KINGS
COLLEGE OF ENGINEERING
An Autonomous Institution
Affiliated to Anna University, Chennai, Approved by AICTE, New Delhi

iTNT
TAMILNADU TECHNOLOGY HUB

INNOVATION NETWORK MEMORANDUM OF UNDERSTANDING

This Innovation Network Memorandum of Understanding (hereinafter referred to as "MoU") is entered into on this the 23rd of February 2024.

BY AND BETWEEN

Tamil Nadu Technology (iTNT) Hub registered as iTNT Foundation, an Institution incorporated under Section 8 of the Indian Companies Act, having its registered office at Sir C V Raman Block, 3rd Floor, Anna University Campus, Kotturpuram, Chennai 600025, Tamil Nadu, represented by its **CEO, Ms. Vanitha Venugopal** (hereinafter referred to as "iTNT") which expression shall unless it be repugnant to the contrary shall include its affiliates, successors and permitted assigns); on the one Part;

AND

Kings College of Engineering, having its address at **Punalkulam, Pudukkottai**, represented by its **Principal, Dr.J.Arputha Vijaya Selvi** (hereinafter referred to as "KCE") which expression shall unless it be repugnant to the contrary shall include its affiliates, successors and permitted assigns); on the other Part.

iTNT and Institution may be referred to here in individually as a "Party" or collectively as "Parties".

WHEREAS, iTNT has been setup with the support of the Government of India and the Government of Tamil Nadu, as a Public Private Partnership with the mandate of building a thriving deeptech and emerging tech ecosystem in the state bringing Startups, Corporates, Governments and Academia together; to build an incubator that helps early stage deeptech startups, to build an accelerator that helps deeptech and emerging tech startups with market access programs, to build an innovation network that engages academia and corporates, and to build a global collaborative ecosystem on high tech;

WHEREAS, Kings College of Engineering has been setup with a mission

Be a center of excellence for technical education in emerging technologies by exceeding the needs of the industry and society.

Be an institute with world class research facilities.

Be an institute nurturing talent and enhancing the competency of students to transform them as all-round personality respecting moral and ethical values.

WHEREAS, iTNT is setting up an Innovation Network to leverage academic institution's research capacity to build a demand-driven innovation ecosystem;

WHEREAS, the Institution wishes to partner with iTNT to be a part of the Innovation Network, and iTNT has agreed to the same; and

WHEREAS, the Parties wish to set forth their mutual understanding with regard to the same vide this MoU.

NOW THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. Definitions

- 1.1. "**Confidential Information**" means all information determined by such a term or such information that is of such a nature that its releasing can cause damage to the Disclosing Party, notwithstanding whether the information has a nature of personal, business or other information. Confidential Information is particularly considered to be all the information and data of technical, technological, economic, financial, business, legal, organizational and creative nature, intentions, methods, formulas, systems, principles, solving procedures, styles, ideas and designs, recognizable from mediums, e.g. from samples, drawings, plans, descriptions, procedures, instructions, charts and all partial materials, as well as expressed by any other perceptible way, notwithstanding whether they create the subject of a trade secret of the Disclosing Party, or information that is classified or restricted by or on behalf of the government, or any other information, data and documents provided by or on behalf of the Disclosing Party to the Receiving Party in a written, verbal, electronic form or any other form. The Confidential Information is also considered the information included in this MoU and also all information in relevant future agreements concluded by the Parties to the MoU.
- 1.2. "**Intellectual Property Rights**" means all rights arising in or to information, materials, utility models, inventions, discoveries, trademarks, trade names, patents, copyrights, designs and neighbouring and related rights, database rights, invention disclosures, know-how, trade secrets, and all other intellectual property rights and interests, in each case whether registered or unregistered and including any and all applications, and rights to apply for and be granted, registrations, renewals or extensions of, and rights to claim priority from, such rights and all similar or equivalent rights or forms of protection which subsist or will subsist now or in the future in any part of the world.
- 1.3. "**Project/s**" shall mean the specific projects or activities undertaken by iTNT and the Institution under this Agreement.

2. Purpose & Scope

- 2.1. The purpose of this MoU is to establish a collaborative partnership between iTNT and Institution relating to the Institution's participation in the Innovation Network.
- 2.2. Institution acknowledges that by collaborating, it can leverage its respective expertise, resources, and networks to advance research and innovation and foster economic and social development.
- 2.3. The objective of this partnership is to support the development of research and innovative solutions need for the industry, promote entrepreneurship, and encourage the transfer of knowledge and technology.
- 2.4. Through this MoU, the parties aim to create a sustainable and mutually beneficial relationship that will promote long-term cooperation and result in tangible benefits for both parties.
- 2.5. The objective of this partnership is to facilitate the active involvement of the Institution in the Innovation Network's programs and activities, including but not limited to innovation workshops, research projects, Innovation Network Platform, training programs, and entrepreneurial initiatives.

3. Innovation Network's Programs and Activities

- 3.1. Institution acknowledges that the programs and activities offered by the Innovation Network will be governed by their respective program policies, terms, and conditions, including any applicable fees.
- 3.2. These program policies, terms, and conditions may cover areas such as eligibility criteria, program objectives, deliverables, timelines, confidentiality, intellectual property rights, and liability.
- 3.3. Institution agrees to comply with these program policies, terms, and conditions.
- 3.4. Prior to participating in each program or activity, iTNT, Institution and Industry Partner will agree enter into an Agreement detailing the program policies, terms, and conditions, including the applicable fees, which will form an integral part of this MoU.
- 3.5. The parties acknowledge that the success of this partnership depends on the active participation and commitment of both parties to achieve their shared objectives.
 - 3.5.1. Therefore, Institution agrees to use its best efforts to comply with the program policies, terms, and conditions of the Innovation Network and to actively participate in the programs and activities offered through the Innovation Network.
 - 3.5.2. In the event that Institution fails to comply with the program policies or fails to participate in the programs offered through the Innovation Network without a valid reason, iTNT may terminate the MoU, program agreements, or other related documents at its sole discretion, and Institution shall be liable for any damages or losses resulting from such breach.
 - 3.5.3. The termination of this MoU, program agreements, or other related documents shall not affect the validity of any obligations or liabilities incurred prior to the termination date.

