“INDEPENDENCE DAY PROGRAMME”

Date & Time: 15.08.2022 & 11.00 a.m.

Venue: Kadavarayanpatti

Report

KCE proudly joined the nationwide celebration of Independence Day in the name of ‘Azadi Ka Amrit Mahotshav’ to gracefully mark the seventy-five years of independence. What the first PM of Independent India proclaimed at the midnight of August 15 1947: ‘at the stroke of the midnight hour, India will awake to life and freedom when the world sleeps’; was aptly captured the struggle and happiness of newly independent India as it finally managed to free itself from the clutches of British rule. India still marches ahead bearing those indelible marks with roots driven strongly on rich heritages to inspire the people globally.

The esteemed gestures of the Secretary of our college, Dr.R.Rajendhran, and our Principal, Dr. J. Arputha Vijaya Selvi formally had made this programme more memorable. Dr. J. Arputha Vijaya Selvi, Principal, hoisted the tricoloured flag and shared few words on sincere dedication of our father of nation, Mahatma Gandhi who is still recognized as an embodiment of non-violence.

KCE with meticulous plan accomplished the celebration at the adopted village Panchayat School, Kadavarayanpatti and our NSS Volunteers distributed flags and sweets to the students and the people of the village.

“EYE DONATION AWARENESS RALLY”

Date & Time: 06.09.2022 at 10:30am

Venue: TNJ-Old Bus Stand

Report

Aim:

Corneal blindness is high and the rate of eye donation is low. Aiming to encourage the public willingness to donate eyes at various clinics, KCE set out to chain the people into a single fold of Donating Eyes to reach out the needs.

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, an Awareness Rally on ‘EYE DONATION’ was organized by the National Service Scheme Units of our college in Thanjavur at 10:30 a.m on 6.09.2022. The programme officers Mr. P. Raajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, had made arrangements for the programme.

Insisting on the theme, a procession, held between Thanjavur Old Busstand to Dr. Agarwal Eye Hospital, was flagged off by Dr. R. Rajendran, Secretary, and Dr. J. Arputha Vijayaselvi, Principal, Kings College of Engineering had delivered a short speech advocating the need of donating Eyes. The NSS Units associated with Dr. Agarwal's Eye Hospital Thanjavur to promote the noble ideology of depleting the visual impairment rate. The Rally was organized through volunteers from Kings College of Engineering and few Public members. The rally witnessed more than 220 students. Dr. J. Arputha Vijayaselvi, Principal, said that *‘vision is the ability to perceive the surrounding world using light in the visible spectrum reflected by the objects in the environment and any diminishment of function results in visual impairment or blindness ranging from partial to complete with varying visual acuity.’*

FEEDBACK:

The term “Eye Donation” is commonly used; there is no whole eye transplantation. Usually, only corneal tissue is donated. One person’s cornea donation can restore the sight upto 4 people. Corneal or eye donation is one of the ‘universal’ donations where donors are not restricted by blood type, age, eye colour, and eyesight.

“WORLD TOURISM DAY AWARENESS RALLY”

Date & Time: 27.09.2022 at 10:00am

Venue: TNJ-Big Temple to Palace

Report

Aim:

World Tourism Day, is celebrated each year on 27th September to foster awareness among the international community of the importance of tourism and its social, cultural, political and economic value. On account of this occasion, KCE massively set out to chain the people into a single fold of WORLD TOURISM to reach out the needs.

As per the direction of Ministry of Youths Affairs and Sports in the scheme of Swachh Pakhwada under Swachh Bharat Mission, an Awareness Rally on ‘WORLD TOURISM DAY’ was organized by the Thanjavur Tourism Department in Thanjavur at 10:00 a.m on 27.09.2022. The programme officers Mr. P. Raajeshwaran, Unit I and Mr. S. Ambalatharasu, Unit II, had made arrangements for the programme.

Insisting on the theme, a procession, held between Thanjavur Big Temple to Palace, was flagged off by DINESH PONRAJ OLIVER, District Collector, Thanjavur. He delivered a small talk about tourism: “There’s a major shift in travel habits and sentiments. Unplanned vacations, shorter stays at the very last minute, exploring nearby and offbeat destinations are all very relevant trends today. Flexibility tops the list. Providing consumers with access at their disposal, the choice to make travel decisions on their own terms, convenience and personalisation are all elements to being the consumer’s travel partner today. We at Thanjavur have worked hard to understand the new age consumer and their travel habits and have therefore rolled out several app level features to benefit their travel plans, even if it’s at the very last minute.”

FEEDBACK:

The Thanjavur Big Temple or Thanjavur Brihadeeswarar Temple is one of the unsung world wonders with many unknown architectural secrets that still keep the people excited after 1000 years. The most surprising factor is that the shadow of the vimana or kalasam of the Thanjavur temple will not fall on the ground. It is still a mystery for the researchers how the shadow is not falling.
