SUMMARY REPORT – Bridge Course

To enrich the knowledge of the students and make them to understand their academic subjects, Bridge course was conducted for second year and third year students on 16.12.2019.

- Second year students having Operating System Lab in their curriculum which deals with Linux Operating System. To understand the working procedure of OS, the students must know about the commands of Linux OS. Ms.K.Abhirami (IQAC/HEAD) handled the session and provided the hands on training in Linux Commands. Totally 42 students have attended.

Ms.K.Abhirami (IQAC/HEAD) described the commands and its descriptions

- Third year students having Mobile Application development lab. The lab programs to be done in Android software. Resource person from Infosystems, Thanjavur handled the session. Totally 39 students have attended the session.

Ms.P.Chellamani from Infosystems,Thanjavur demonstrated the lab programs

COURSE OUTCOME

Upon completion of this class, students should be able to:
- Understand the basic concepts of Operating System (II Year) and Android Software (III CSE)
- Do their lab classes in an effective manner.
