DEPARTMENT OF CIVIL ENGINEERING
ACADEMIC YEAR 2021 - 2022 (ODD SEM)

CIRCULAR

08.12.2021

This is to inform you that the department of Civil Engineering has organized an Alumni Talk on "Career Guidance" by the renowned alumni Mr.M.Prasath (2014-2018 Batch), Junior Revenue Inspector for II year, III year and IV year students on 09.12.2021 which will create awareness about job opportunities.

HOD/CIVIL

DEPARTMENT OF CIVIL ENGINEERING
ACADEMIC YEAR 2021-2022 (ODD SEMESTER)
ALUMNI TALK ON CARRER GUIDANCE

Venue: CIVIL CLASS ROOM

Date: 09.12.2021

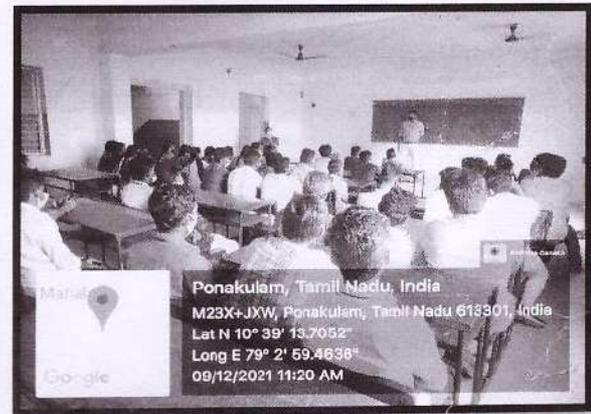

Time: 11:00 - 11:45 AM

Background & Objective

Alumni Speech is sharing the experience of passed out students of an institution with the juniors and it is a platform for the alumni students to share their experience and ideas in their profession, after stepping out of the institution. It is a great moment, where the institution feels proud on seeing its successful alumni. The meet also creates a stage to identify the department's most distinguished alumni.

Motivating Session

We are pleased to have organized a remarkable Alumni speech on 9th December 2021 at the Department of Civil Engineering. **Mr.M.PRASATH** of 2014-18 batch graced the occasion. He is our renowned alumni of the 2018 batch who was always sincere and promising in his work. Due to his hardwork and sincerity, he cleared **TNPSC GROUP IV** examination. He got posting in Collector office Pudukkottai. He highlighted the scope for civil engineers in various aspects and also added valuable information regarding Govt. job opportunities and preparations. Finally he concluded his speech by igniting the students to develop their passion into dreams and work hard to make their dreams into reality.

Alumni speech sessions for 2nd Year, 3rd Year & 4th Year Civil students

Outcome

The Alumni Speech is a platform for relishing and sharing their views with the junior students. It is a time for reflecting and encouraging the students and guides them forward with a sense of purpose and anticipation. Around 60 students of Civil Engineering department were benefitted by the Alumni interaction.

ALUMNI TALK ON CARRER GUIDANCE

Venue: CIVIL - SMART CLASS ROOM

Date: 11.04.2022

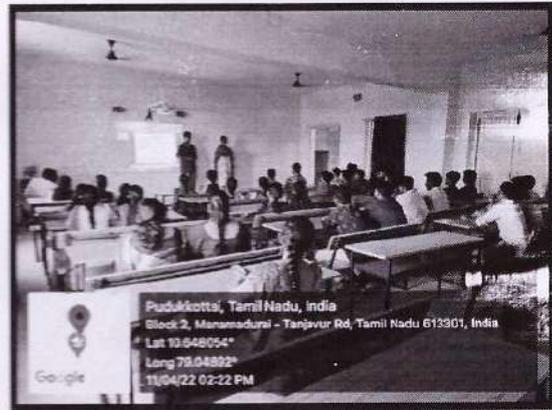

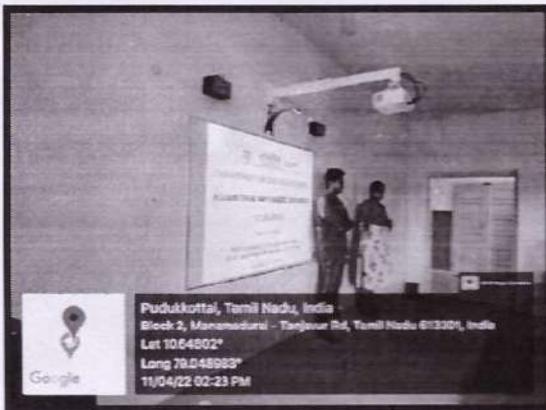

Time: 02:00 - 02:45 PM

Background & Objective

Alumni talk is a platform for the alumni students to share their experience and ideas in their profession with the juniors after stepping out of the institution. It is a great moment, where the institution feels proud on seeing its successful alumni. The alumni talk also creates a stage to identify the department's most distinguished alumni.

