

ACADEMIC YEAR 2022-2023 (ODD SEMESTER)

ONE DAY WORKSHOP

On

“WEB DESIGNING”

02.09.2022

REPORT

Department of Computer Science & Engineering of Kings College of Engineering organised One day -Workshop on “WEB DESIGNING” on 02.09.2022.

Objective:

The main objective of this workshop is to provide ideas of fundamental knowledge about Web designing. It provides a platform for the students to upgrade and know about the concepts in Markup Languages and style sheets. In addition, this programme will help to improve the student’s ability in carrying out simple innovation to bring the web designing through professional discussions.

Resource Person:

Mr. M. ARUN AP/CSE, KingsCollege of Engineering

Convener

Dr.S.M.Uma,HOD/CSE.KingsCollege of Engineering

Coordinators

Ms.S. Abikayil Aarthi, AP / CSE, KingsCollege of Engineering

Ms.N. Dhamayandhi, AP / CSE,KingsCollege of Engineering

Ms.S. Priyadharshini, AP/ CSE, KingsCollege of Engineering

Programme Type: Workshop**Inaugural Session:**

Workshop inaugural session was handled by Mr. Senthilnathan and Introduction about the workshop by Ms. N. Dhamayanthi, Assistant Professor / CSE.

Overview:

Mr. M. Arun, Ass.Prof/ CSE, handled the session in the topic of “Web Designing “, He explained the basic concepts of Web designing and also listed down the free software available to develop the websites. He clearly explained from basics of Style sheets. In addition, with other mark-up languages alongwith practical examples. He has provided plenty of exercises for real time working. Totally 50 participants registered and actively participated in this workshop. The session was very informative and the participants have interacted with the resource person. Under the guidance of our Head of the department Dr.S.M.Uma& by the support of our Principal Dr.J.Arputha Vijaya Selvi and the management, Co-ordinators successfully organised this event.

Benefits in terms of Learning / Skills / Knowledge obtained:

- All the participants have benefited about web designing applications.
- Workshop helps to initiate how to design a website.
- Students facilitated with knowledge of Web designing.
- Students acquire the basic proficiency in HTML
- Students gained knowledge in the concepts of CSS

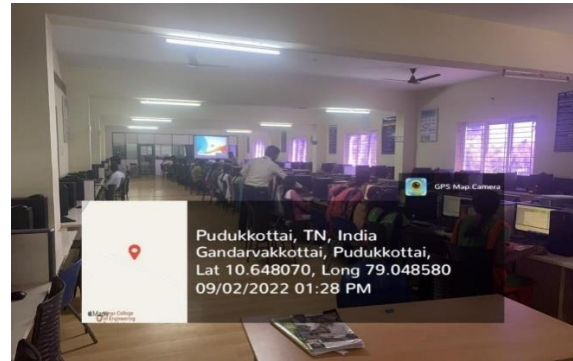

Valedictory function:

The feedback Analysis from the participants were collected by Ms. S. Abikayil Aarthi, AP/ CSE, delivered Vote of thanks.

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai. NAAC Accredited Institution. Recognized Under 2(f) & 12 (B) of UGC. Punakulam, Gandarvakottai Taluk, Pudukkottai - 613303. Phone: +91 6133030024. www.kingsengg.edu.in

ABOUT OUR INSTITUTION

Kings College of Engineering (KCE) was established in 1983 to provide education with unparalleled quality to the young and ambitious students of our nation. The college is approved by AICTE, New Delhi and affiliated to Anna University, Chennai, and accredited by NAAC. The drive from our management and dedication of the faculty have seen KCE rise to the status as one of the most prestigious institutions in this part of the country.

(R.E.T), KCE, run by Raj Educational Trust Chennai, is a fast growing technical institution in the state of Tamilnadu with a great growth rate. The substantial grounds of engineering aspects and around Thanjavur from 2001. Our institution offers five UG programmes namely, CIVIL, CSE, EEE, EEE and Mechanical Engineering and four PG programmes namely CSE, VLSI Design, FEED and Thermal Engineering, Department of ECE, EEE and Mechanical are approved research centres for pursuing Research (Ph.D) under Anna University.

ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering since its inception in the year 2001 offers programme keeping in pace with technological advancements. The Department offers a Post Graduate course in ME - CSE. The state-of-the-art computer centre has over 100 computers with 100 Mbps internet connectivity. The department has highly qualified and experienced faculty members to offer both class room teaching and practical instructions.

ABOUT THE WORKSHOP

Web designing workshops have become popular means of learning for individuals those who seek to enhance their skills beyond what the academic can offer. This kind of engagement has gained widespread interest among people of different fields. Web Designing is the planning and creation of websites. This includes the information architecture, user interface, site structure, navigation, layout, colors, fonts and imagery. All of these are combined with the principles of design to create a website that meets the goals of the client and the designer.

COURSE CONTENT

- Fundamental knowledge about web designing.
- Concepts of HTML (Hyper Text Markup Language).
- Identify web designing applications.
- Sequential concepts on CSS (Cascading Style Sheet).

COURSE OUTCOMES

- Students will be facilitated with knowledge of Web designing.
- Students will acquire the basic proficiency in HTML.
- Students gained knowledge in the concepts of CSS.
- Analyze web designing applications.

RESOURCE PERSON

Mr. R. ARUN
Assistant Professor,
Department of Computer Science & Engineering,
Punakulam, Gandarvakottai Taluk,
Pudukkottai, Thanjavur.

WHO CAN ATTEND?

UG (Engineering & Polytechnic & Arts) & PG students (Engineering & Arts) from the Departments of CSE / IT / ECE / EEE / MCA can attend this workshop.

REGISTRATION

Scanned copy of registration form must be sent through e-mail on or before 30.08.2022. Online registration can be done through Google forms. The link is given below.

<https://forms.gle/oa9DEB8uFVME7uZ>

PARTICIPATION FEES	
Diploma	Rs. 150/-
UG	Rs. 200/-
PG	Rs. 250/-

Spot registration is also permitted.

IMPORTANT DATES

Last date for registration: 30.08.2022