4. Publicity:

- 4.1. The Parties shall cooperate with each other regarding any marketing and promotional activities undertaken by the Parties under this Agreement.
- 4.2. Neither Party shall make news releases, public announcements, give interviews, issue, or publish advertisements, or publicize in any other manner whatsoever in connection with this MoU, the contents/provisions thereof, Confidential Information, or other matter related to this MoU, without the prior written approval of the other Party.

5. Reporting, Records and Audit:

- 5.1. The Institution shall maintain full, accurate, and proper records and books of accounts pertaining to the Projects or this MoU during the Term and for a period of three (3) years following the termination of this MoU.
- 5.2. iTNT, its Partners and/or its authorized representatives may, during business hours and with reasonable prior written notice, inspect and audit the books and records relating to the Projects or this MoU in the possession of the Institution.

6. Representations and Warranties:

The Parties hereby warrant and represent that:

- 6.1. They have full power and authority to execute and deliver this MoU and perform its obligations, duties or responsibilities arising under this MoU;
- 6.2. The execution, delivery and performance of this MoU by such Party will not, conflict with, result in a breach of or default under any applicable law or regulation, or any order, writ, injunction or decree of any court or governmental authority;
- 6.3. The execution, delivery and performance of this MoU by such Party will not, conflict with, result in a breach of or default under any MoU, arrangement or understanding, written or oral, to which such Party is a party or by which such Party or any of its assets are bound.
- 6.4. To the best of each Party's knowledge, there is no litigation pending against it in any court of law challenging the validity or propriety of, or otherwise relating to or involving, this MoU or preventing it from entering into this MoU or performing its obligations under this MoU; and
- 6.5. The representations and warranties furnished by each Party in this Section 6 are complete in all respects and do not contain any statement which is untrue regarding any material fact.
- 6.6. The Institution's performance of this MoU and implementation of the Projects shall be of high standard and quality, and its Personnel, employees, agents, staff, representatives or workers shall ensure that the results of the Projects and the deliverables do not infringe the rights of any third party, and that their workmanship shall not be adversely affected or compromised.

7. Confidentiality:

- 7.1. The Parties acknowledge and confirm each Party (the “Disclosing Party”) may provide Confidential Information to the other Party (the “Receiving Party”) under this MoU or relating to the Project. The Disclosing Party agrees that Confidential Information disclosed orally or in any other intangible manner shall be reduced to written form and marked as confidential within thirty (30) days of such disclosure. The Receiving Party shall protect and maintain the confidentiality of Confidential information.
- 7.2. Without the written consent of the Disclosing party, the Receiving Party shall not disclose any Confidential Information to any third person other than for the following reasons:(a) the public becomes aware or will be aware of the information (not disclosed by the recipient of the information by breaching this provision); (b) independently developed by Receiving Party without use of or reference to the disclosing party's Confidential Information (c) information disclosure as required by relevant laws and regulations or (d) information disclosure to the legal or financial advisor, who shall assume the same confidentiality obligations similar to the ones hereunder. The leakage of information by employee or engaged institution of the Receiving Party will be treated as the breach of the Receiving Party.
- 7.3. All obligations of confidentiality and non-disclosure imposed upon the Receiving Party under this MoU shall expire three (3) years after the expiration of this MoU, or until the Confidential Information ceases to be confidential in nature, whichever is the later.
- 7.4. Upon termination of this Agreement, the Receiving Party will promptly return to the Disclosing Party upon demand all Confidential Information of the Disclosing Party. In addition, upon the termination/expiry of Project in the Company and shall return the Confidential Information of the Company immediately.

8. Intellectual Property Rights:

- 8.1. Each party shall remain the owner/rights holder of their own Intellectually Property Rights. No right to any Intellectual Property Rights of each Party is assigned, transferred, or covenanted to the other Party under this MoU.
- 8.2. Institution recognizes that the joint activities carried out under specific Program(s) may result in the creation of intellectual property, such as inventions, patents, trademarks, copyrightable works, trade secrets, know-how, or data, that have commercial and/or strategic value.
- 8.3. Institution agrees that any intellectual property created, invented, discovered, or developed as a result of the joint activities will be subject to the terms and conditions of the program agreement signed between the Institution, iTNT, and industry partner.