Motivating Session

We are pleased to have organized a remarkable Alumni talk on 11th April 2022 at the Department of Civil Engineering. Ms.M.SOUNDARIYA & Mr.S.AAKASH KRISHNA of 2017-21 batch graced the occasion. Both of them were always sincere and promising in their work. Due to their hardwork and sincerity, they got job as **Trainee Detailer**, in **AGF TECHNIK**, Thanjavur. They highlighted the scope for Civil Engineers in various aspects and also added valuable information regarding structural detailing and importance of learning Civil Engineering software's. Finally they concluded the speech by motivating the students to develop their passion into dreams and work hard to make their dreams into reality.

Alumni talk session for 2nd Year & 3rd Year Civil students

Outcome

The Alumni talk is a stage for relishing and sharing their views with the junior students. It is an occasion for igniting and encouraging the students which guides them forward with a sense of purpose and anticipation. Around 40 students of Civil Engineering department were benefitted by the Alumni interaction.

WEBINAR REPORT

A one day webinar titled "Awareness on Career Opportunities after B.E" was organized on 26.03.2022 for our CSE students with an objective of making the students to have the knowledge about how to prepare for GATE and competitive exams. Mr.V. Sathyamoorthy, Educator handled the session. 38 students and the department staff members attended the webinar. The programme was coordinated by Ms.B.Sangeetha, AP/CSE. The webinar highlighted on the marking schemes, significant topics to stress, refreshed numerical and technical aptitude questions.

WEBINAR SNAPSHOTS

The screenshot shows a Zoom webinar interface. The main content is a presentation slide titled "GATE & ESE - ME & CH - 3 - From classes & tests". The slide features a central box labeled "ENGINEERING STUDENT" with several arrows pointing to different career paths: "Placements", "Govt jobs", "MBA", "M.Tech / M.E.", "MCA", "ME", "Business", "Family Business", "First Gen Entrepreneur", "Medical", "Hotel", "Retail", "Startup", "Tech", "Polytechnic", and "Sports". Below "Placements", there are boxes for "PRIVATE SECTOR JOBS" and "PUBLIC SECTOR JOBS". Under "PUBLIC SECTOR JOBS", there are boxes for "NON-CORE" and "CORE". A handwritten note "11/3 & 14/3" is written near the "GATE" and "MBA" boxes. At the bottom of the slide, there is a handwritten note "Techpreneur -> Technology". A chat window on the right side of the screen shows a "Doubts" section with a link to view all doubts solved in live class. Below this, there are several messages from participants: ARUN, Gayathri, G; Chandru, Thilak, Priyathara; Swathi, Vishal, Tamilarasa; and Thamil, Dharshini, Vignesh.

11. Outcome

- Students renovated their thoughts on, What is Engineering? Who is an Engineer? and What he does ?
- The students got to know about the demand for Engineers and the booming areas that creates more job opportunities.
- They gained knowledge on setting a goal and achieving it.

