” About College

Kings College of Engineering (KCE) was established in the year 2001 by Raj Educational Trust (RET), Chennai, with the singular aim of providing quality education to the poor and under-privileged students of this region. Situated on the Thanjavur – Pudukkottai Highway, spans over 50 acres in a beautiful, serene atmosphere ideally suited for technical education. KCE is approved by All India Council for Technical Education, New Delhi, affiliated to Anna University, Chennai and is a NAAC Accredited institution. The institute offers five UG and four PG programmes. ECE, EEE and Mechanical Engineering departments are recognized as Research Centres by Anna University, Chennai, for pursuing Ph.D. programmes. Departments of Civil, CSE, AI&DS, EEE, ECE and Mechanical Engineering are permanently affiliated to Anna University, Chennai.

About Program

This program is a proper blend of theory and practical with hands-on sessions on each and every concept. In this workshop, you will be learning the fundamentals of Web development by gaining in-depth knowledge of front-end technologies and webpage creation.

HIGHLIGHTS

- To know the role of full stack development
- To know how to make make prototype switch between front end and back end

About Department

The Department of Computer Science and Engineering since its inception in the year 2001 offers programme keeping in pace with the technological advancements. The Department offers a Post Graduate course in M.E – CSE. The state-of-the-art computer center has over 300 computers with 100 MBps internet connectivity. The department has highly qualified and experienced faculty members to offer both class room teaching and practical instructions.