9. **Term:** The term of this MoU shall commence from 23rd February 2024 (effective date) and shall continue for a period of 3 years thereafter. The Parties may choose to renew this MoU for a further period after the expiration of the term of MoU at mutually agreed terms.
10. **Termination:**
- 10.1. iTNT may terminate this MoU or any Project under this MOU for any reason by providing 30 days prior written notice to Institution.
- 10.2. Either Party may terminate this MoU or any Project under this MOU on written notice to the other Party, if the other Party is in material breach of the terms of this MoU and has failed to cure such breach within 30 days of receiving a written notice requiring it to do so.
- 10.3. Effect of Termination/Expiry:
- 10.3.1. The use Projects results and the deliverables shall be governed by the respective Program Agreement.
- 10.3.2. All property of each party in possession of the other party relating to a terminated Project shall be returned, including, without limitation, any deliverables and results of the Projects whether complete or incomplete.
11. **Indemnification:** Each Party agrees to hold the other Party harmless and to indemnify the other Party from and against any and all liabilities, losses, costs, damages, personal injury, loss of life or property, reasonable attorney's fees and expenses which it may sustain by reason of the breach or alleged breach of any terms or conditions in this MoU.
12. **Limitation of Liability:** In no event shall either Party be liable for lost profits, or any other special, reliance, incidental or consequential damages, however caused and under any theory of liability, whether based in contract, tort or otherwise, regardless of whether the Party has been advised of the possibility of such damages and notwithstanding the failure of any essential purpose of any limited remedy stated herein. Each Party's aggregate liability shall be limited any funds paid to iTNT for the respective Project under this MoU. Such limitation shall not be applicable in case of the results of the Projects or the deliverables infringing the Intellectual Property Rights of a third party.
13. **Restrictions:**
- 13.1. During the Term of this MoU and for 3 years thereafter; Institution shall not, without the prior written consent of iTNT, solicit or induce any employees of iTNT or its affiliates who are involved in the Projects to terminate or breach an employment, contractual or other relationship with iTNT.
- 13.2. Institution shall not (to the extent legally permissible) employ or engage any employees of iTNT during the term of this MoU and for 3 years thereafter.
14. **Legal Compliance:** Each Party shall comply with Applicable Law in discharge of its obligations under this MoU.

15. **Relationship of Parties:** This MoU does not create any agency, Partnership, joint venture, or franchise relationship between the Parties. Nothing contained in this MoU shall authorize any Party to act as an agent of the other except to the extent specifically agreed in writing.
16. **Assignment:** Neither party may transfer or assign its rights and obligations under this MoU without the prior written consent of the other party, which consent shall not be unreasonably withheld.
17. **Entire MoU:** This MoU contains the entire MoU between the parties with respect to the subject matter of this MoU and supersedes all previous negotiations, representations, or other MoUs previously made by the parties with respect to the subject matter of this MoU.
18. **Remedies:** All remedies available to either party for breach of this MoU are cumulative and may be exercised concurrently or separately. The exercise of one remedy will not be deemed an election of such remedy to the exclusion of other remedies.
19. **Amendment and Waiver:** No supplement, modification, amendment, or cancellation of this MoU shall be binding unless executed in writing by the parties hereto. No waiver of any of the provisions of this MoU shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar) nor shall such waiver constitute a continuing waiver.
20. **Severability:** In the event any provision or part of this MoU is found to be invalid or unenforceable, only that particular provision or part so found, and not the entire MoU, will be inoperative.
21. **Jurisdiction:** This MoU shall be construed in accordance with the laws of India and the Courts in Chennai shall have exclusive jurisdiction.
22. **Arbitration:** Any and all claims and disputes arising under this MoU shall be settled through arbitration by a sole arbitrator mutually appointed by both Parties. The Arbitration proceedings shall be conducted in accordance with the rules of the Indian Arbitration and Conciliation Act, 1996. Unless otherwise agreed, the seat of the arbitration shall be Chennai and the arbitration proceedings shall be conducted in the English language.

IN WITNESS WHEREOF, the parties hereto have caused this MoU to be executed in duplicate by their duly authorized officers or representatives as of the day and year first above written.

TISTEPS PVT LTD

MEMORANDUM OF UNDERSTANDING

DN 043154
N. S. VISWANATHAN
STAMP VENDOR
L. No. 12/44/ஆ/96-30-97,
5/14A, Arcot Road, Porur,
Chennai - 116. Cell : 94443 00806

This Memorandum of Understanding (MoU) is entered into on 05th day of January 2024 between

- (A) Kings College of Engineering, (called **KCE** henceforth)
- and
- (B) TISTEPS PVT LTD (called TISTEPS henceforth)

Whereas, Kings College of Engineering is one the oldest & leading institutions of national importance, was established in the academic year 2001-2001. Now, KCE has been administered by Raj Educational Trust, Chennai. The college is situated in Punalkulam (PO), Gandarvakottai Taluk, Pudukkottai District – 613 303, approved by the All India Council for Technical Education

(AICTE) and affiliated to Anna University, Chennai. KCE has become one of the pioneering technical institutions in this part of the country in a very short span.

Whereas, TISTEPS PVT LTD (TISTEPS) is an Indian company with its Corporate Identity Number: U80301TN2012PTC088310 incorporated under the Companies Act 1956 and having its registered office at No.54, Butt Road, St. Thomas Road, Guindy, Chennai – 600016. Impacteurs is a brand and product developed by TISTEPS PVT LTD as a single hub for professional growth support for professionals at all stages of their careers. The user-centric approach on the platform cuts out the information overload and serves up only the most meaningful and relevant jobs and related advice. As a result, talents land the right roles, and employers find their perfect candidates. For Kings College of Engineering, we can support with: (1) Skill enhancement: Comprehensive training to ensure your students are prepared for tomorrow. (2) Achieving placement goals: Our network can enhance your placement drives. (3) Elevated institutional image: Strengthening your institution's profile as a pioneer in student development. For the Students we can support with: (1) Broadened horizons: Expanding avenues of opportunity. (2) Distinctive edge: Offering them a standout reputation in the competitive marketplace. (3) Expert connections: Seamless networking with industry stalwarts and contemporaries. Impacteurs vision is to empower the next generation, enabling them to take command of their professional journey.