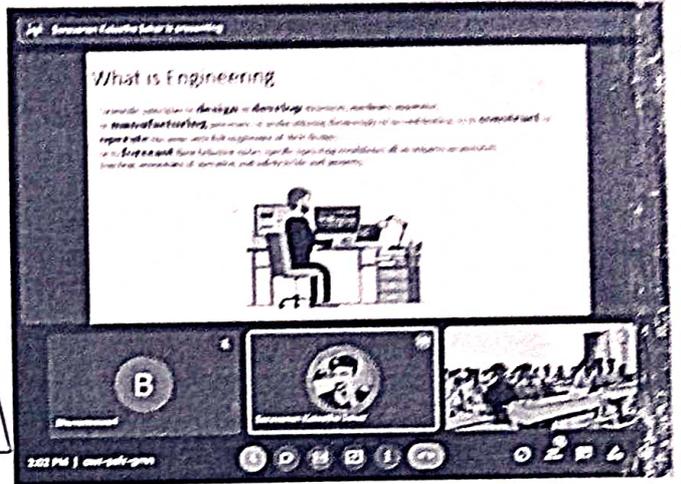

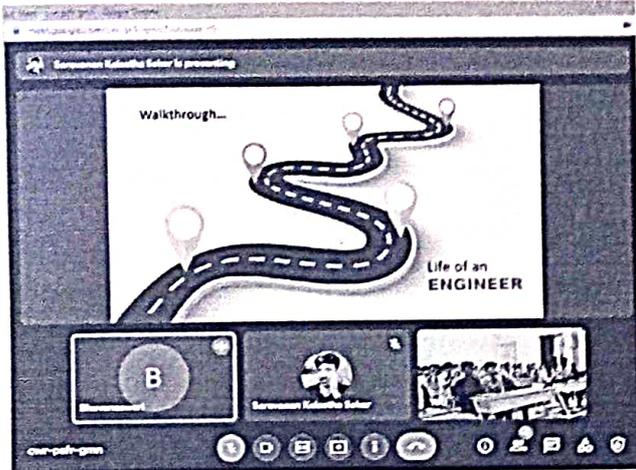

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

ACADEMIC YEAR 2021 -2022/ EVEN SEMESTER

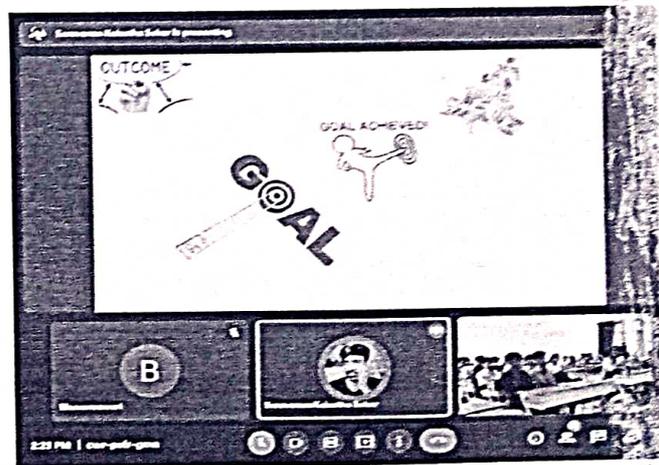

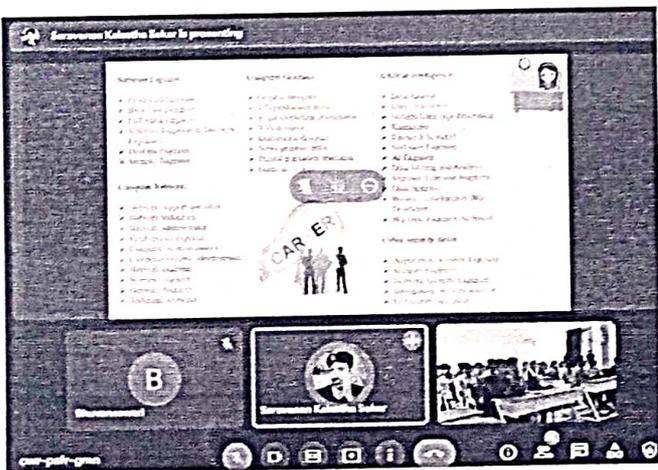

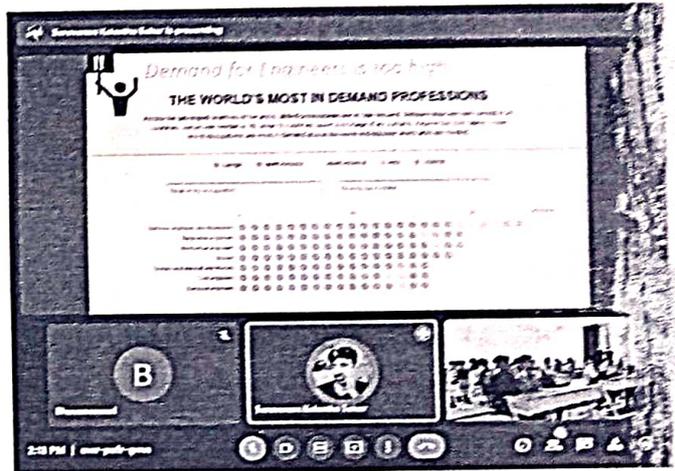

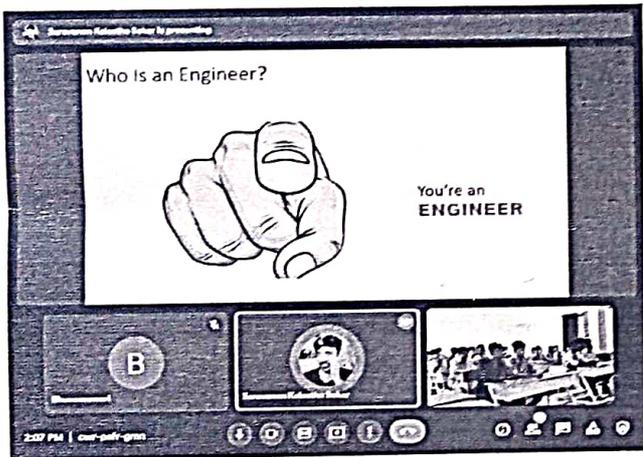

INDUSTRY EXPERT INTERACTION SESSION (ALUMNI)

