will power. His views gave a hope to the students that there are plenty of job opportunities for the students who shows good attitude and sportiveness. He mentioned that many of our ancestral achievers belonged to poor family. Due to their individuality, perseverance and ethical attitude, they were able to be iconic and exemplary in the society. He insisted, ***“Students should realize their greatness and give respect to their parents, teachers and their well wishers.”***

He recognized the teachers' dedication and the value of their profession for the students and the society. He explained the management's sincere effort towards the progression of the students' community in many aspects. He emphasized, *"Students should utilize the service properly."*