To promote Skill Development to enhance employability of students, **KCE** and TISTEPS agree to below mentioned broad terms of co-operation. Both **KCE** and TISTEPS will support each other's endeavours in supporting students in mapping the most suitable career path and ensuring employability at **KCE**.

TISTEPS takes responsibility to provide following tools, knowledge and services under special conditions, but not limited to:

- Create groups and share of knowledge and know-how in the context of skill development and employability courses for students and alumni of **KCE**.
- Jointly organise events such as seminars, workshops, conferences, training programmes for key, upcoming technologies.
- Jointly write academic papers to disseminate the output of joint R&D activities.
- Help the institution with internship placement programme for students of the undergraduate programme at **KCE** selected based on suitable academic criteria, such as the highest CGPA, in the summer
- Establish a career planning and placement event for students and alumni of **KCE**
- Establish a student and alumni group to help disseminate the information on the partnership, key offerings etc, to ensure that everyone can participate to the best of their abilities
- Any other matter/s mutually agreeable which are not covered above

TISTEPS PVT LTD takes responsibility to provide the following, but not limited to

- Jointly organise events such as seminars, workshops, conferences, and training programmes
- Jointly write academic papers to disseminate the output of joint activities
- Joint supervision of undergraduate and post-graduate students who are engaged in the projects or working on other related projects
- Any other matter/s mutually agreeable which are not covered above.

COMMON TERMS FOR BOTH PARTIES

1. Both parties acknowledge & understand that all financial arrangements, if any, will be subjected to prior written agreement and availability of funds for each

2. The MoU remains in place for a period of five (5) years from the date of signing of the agreement and may be renewed for a further period of five years or such time as agreed by both the parties in writing
3. No party shall have the right to use the name or logo of another party without the prior approval of that party in writing.
4. The terms of this MoU may be modified/ amended at any time subject to mutual written agreement. Such modifications/changes shall be effective from the date on which both the parties execute them in writing.
5. The MoU may be terminated by either party by giving 3 months written notice. In the event of termination, both parties shall ensure that the interest of students working/projects under this MoU is safeguarded to the extent possible. Both the Parties shall be responsible for their respective obligations arising under the provisions of this MOU till the date of expiration or earlier termination of this MOU.
6. Both parties mutually agree to identify various areas of interest as per the requirements with mutual consent.
7. Both parties will meet the travelling expenditure, boarding and lodging arrangements for the deputed engineer/person/visiting faculty/staff/student. The inviting party may host the invited at their Guesthouse, subject to availability.
8. Both the parties shall organise regular interactions/meets to promote research interaction and collaboration among their faculty members.
9. Both parties will make all efforts to maintain the classified/ secret information and developments among themselves.
10. Any information of confidential or proprietary nature received by either Party and/or their representatives, employees, agents, etc. (which is not generally known to the public), under and by virtue of this MOU and/or the terms & conditions of this MOU, shall be maintained in the strictest confidence and trust. Any of the Parties may disclose Confidential Information only where it is
(i) required by Applicable Law; (ii) required by any Government Authority; (iii)

connection with this Agreement;(iv) or which has entered into the public domain through no fault of that Party.

11. Every individual research collaboration will have separate agreement/terms of contract that addresses issues such as Intellectual Property Right (IPR), funding pattern, disclosure of confidential information etc.
12. The relationship between the Parties hereto shall be non-exclusive, on a Principal-to-Principal basis, merely for this MOU and shall not be deemed to be a joint venture or partnership of any nature whatsoever.
13. Either party specifically agrees to indemnify, save and hold harmless and defend the other party its respective directors, offices, and employees (to the extent of all benefits and awards, cost of litigation, disbursements, and reasonable attorney's fees that the other party and its directors, offices, and employees may incur in connection therewith) from any third-party claim. The Parties agree to indemnify each other against any claims, costs, charges, damages, losses, and legal charges, of any nature whatsoever, in connection with any of their respective warranties, representations in pursuance thereof. Notwithstanding anything contained herein, TISTEPS's total liability under no circumstances shall exceed the total amount received by TISTEPS from **KCE** in previous 6 months.
14. None of the Parties shall be liable to the other Party for any delay or non-performance of its obligations under this agreement arising from any cause or causes beyond its control including, without limitation, any of the following: act of God, governmental act, war, fire, flood, explosion, civil commotion or industrial dispute, armed hostilities, an act of terrorism, revolution, blockade, embargo, strike, lock-out, sit-in or regulatory intervention.
15. In the event of any dispute or difference arising in the implementation of the MoU, such disputes shall be resolved amicably by mutual discussions by the Competent Authority of both the institutions.
16. This MOU shall be governed by the laws of India & Courts of Chennai alone shall have exclusive jurisdiction over matters relating to or arising from this

All such decisions shall consider the status of work under progress and the interest of both the parties shall be guarded as much as possible.