A webinar on industry expert interaction session titled “Life of an Engineer ” was organized on **16.5.2022** for the III CSE students with an objective of making the students realize their role, how they can act as an ambassador for change and how they can make their mark on the world as an engineer. Our Alumni **Mrs.K.R.Bhuvneswari**, *Associate Consultant MSI-Global Pvt Ltd, Subsidiary of Singapore's Land Transport Authority (LTA) , Singapore* & **Mr.K.S.Saravanan** , *Manager – Data Analyst ,MSI-Global Pte Ltd Subsidiary of Singapore's Land Transport Authority (LTA) , Singapore* handled the session. Totally **42 students** attended the session. The Head of the Department Dr.S.M.Uma welcomed the gathering and Mrs.R.Sugantha Lakshmi AP/CSE (Dept Alumni Co-ordinator) introduced the resource person to the students. The resource person(s) highlighted on what is Engineering, who is an Engineer and what he does. They also put in the picture that the engineering is the most on-demand profession and a field with variety of career. They also explored the different areas where the students can seek their career, which is the need of the hour. By quoting the words of Dr.A.P.J.Abdul Kalam – “To succeed in your mission, you must have single minded devotion to your goal”, they insisted on the importance of goal setting and its importance throughout one's career. Also they narrated the tips for goal setting and achieving it. Mr.K.S.Saravanan shared his experience on how he had set his goal and how it helped him in achieving his dream. The students actively participated in webinar, interacted with the resource person, got their doubts clarified and got benefitted.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
ACADEMIC YEAR 2021-2022/ ODD SEMESTER

REPORT

1. Type of the Event : Industry Expert Interaction session (Alumni)
2. Name of the Event : "Skills and Industry requirements"
3. Objective : To create awareness among the students about the current technologies ,career opportunities skills needed to enrich them for getting jobs and path to become an entrepreneur.
4. Date : 25.09.2021
5. Mode : Online (Google meet : <https://meet.google.com/nep-owvq-qww>)
6. Resource Person : Mr.R.Nagarajan,
Asst Manager,
Reliance JIO, Bangalore
Profile : <https://rnagarajan96.web.app/about>
7. Level of the Event : Department Level
8. Name of the organizer : R.Sugantha Lakshmi /CSE
9. Target Group : IV CSE
10. No of Participants : 33

