“One Day NSS Induction Programme”

Date & Time: 21.12.2021: 10.30 a.m to 12:30pm

Venue: Chera Hall

Report

“The Students should do something positive so that the life of villagers might be raised to a higher material and moral level.”

-Mahatma Gandhi

On this note, the new batch of students at National Service Scheme (NSS) Kings College Of Engineering started off their induction programme on 21st Dec, 2021. The Concept Hall of Chera was packed with hundreds of enthusiastic volunteers, who were enthused to be part of this wonderful community of dedicated students volunteers. The programme started with a wonderful speech on the importance and objectives of NSS by the chief guest Dr.k.Sudhakar/AP.

After an enthusiastic speech, the packed auditorium was disseminated with the conduct of noble service oriented programmes such as literacy, Environmental Conservation, Polio Eradication, and Blood Donation to join hands together with fellow human beings to nurture human values.

Earlier, the gathering was welcomed by Mr.P.Raajeshwaran NSS,PO,Unit-II , and finally thanked by Mr.S.Ambalatharasu NSS,PO,Unit-I.

OUTCOME

The adopted areas provide suitable opportunities to live with the community and know their problems and make an earnest effort to do something for them. Similarly efforts should be made to follow up the work done in the areas earlier. Such sustained efforts will flower into friendship between the NSS unit and the community.