Based on the conditions, both parties put their signatures & seal on this MoU at **Kings College of Engineering, Punalkulam (PO), Gandarvakottai Taluk, Pudukkottai District on 05th January 2024.**

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MoU') is entered into on this **17.03.2022** by and between Kings College of Engineering (KCE) Punalkulam, Gandaravakkottai tk, Pudukkottai Dt. represented herein by **Principal** (hereinafter referred as '**First Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

and

Village Technology School, No 2/18, St. Joseph School Road, Melma Nagar, Poonamallee, Chennai 600056. represented herein by Balaji Thiru-Founder CEO (hereinafter referred to as "**Second Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

First Party

Second Party

WHEREAS:

- A) Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur - Pudukkottai Highway and run by Raj Educational Trust (RET), Chennai. KCE, a NAAC accredited institution, is approved by All India Council of Technical Education (AICTE), New Delhi and is affiliated to Anna University, Chennai. The institution offers five U.G. and four P. G. programmes and recognized by UGC under 2(f) and 12(B) act of UGC, New Delhi. The Department of Electronics & Communication Engineering and Mechanical Engineering are recognized as research centres for collaborative research by Anna University, Chennai
- B) **Village Technology school**, Villupuram, a company incorporated and existing under the laws of India and having its registered office at No-45 school St, Kandachipuram, Villupuram Dist 605701 as the Second Party is a training and research centre in Robotics, Drones, AI and 3D printing Technology
- C) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- D) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- E) Both Parties, being legal entities in themselves desire to sign this MoU for advancing their mutual interests.

Now thereof, In consideration of the Mutual promises set forth in this MoU, the Parties agree here as follows:

Clause 1 Co-operation:

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the Students and Faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 1.3 The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU.
- 1.4 The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MoU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

First party

Second Party

Clause 2 Scope of the MoU

2.1 Both the parties believe that collaboration and cooperation between themselves would be of major benefit to the student community to enhance their skills and knowledge. The parties intend to have industry and institution interaction in the latest developments and requirements of the industry, so that, the students develop the skills to meet future challenges and the training & exposure will build confidence and prepare the students to have a smooth transition from academic world to corporate world. The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research. Training fees for the mention scope will be discussed and agreed at the time of execution. Village Technology School will provide all support in terms of imparting high end technical education in the area of Embedded Systems, IOT, 3d Printing, Robotics Research & Development, Drones and Advance technologies at the Department.

Clause 3 Intellectual Property

3.1 Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

Clause 4 Validity

- 4.1 This memorandum shall commence from the date of its signing and shall continue for a period of 3 years from the date of signing thereof and be automatically renewed for successive period of one year, unless or either party notifies in writing to the other party of its intension to terminate this MOU thirty days in advance.
- 4.2 The parties may constitute a joint steering committee to manage and execute the cooperative activities mentioned in this MOU.
- 4.3 Each party will nominate appropriate person to discuss and promote detailed cooperation activities for the implementation of this MOU. When necessary and as mutually agreed, the parties may hold working meetings. One party shall notify the other party of any modification in writing in case of change in the assigned personnel.
- 4.4 This MOU sets forth the entire agreements and understanding between the parties with respect to the subject matter hereof and merges all

Clause 5 Relationship between the parties

5.1 It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

KITSANDCOMPS PVT. LTD.**

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 21st day of September Month, 2021 by and between.

KINGS COLLEGE OF ENGINEERING, the First Party represented herein by its Principal, **KINGS COLLEGE OF ENGINEERING**, And **KITSANDCOMPS PVT. LTD.** The Second party, and represented herein by its Director, Mr. P. Rajasekar, Director
WHEREAS:

- A) First Party is a Higher Educational Institution named: **KINGS COLLEGE OF ENGINEERING**,
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Industrial Visit, Expert Lecture.
- D) **KITSANDCOMPS PVT. LTD.**, - the Second Party is engaged in manufacture of other electronic components, lab equipments, training on robotics. Also provides internship to students at facilities available at our industry.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

KINGS
COLLEGE OF ENGINEERING

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai

CLAUSE 2

SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 There is no financial commitment on the part of the KINGS COLLEGE OF ENGINEERING, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.4 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3

VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Memorandum of Understanding

Between

KIRIROM INSTITUTE OF TECHNOLOGY

(Private Higher Education Institution)

Phnom Penh, CAMBODIA

And

KINGS COLLEGE OF ENGINEERING

Punalkulam

Tamilnadu, INDIA

The agreement is executed on this 06th September, 2021 by and between:

Kirirom Institute of Technology, Cambodia hereinafter called the “KIT” (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the first part;

And

Kings College of Engineering, Punalkulam hereinafter called the “KCE” (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

WHEREAS:

1. Details of Kirirom Institute of Technology

“Study Abroad. Work Abroad” as a main theme offered by **Kirirom Institute of Technology**. KIT provides study for the student’s community in an eco-friendly environment. KIT trains the students with the following good qualities such as adaptability, flexibility, communication skills, leadership and project management skill development. KIT provides unique educational system that combines theory with practical application through an intensive internship program. KIT is an international educational institution that fosters and hones English communication skills.

2. Vision

A leading science and technology university in Southeast Asia with excellent education, cutting-edge research, and a commitment to green development and a multicultural community.

3. Mission

- a. Provide life-changing academic and career opportunities for all students, regardless of their family socio-economic backgrounds;
- b. Foster innovation, creativity and team spirit among students;
- c. Establish a diverse and multicultural community conducive to studying, living and working;
- d. Produce young leaders with a local and global understanding and respect; and
- e. Serve national and regional needs for a digital workforce with the fast-changing context of digital transformation and Industry 4.0.

4. Details of Kings College of Engineering

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur - Pudukkottai Highway and run by Raj Educational Trust (RET), Chennai. KCE, a NAAC accredited institution, is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution offers five U.G. and four P.G. programmes and it is recognized by UGC under 2(f) and 12(B) act of UGC, New Delhi. The Department of Electronics & Communication Engineering and Mechanical Engineering are recognized as research centres for collaborative research by Anna University, Chennai

5. Vision

To impart globally competitive technical education, enhance human values and to provide a research atmosphere to the socially challenged aspirants.