11. Outcome

Students acquired knowledge on

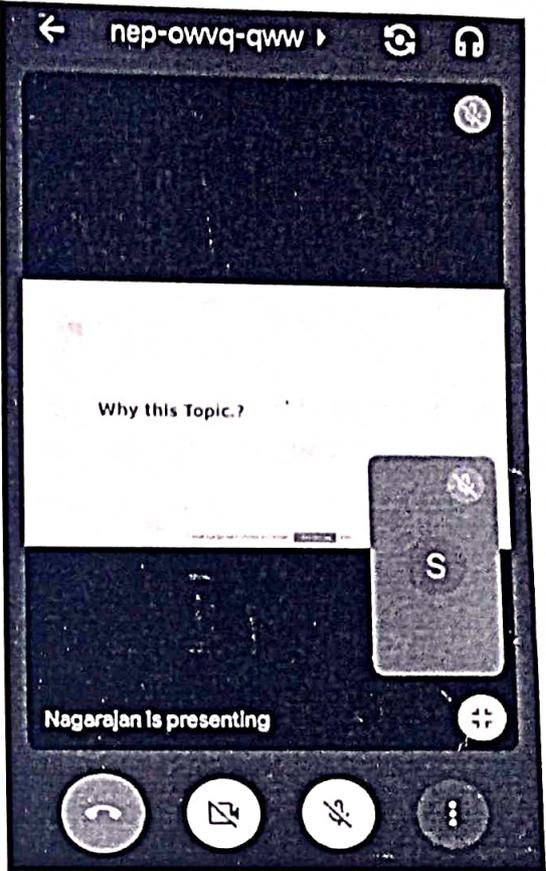

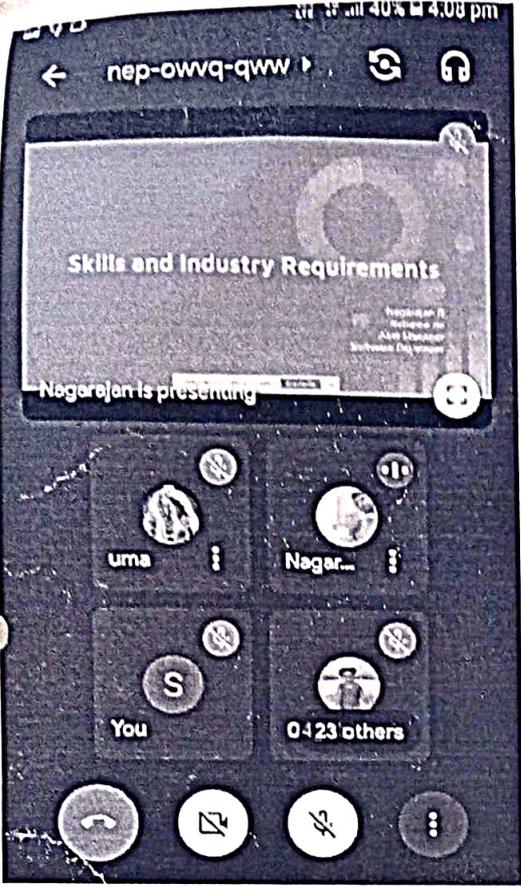

- The current industry needs and expectations
- How to equip themselves for getting job in industry
- How to prepare themselves for the interviews and areas of improvement for seeking job.
- The booming areas which create more job opportunities in their field.
- Initiatives to be made for becoming an entrepreneur.

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING
ACADEMIC YEAR 2021 -2022/ ODD SEMESTER
INDUSTRY EXPERT INTERACTION SESSION (ALUMNI)

A one day webinar on industry expert interaction session titled “**Skills and Industry Requirements**” was organized on **25.9.2021** for the IV CSE with an objective of making the students to get deeper into the current industry trends , expectations of the industry and which area has more opportunities in their field . Our Alumni **Mr.R.Nagarajan**, Asst Manager , Reliance JIO , Bangalore of 2018 passed out handled the session. Totally **33 students** attended the session from the final year CSE. The Head of the Computer Science Department **Dr.S.M.Uma** welcomed the gathering and **Mrs.R.Sugantha Lakshmi AP/CSE** (Dept Alumni Co-ordinator) introduced the resource person to the students. The resource person highlighted on what are the current industry needs, their expectations, job opportunities, how to equip (learning new technologies) themselves for getting job in industry, preparing themselves for the interviews. He also explored the booming areas which create more job opportunities. He briefed about where to register for jobs, how to locate and choose jobs opportunities from various online sites as a fresher and after receiving experience. Also he narrated the initiatives and steps to be made for becoming an entrepreneur, what are the areas of improvement the student should develop for seeking job, how to improve communication skills. The students of IV CSE actively participated in webinar, interacted with the resource person, got their doubts clarified and gained benefitted.

ACADEMIC YEAR (2021-2022) ODD SEM**

REPORT ON ONE DAY WORKSHOP

In KCE, Department of Electronics and Communication Engineering, has organized a one day workshop for third year and Final year B.E-ECE students on 24th December 2021, in the title of **“Skill Sets for Electronics Engineers in core field”** at Pallava hall.

Totally 80 students have enthusiastically participated in this Workshop.

The main objective of this workshop was to know about the job opportunities for Electronics Engineers in the core field and to know various skills needed for the students to enter into a job.

The workshop was started at 1.30 pm with a prayer Song.

Dignitaries on the Dias during the Inauguration

Dignitaries and Students during the Prayer Song

Welcome address by Ms.G.Latchayashri, Student of IV ECE.

Followed by the Prayer Song, **Ms. G.Latchayashri**, student of Final ECE, welcomed the gatherings with the words for this offline workshop on “Skill sets for Electronics Engineers in Core field”.

Felicitation Address by Mrs.N.Mangaiyarkarasi, HOD/ECE

Mrs.N.Mangaiyarkarasi, HOD/ECE delivered the Felicitation Address. She emphasized that, this workshop will provide more knowledge about the various technical skills and the future scope for electronics engineers. She insisted the students to ask more doubts and have a clear idea about the job opportunities.

Chief Guest Introduction by Ms.K.Gayathri, Student of III ECE

Ms.K.Gayathri, Student of Third ECE gave a brief introduction about our chief guest, Mr.S.Dinesh Sundar, Alumni of Kings, Software Developer, VVDN Technologies, Gurugram, Haryana.

Lat N 10° 39' 37.872"
Long E 79° 3' 12.1788"
24/12/21 01:46 PM

Honoring the chief guest with a shawl.

Followed by inauguration the session was handed over to the resource person.

Mr. S.Dinesh Sundar, from VVDN technologies delivering the lecture to the students.

The resource person gave an overview about the various technical skills. He gave more information about the embedded systems and various job opportunities in embedded systems and in our core field. How to get prepared for the interview? To face the interview, what are the main technical skills and languages needed? What are the companies available to work in our core field? What are the opportunities and ways to Electronics core Industry? He gave a fantastic lecture about the skill sets for an electronics engineer in our core field.

After the session was completed, Feedbacks were collected from the students to know their opinion about the Workshop. Finally he told that, many vacancies are there in his company. As an Alumni of Kings, he shared his sweet experience with his juniors.

Finally, Event coordinator Mr.P.Rajapirian, AP/ECE delivered the vote of thanks.

Thus the Workshop ended with National Anthem successfully.

OUTCOME:

- At the end of the Workshop, students gathered more knowledge about the availability of job opportunities in Embedded Systems and in our core field.
- Students gained various technical skill sets needed regarding placement. Thus we created the way to get into the MNC through the technical skills in our core field.

Resource Person Profile

Mr. S.Dinesh Sundar, Software Developer

Mail : embeddedinesh@gmail.com **Mobile** : +91-8754708100

Mr. S.Dinesh Sundar, is currently working as a Software Developer in VVDN Technologies, Gurugram, Haryana.

Recent Project Worked:

Linux character device driver for IOT based concurrent home automation system.

Description:

The aim of this project is to develop the Character Device Driver for IOT based home automation system which concurrently monitor and control. The application program in this project continuously read the sensors, write the loads which invoke read and write kernel functions in device file. Concurrency is achieved in application of this project. Device Driver monitoring and controlling the sensors, loads based on GPIO registers. The information to user through PUBNUB an open cloud and control three different loads based on user commands.

Technical Skill Set:

Programming : Linux Device Driver Development, Linux system programming,
Embedded-C Programming, CPP.

Operating Systems : Linux OS.

Microcontrollers : 8051, ARM7, ARM-Cortex M series.

Compilers : GCC compiler, ARM-GCC cross compiler.

Training Undertaken:

Took **Embedded Systems** training at **Vector India, Bangalore** from June 2017 to July 2018.

Work Experience:

- Worked as Embedded Developer from Nov 2019 to till date in Tusker India Embedded Systems, Thanjavur.
- Worked as Embedded Developer from Feb 2019 to Aug 2019 in Ethics Tech Embedded Systems, Chennai.
- Trainee at Vector India, Bangalore from June 2017 to Dec 2018.
- Worked as Assistant Professor in the department of ECE, Parisutham Institute of Technology and Science at Thanjavur from the month of June 2014 to April 2017.
- Worked as Assistant Professor in the department of ECE, C.R Engineering college at Madurai from the month of November 2013 to May 2014
- Worked as Assistant Professor in the department of ECE, PRIST University at Thanjavur from the month of June 2012 to October 2013.

Abilities:

- Taking up new responsibilities with ease
- Quick grasping skills
- Ability to work and Deliver good Quality with Minimal support & supervision.
- Open to new concepts and hard working.
- Effectively able to handle Loading in Team.

Education:

M.E in Applied Electronics from Kongu Engineering college in 2012.

B.E in Electronics and communication engineering from Kings College of Engineering in 2010.

Personal Details:

Date of Birth : 19-12-1988.

Marital Status : Single.

Languages known : English, Tamil.

Strength : Involvement, Quick learning.

Passport Number : S4357808

Contact Address : 3/32B. Thiru Nagar, 4th street, Singaperumal Kulam East, Thanjavur.

POST SEMINAR REPORT

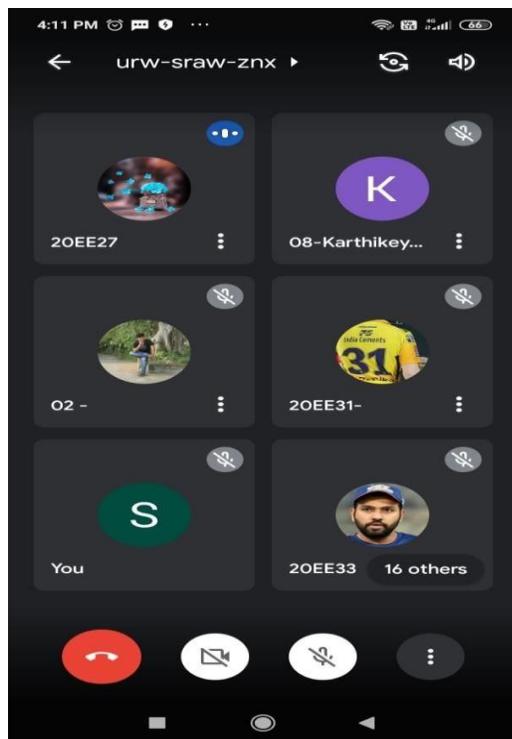

A webinar on “career guidance” was organized by department of Electrical and Electronics Engineering on 29.10.2021 for II, III and IV EEE students. The session started with silent prayer. Then the session continued with the welcoming address and introduction of resource person by Ms.C.Senthamilarasi AP/EEE.