6. Mission

Providing a comprehensive theoretical foundation, inculcating state of the art engineering practices and cutting edge research ambience that leads to societal upliftment with ethical values through effective teaching-learning methodologies and appropriate information communication tools via dedicated faculty to the aspirants.

KIT and KCE enter into the following mutual agreement to offer skill development trainings and other related services.

1. KCE shall share with KIT the importance of mathematics for the software engineering program and guide KIT in integrating and strengthening mathematics knowledge in existing software engineering curriculum of Bachelors and Masters programs;
2. KCE shall share with KIT the knowledge and experience in designing the learning outcomes of Bachelors and Masters programs;

3. KCE shall support KIT in reviewing the current students' assessment and evaluation mechanisms, using a competency-based framework, to ensure that KIT graduates meet their expected learning outcomes;
4. KCE shall provide guidance on how KIT can renovate its library and other academic resources so that they can be efficiently integrated into the curriculum to maximize students' learning outcomes;
5. KCE shall share with KIT how to develop the courses that stimulate the research interest and promote academic research among the students and faculty members in both Bachelors and Masters programs;
6. KCE shall review and provide KIT with practical comments/suggestions on the final review report of Bachelors and Master programs, particularly concerning the development of new curriculum, course structure, syllabi, student assessment and evaluation, and pedagogic approaches, to be implemented in the second phase of the Higher Education Improvement Project (HEIP), Cambodia;
7. KCE shall review and provide KIT with practical comments/suggestions on necessary facilities required for the newly drafted software engineering programs.
8. KIT offers Internships in online / offline mode to the KCE students and also provides the training to the faculty members on the cutting edge technologies.
9. KCE's Bachelor Degree students can do their final year graduation projects in KIT at least 3 to 6 months.
10. The faculty of KIT and KCE shall publish journal papers in modern research fields.
11. The faculty of KIT and KCE shall submit joint funding/consultancy proposals for research projects. In such cases, if the proposal submitted in India, a KIT faculty

will be the Co-PI, and vice versa. Budgeting needs to be arrived through mutual discussion before submission.

12. KCE and KIT shall jointly organize online events such as workshops / seminars / conferences.

13. The implementation of specific activities will be separately agreed between both institutions on need basis.

14. Other terms and conditions which are not provided in this agreement shall be deliberated and agreed upon by the institutions hereto.

15. This agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this agreement in duplicate, and each institution shall keep one copy of the originals.

16. This agreement shall be governed by and construed in accordance with the laws of India and Cambodia.

17. The two parties shall first consult each other and attempt to resolve any disputes or misunderstandings that arise in the administration of this agreement out of court.

18. This agreement shall be valid for a period of three years from the date both signatures are affixed to this document or before if terminated by mutual agreement. This agreement may be terminated by either party after one hundred and twenty (120) days following receipt of a written notification of intent to terminate by the other party.

19. If a proposal to renew this agreement is not presented before the end of the MOU period, this agreement will be terminated automatically at the end of three years.

20. This is a non-exclusive MoU.

SIGNED IN DUPLICATE

This MOU is executed in duplicate with each copy being an official version of the agreement and having equal legal values.

By signing below, the parties, acting by their duly authorized officers, have caused this Memorandum of Understanding to be executed, effective as of the day and year first above written.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

**KINGS COLLEGE OF ENGINEERING
AND
ARMADA INDUSTRIAL AUTOMATION**

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 16th day of September Month, 2021 by and between.

KINGS COLLEGE OF ENGINEERING, the First Party represented herein by its Principal, **KINGS COLLEGE OF ENGINEERING**, And **ARMADA INDUSTRIAL AUTOMATION**. The Second party, and represented herein by its Director, Mr. K. Amirthaganesh, Director
WHEREAS:

- A) First Party is a Higher Educational Institution named: **KINGS COLLEGE OF ENGINEERING**.
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Industrial Visit, Expert Lecture.
- D) **ARMADA INDUSTRIAL AUTOMATION**, - the Second Party is engaged in Research & Development and consultancy work related to Electrical, Electronics, Computer Science Engineering. Also provides internship, to UG and PG students at facilities available at our industry.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1

CO-OPERATION

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

KINGS
COLLEGE OF ENGINEERING

Approved by AICTE, New Delhi & Affiliated to Anna University, Chennai

CLAUSE 2

SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 There is no financial commitment on the part of the KINGS COLLEGE OF ENGINEERING, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.4 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3

VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

MEMORANDUM OF UNDERSTANDING

Between

**INSTITUTE FOR ENGINEERING RESEARCH AND PUBLICATION
(IFERP)**

AND

KINGS COLLEGE OF ENGINEERING (KCE)

Preamble

This Memorandum of Understanding (herein after referred to as "MOU") is made and entered into by and between the **Institute For Engineering Research And publication**, with a registered address at Girija Apartment, MMDA Colony, 100 Ft Road, Arumbakkam, Chennai - 600106, India (herein referred to as "**First Party**") and **Kings College of Engineering (KCE)**, Thanjavur, Tamil Nadu (herein referred to as "**Second Party**").

This memorandum sets out the initial relationship between the parties as well as the respective rights and responsibilities of each party. Each Party respectively is expected to act in good faith in accordance with this Memorandum.

Objective

The objective of this MOU is to express the willingness of both parties to engage in an effort to promote the competitiveness of both the parties for publication collaboration. Any Specific activities under this MOU will be identified through consultation between the two parties.

Purpose

The purpose of this MoU is to establish a frame work for Publication Collaboration between Institute For Engineering Research and Publication (IFERP) and **Kings College of Engineering (KCE)** for publishing all the selected research papers of Conference in **International Conference on Emerging Trends in Computing, Communication and Control (ICETCCC-2020) 12th & 13th March, 2020** SCOPUS Indexed Journals and to set forth the understandings and intentions of the partners with regard to collaboration in areas of mutual concern mentioned herein.

Email: info@iferp.in
www.iferp.in

Girija Towers, Arumbakkam, Chennai - 600106

Back Ground

The partnership is important between IFERP and Kings College of Engineering (KCE) Since,

Institute for Engineering Research and Publication (IFERP) a unit of Technoarete group is one of the world's largest Non-profitable R&D Association meant for research development and promotion in the field of Science, Engineering and Technology. IFERP connect professionals, engineers, exchange global innovations and act as a bridge between researchers & academicians. IFERP form partnership with colleges, universities, professional associations, societies and organizations to operate our local chapter functions worldwide. IFERP is one of the leading publishers of research papers in its high quality peer reviewed journals, proceedings and research magazine. IFERP publish papers in its own SCOPUS journals and in addition to that IFERP have tie up with other **SCOPUS Indexed Journals, ESCI/WEB of Science, UGC Journals and Springer Journals** etc.

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and underprivileged students. KCE is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 48 acres on the Thanjavur-Pudukkottai Highway and run by Raj Educational Trust (RET).

Scope

This MoU sets forth the intentions of the parties for increased collaboration, co-operation and interaction and does not create any legally binding commitments. If the parties later agree to undertake any specific new projects, they will develop separate written agreements for such projects, setting out each party's contributions, deliverables, and budgets.

Responsibilities

The partners will continue to maintain their separate and unique missions, mandates and accountabilities. Each partner will be fully and solely responsible for any and all expenses it incurs in relation to this Memorandum.

Girija Towers, Arumbakkam, Chennai - 600106

Responsibilities of the Kings College of Engineering & IFERP

- All the selected research papers from **International Conference on Emerging Trends in Computing, Communication and Control (ICETCCC-2020) 12th & 13th March, 2020 - Kings College of Engineering (KCE)** will be submitted to IFERP for publishing in SCOPUS Indexed Journals- Special Issue.
- All the research papers obtained from **International Conference on Emerging Trends in Computing, Communication and Control (ICETCCC-2020) 12th & 13th March, 2020 - Kings College of Engineering (KCE)** from any source should be given to the first party for Publishing in SCOPUS Indexed Journals- Special Issue.
- IFERP will publish the articles in SCOPUS indexed Journals- Special Issue.
- IFERP will publish the papers with nominal fee, mentioned in further sections.
- Protecting the confidentiality of every author's work
- Establishing a system for effective and rapid peer review
- Making editorial decisions with reasonable speed and communicating them in a clear and constructive manner.
- Organizing and managing the submission, assessment, review and editorial processes for publishing in the journal.
- To provide guidelines to the authors for submission of manuscript.
- To provide clear statement of the journal policies to the author.
- To treat all the authors with fairness, transparency, and honesty.
- To develop system, in cooperation with publisher to ensure timely publication of manuscripts.
- Check whether the articles are not copied and are original.
- Interact with the authors to effectively understand the content

Institute For Engineering Research & Publication

Unit of Technoarete Research and Development Association

Expected research articles for publications from Host College

- As per the email/Telephonic conversation around **100 papers** will be submitted by the Institution for publishing in SCOPUS Indexed Journals.

Article Processing Charges:

Special Issue

Above 50 Papers - Rs. 8800

Above 100 Papers Rs.8500

Below 50 Papers Rs.9000

Publication Terms & Conditions

1. Note that plagiarism articles are strictly rejected (Must be 25% below including references).
2. Copying of other article contents is prohibited.
3. Agreement should be confidential and to be followed accordingly.
4. Publication may delay on the basis of Journal maintenance.
5. Review reports have to be answered by the author accurately. Malpractice will not be encouraged.
6. The Publisher reserves the right to require payment before publishing.
7. Payment is due upon receipt of invoices.
8. All bank charges are payable by the customer.

Journals & Indexing

Some of the SCOPUS Journals,
International Journal of Innovative Technology and Exploring Engineering (IJITEE)

E-ISSN: **2278-3075**, SCOPUS Indexed Journal

Publication Period: 45- 60 working days

International Journal of Recent Technology and Engineering (IJRTE)

E-ISSN: **2277-3878** , SCOPUS Indexed Journal

Publication Period: 45-60 working days,

International Journal of Engineering and Advanced Technology (IJEAT)

E-ISSN: **2249-8958**, SCOPUS Indexed Journal

Publication Period: 45-60 working days

Period of Validity

This agreement shall be initially valid for a period of 6 Months from the date of signing this agreement and to be renewed subsequently by mutual consent of both the parties in writing with the same terms and conditions.

Assignment

It is understood by the Parties herein this MOU is based on the professional competence and expertise of each party and hence neither Party shall transfer or assign this Agreement, or rights or obligations arising hereunder, either wholly or in part, to any third party.

Costs of the MOU

Each Party shall bear the respective costs of carrying out the obligations in terms of **conferences and Publishing** mentioned under this MOU. Such expenditures may vary and shall be discussed when need arises.

Duration

This MOU is at-will and may be modified by mutual consent of authorized officials Kings College of Engineering and of Mr.Rudra Bhanu Satpathy CEO, IFERP. This MOU shall become effective upon signature by the authorized officials from Kings College of Engineering and Mr.R.B.Satpathy and will remain in effect until modified or terminated by any one of the partners by mutual consent.