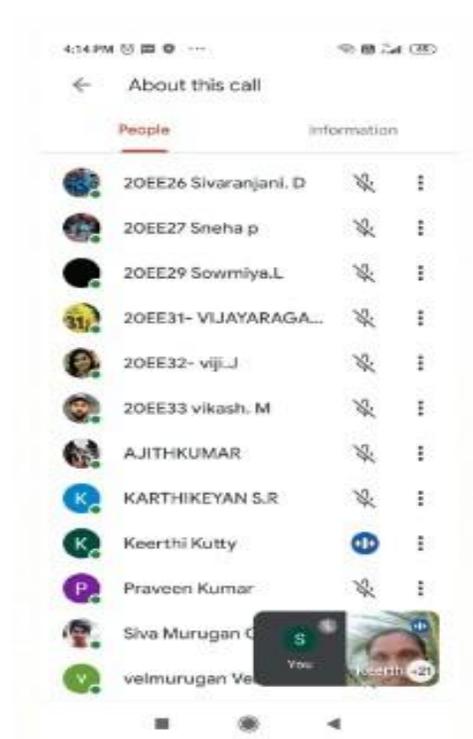

Event photograph-1

Event photograph-2

Event photograph-3

Event photograph-4

Resource person interacting with students about their career

Ms.R.Rathibharathi (Resource person) created awareness about the sports quota in colleges and the list of government jobs which are offered through the sports quota. She said only few students have acquired the talent in the field of sports and made a mark in State Level/National Level sports events. She told that the Indian Government has implemented sports quotas in higher education and government jobs for promoting the enthusiasm among players for sports. She said that most of the government institutions, including Indian Railways, Indian Army, Police, Government Banks/Universities, PSUs recruit meritorious sports players from time to time. These departments of the Government of India are always looking forward to encourage the players. This would, in return, provide job security to players and intensify their desire to achieve glory through sports for the country.

She also shared that the Government of India appoints meritorious sports persons, who represent the National and International events in South Asia Federation Games, Asian Games, Federation Cup, World Cup, District, State, Olympics, and Commonwealth Games, USIC Championship, and several other sports activities, to any post in Group 'C' or erstwhile Group 'D' through Direct Recruitment .

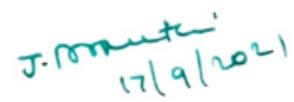

She cleared state that the sports persons in the state are getting two per cent quota for direct recruitment in government departments. She explained 43 sports which are recognized by Indian central and state government for sports quota. She detailed about the selection process under sports quota which depends on many parameters (Merit, Sports trial, Medical test, Interview) through which the candidate is evaluated by the recruitment officers. She said that players who play individual sports can benefit a lot during college admission and the colleges provide special seats based on trial performance after evaluation by their sports department. Most of these entries will have full wavier in fee for academics as well as hostel.

Conclusion:

Through this session, students gained information about sports quota in government jobs and how to achieve their success through sports quota and get a better way of life. Students got inspired and guided for successful career and future life.

ALUMNI TALK ON CARRER GUIDANCE

Titled

“PREPARATION STRATEGY FOR GATE”

17.05.2022

Resource Person:

Mr. K. Sukumaran (Alumni: 2001-05 Batch)

Deputy Manager,

BHEL,

Tiruchirapalli.

Venue: EEE – SMART CLASS ROOM

Time : 03:15 – 04:00 PM

Objectives:

- The objective of the GATE exam is to test students knowledge and understanding of their under Graduate level subjects in Engineering and Science.
- To motivate the students to prepare for high level competitive exams.
- Students should be aware of Gate exam benefits and prior preparation along with academic syllabus.

Session:

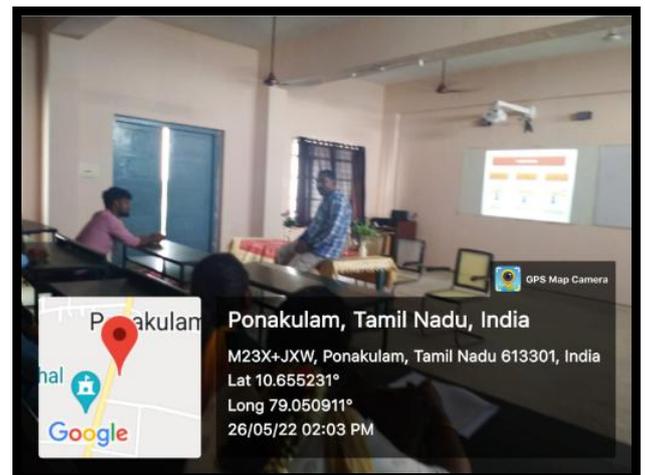

We are delighted to have organized an astonishing Alumni talk on 26th May 2022 at the Department of Electrical and Electronics Engineering. Mr. K. Sukumaran, (Deputy Manager, BHEL.) of 2001-2005 batch graced the occasion. The aim of this expert lecture on “Preparation Strategy for GATE” is awareness about GATE Exam to the students and it also helpful to choose a career after completing under graduation.