MEMORANDUM OF UNDERSTANDING (MoU)

between

**Kings College of Engineering
Thanjavur**

And

HireMee

Memorandum of Understanding

This Memorandum of Understanding ("MOU") is entered and effective as of 12/07/2019 by and between:

HireMee, a unit of K.A.A.M Services Private Limited a company incorporated under the provisions of the Companies Act, 2013, and having its registered office at No.483, Seetha Complex, 16th cross, RR Nagar, Bengaluru-560098, Karnataka, India, and hereinafter unless the context otherwise requires, be referred to as "HireMee";

S. Narayanan

[Signature]

And

Kings College of Engineering Thanjavur having its registered office at Punalkulam, Gandarvakotai Taluk, Pudukotai District, Tamil Nadu, 613303, India hereinafter unless the context otherwise requires be referred to as "KCE".

Whereas:

KCE and HireMee have entered into discussions on HireMee's provision of free technology assistance to KCE, employability assessments and placement assistance for students of KCE-affiliated colleges. HireMee serves as a Virtual Bridge between Recruiters and Aspiring Applicants, especially from Tier-2 and Tier-3 areas. HireMee is an end-to-end Web Portal and Mobile App developed with the intent to reach out to all students, recruiters, and colleges across the country who will benefit from using HireMee. Students, Colleges, Corporates, and Recruiters can register through the HireMee Portal and assessments are directly carried out by HireMee. The entire recruitment process will be seamlessly linked on a chain.

HireMee and KCE desire to enter into this Memorandum setting out the terms and conditions under which the purpose and scope of this MOU will be achieved.

Article 1 Effective Date

The Parties hereby agree that the Effective date of this MOU shall be the date on which it is signed. The preamble to this Agreement constitutes an integral part thereof.

ARTICLE 2 Purpose and Scope

Purpose: This MOU outlines the mutual cooperation between the two parties for helping in understanding the gap in employability skills through HireMee assessments and also help in offering placement support especially in rural areas; help the academia understand the gap in skills and support them with industry specific inputs; and provide an opportunity to all the students by connecting them to the right jobs.

This is a Corporate Social Responsibility (CSR) effort to discover diamonds among students in rural and urban colleges free of cost.

Role and scope of cooperation: The Parties agree to, in the spirit of mutual cooperation, use best efforts towards fulfillment of their respective obligations in achieving the purpose of this MOU.

This MOU outlines the commitments of both the Parties.

2.1 Commitments of KCE:

- Informing all KCE-colleges, Principals about HireMee's services and act as a platform for helping students get assessed with KCEpport for employment opportunities by linking companies for hiring.
- support awareness for www.hiremee.co.in, by having colleges inform students through e-mail/circular/assembly/bulletin board notices and any other medium that provides similar and suitable benefit.
- support HireMee by allowing to put up posters and other awareness material for colleges to disseminate the information to students across campus on bulletin boards, notice boards, emails, etc.

J. Murugesan

2.2 **Commitments of HireMee:**

- Provide the free online and app based platform www.hiremee.co.in for Students and Recruiters to find the best students for jobs.
- Provide access to web portal and mobile app for all students studying in KCE-affiliated colleges and help them in getting placements.
- Help academia to understand the gaps in skills and areas of improvement
- Help bridge the gap in specific employability skills, especially in rural areas and support them with industry-specific inputs.
- support KCE in increasing awareness of www.hiremee.co.in among students, colleges, and universities by providing the required materials.

ARTICLE 3 Confidentiality

- 3.1 This document is confidential. Both the parties agree to maintain in confidence, and not reveal to any person or body, rights and obligations of the Parties or any information or data which it receives through the other pursuant to this Agreement. The provision of Confidentiality shall survive the termination of this MOU and continue to bind the parties.
- 3.2 Both parties hereby declare that they know that this undertaking will be in force during the validity of this MOU, as well as at any time after this MOU is terminated.
- 3.3 Both parties declare that they know that the undertaking pursuant to this agreement is a pre-requisite for each party to enter into this MOU with the other, and that without this declaration each would not be willing to enter into an agreement with the other.

Article 4

Intellectual Property

- 4.1 Intellectual Property means all systems, processes, procedures, proposition descriptions, models, copyrights, trademarks, trade secrets, and patents, utility models, methods and other intellectual property rights recognized in any jurisdiction worldwide, including all applications and registrations.
- 4.2 All Intellectual Property brought-in/used by HireMee for any of the activities/projects undertaken under this MOU shall belong to HireMee at all times.
- 4.3 The Materials provided by HireMee are protected by copyright, including without limitation by Copyright Law and other applicable laws in India.
- 4.4 KCE will not reveal, make use of or commercialize any of the confidential information provided by HireMee either during the currency or after termination of the related Agreement for a period of 5 years.

J. Mani

[Signature]

-

ARTICLE 5

General Provisions

- J. R. P. T. S.

- 5.9 Third Party Beneficiary Rights: The parties do not intend to create in any other individual or entity the status of a third-party beneficiary, and this MOU shall not be construed so as to create such status. The rights, duties and obligations contained in this MOU shall operate only between the parties to this MOU, and shall inure solely to the benefit of the parties to this MOU. The provisions of this MOU are intended only to assist the parties in determining and performing their obligations under this MOU. The parties to this MOU intend and expressly agree that only party's signatory to this MOU shall have any legal or equitable right to seek to enforce this MOU to seek any remedy arising out of a party's performance or failure to perform any term or condition of this MOU, or to bring an action for the breach of this MOU.

IN WITNESS WHEREOF, the parties hereto have executed this Understanding on the date, month and year, hereinabove written.