First, Mr. K. Sukumaran was covered introductory part and he gave all basic idea about GATE Exam. He gave all information about GATE Exam and gave tips related career in government sectors. He took detailed lecture on syllabus & subjects of GATE Exam, procedure related to exam and how to crack exam. He shared the myths and facts related to GATE Exam. In this seminar, students of third and final year Electrical Engineering Department were actively participated.

Event photograph-1

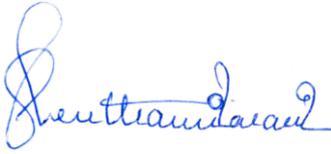

Event photograph-2

Resource person interact with students about their career

Outcome:

1. Students focused on syllabus of Gate and learned how to prepare the questions.
2. Students learned the pattern and techniques to solve the questions.

Department of Mechanical Engineering
Academic Year 2021-2022 Odd Semester
Career Guidance Program

To provide adequate knowledge about post measures after the graduation, a career guidance along with higher study initiative event was organized by Department of Mechanical Engineering, Kings College of Engineering, Punalkulam. The main focus of the event was III Year students of Mechanical Engineering. There are 44 Students in III Year Mechanical Engineering. The event was intimated to the beneficiaries through WhatsApp circular and was conducted through virtual mode (Google Meet: <https://meet.google.com/xbv-vacu-iby>) at 01.30 PM on 26/10/2021. Mr. S. Sabanayagam, AP/Mechanical presented the career guidance and the opportunities available in the society along with possible ways that a Mechanical Engineering graduate will have in their hand. Totally 44 students were attended the event by virtual mode.

After the session, Feedback was obtained from the beneficiaries by Google form and the responses along with event screenshots were provided below for the reference.

10. Any other suggestions

Very nice and informative program....

It's very useful

Really very much useful

Useful

Overall sessions were given us a brief idea to choose our career. It explored us many unknown opportunities around us. It helps us to focus on our career in a broad sense.

Useful session to build our career

It was very useful for our carrier and clear idea about entrepreneurship

This session was very usefull and innovative

So many things are learned

Thanks for giving such a informative session

Very useful and informative session

Excellent and keep going

It's very informative session.

It was very useful and interactive session.It is very helpful.

Usefully

100% satisfaction to attend the program

This program is very useful

Useful for carrier objective

Don't conduct a online mode program

Very informative & well organized with appropriate resource persons.

Very useful session, Very helpful session for my career

It is useful to learn and get more knowledge.i have got so many information for our career and useful this session

Very interesting and useful session

Thanks for great section thank you sir

useful this session

This program makes fruitful thoughts for us... Thank You for arranging

பொறியியல் கல்லூரியில் திறன் மேம்பாட்டு பயிற்சி

தஞ்சாவூர்:தஞ்சை அருகே புனல்குளம் கிங்ஸ் பொறியியல் கல்லூரியில் தமிழ்நாடு அறிவியல் தொழில்நுட்ப மாமன்றம் சார்பில் தொழிலக தேவைகளுக்கான திறன் மேம்பாட்டு பயிற்சி முகாம் நடந்தது.

பெங்களூரு ஹயர் மீநிறுவன பிராந்திய மேலாளர் கிரீஸ்ராய் தொழிலக தேவைகளுக்கான திறன்கள், அவற்றை மேம்படுத்த உதவும் பயற்சிகள் பற்றி பேசினார். தமிழ்நாடு தொழில் முதலீட்டுக்கழக திருச்சி மண்டல மேலாளர் சுஷில் குமார் தொழில் தொடங்குவதற்கான நிதி ஆதாரங்களை திரட்டுவது குறித்த தகவல்களை வழங்கினார்.

கல்லூரி முதல்வர் அற்புத விஜயசெல்வி மாணவர்களுக்கு

புனல்குளம் கிங்ஸ் பொறியியல் கல்லூரியில் நடந்த இளம்பொறியாளர்களுக்கு திறன் மேம்பாடு பயிற்சி முகாமில் கிரீஸ்ராய் பேசினார். அருகில் கல்லூரி செயலாளர் ராஜேந்திரன் மற்றும் முதல்வர்கள்.

இருக்க வேண்டிய திறமைகள் பற்றி எடுத்துரைத்தார். செயலாளர் ராஜேந்திரன் தலைமையுரை வழங்கினார். ஏற் பாடுகளை வேலை வாய்ப்புத் துறை உதவி பேராசிரியர் சுரேஷ்பாபு

ஒருங்கிணைப்பில் மேலாண்மைத் துறை பேராசிரியர்கள் செய்திருந்தனர். முன்னதாக கல்லூரி துணை முதல்வர் சிவகுமார் வரவேற்றார்.
