PROGRAMME ADVISORY COMMITTEE - REVIEW REPORT

ACADEMIC YEAR 2023-2024 (ODD & EVEN SEM)

APPRECIATIONS:

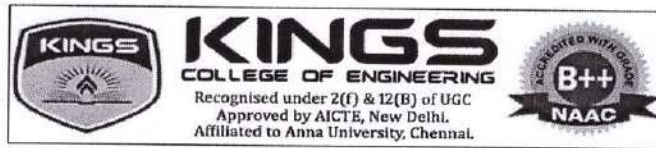

- ❖ Congratulations on being granted autonomy.
- ❖ Appreciations for securing university rank in the batch 2019-2023.
- ❖ In-plant training, Industrial visit activities are noteworthy.
- ❖ Student participation in external events is increased, compared to last year.
- ❖ Significant staff involvement is shown in NITTTR FDP's.

SUGGESTIONS FOR IMPROVEMENT:

- ❖ Encourage student internships in top-tier and mid-tier companies.
- ❖ Arrange more skill development training sessions and workshops in the department.
- ❖ Students can be educated with the latest software's to assist placement activities.
- ❖ Focus more on results to attract student admission in Civil Engineering.
- ❖ R&D activities and staff publication shall be strengthened.

S.No	Review particular	Verification record / Report	Auditor Remarks
1	Execution of Courses as per stipulated hours	Log book verification member report (Classwise Odd semester and Even semester courses) Syllabus completion report	Log books were maintained properly with all the entries made. The time allocated for each topic was appropriately managed. Good.
2	Internal assessment (Theory and Lab courses)	Theory courses : CAT1, CAT2, Model exam reports (Classwise Odd semester and Even semester courses) Lab courses : CAT1, CAT2 mark statement with split details Sample observation, record notebook for lab courses	Internal assessments were conducted and mark statements were provided. Need to give clarity about the internal mark calculation for theory cum lab subject. Lab manual was good.
3	Assessment Review meet	Review Report	The review process was conducted promptly after the assessment.
4	Assignment Review	Assignment review report (Classwise Odd semester and Even semester courses)	Well structured assignment - good effort with clear and concise overview of the topic. Educate new ^{tools}
5	Support to Slow learners	Revision classes, Coaching classes Time-table, (Classwise Odd semester and Even semester courses) Mark statement, Sample papers	Progress of slow learners was tracked regularly, and timely feedback was shared.
6	Class committee Meeting	Class committee meeting report & ATR	Issues raised by students were addressed promptly, and actionable solutions were proposed during the meeting.
7	Student Feedback	Feedback report (Odd & Even semester) & ATR	online tools are used for collecting and analyzing feedback, ensuring accessibility and efficiency.
8	Course File	Course file verification report (Odd & Even semester)	All course materials, assessments and teaching strategies are well-aligned. Necessary reports were documented.

9	Course plan for courses	Course plan verification report (Odd & Even semester)	The course plan clearly defines learning objectives and expected outcomes.
10	Academic Schedule	Academic Calendar, CAT Time-table	Well structured Academic calendar. CAT-Time tables were verified.

	Review particular	Verification record / Report	Auditor Remarks
1	Execution of Courses as per stipulated hours	Log book verification member report (Classwise Odd semester and Even semester courses) Syllabus completion report	All the entries and overall att'l. were made. Nice. Extra hours can be provided for tough papers.
2	Internal assessment (Theory and Lab courses)	Theory courses : CAT1, CAT2, Model exam reports (Classwise Odd semester and Even semester courses) Lab courses : CAT1, CAT2 mark statement with split details Sample observation, record notebook for lab courses	The assessment framework provides a balanced weightage between theoretical and practical courses.
3	Assessment Review meet	Review Report	Review and analysis of assessment results were identified. It should be strengthened.
4	Assignment Review	Assignment review report (Classwise Odd semester and Even semester courses)	Good effort in completing the assignment.
5	Support to Slow learners	Revision classes, Coaching classes Time-table, (Classwise Odd semester and Even semester courses) Mark statement, Sample papers	Remedial classes for slow learners were effectively designed.
6	Class committee Meeting	Class committee meeting report & ATR	The meeting had a clear agenda. Ensuring all key topics were covered systematically.
7	Student Feedback	Feedback report (Odd & Even semester) & ATR	student feedback covers multiple aspects, including teaching effectiveness, course content and infrastructure.
8	Course File	Course file verification report (Odd & Even semester)	All necessary documents were filed.

9	Course plan for courses	Course plan verification report(Odd & Even semester)	Verified. Good.
10	Academic Schedule	Academic Calendar, CAT Time-table	The schedule was prepared and communicated well in advance.

Name:	Dr. T.Ashok kumar
Designation:	Sr. Asst., Professor
Address:	SASTRA Deemed University, School of Mechanical Engineering, Thanjavur-613401, Tamil Nadu, Email: takumar.mech.sastra.edu.
	

		Verification record / Report	Auditor Remarks
1	Execution of Courses as per stipulated hours	Log book verification member report (Classwise Odd semester and Even semester courses) Syllabus completion report	The content is well-structured ensuring that every topic is covered in detail without unnecessary digression.
2	Internal assessment (Theory and Lab courses)	Theory courses : CAT1, CAT2, Model exam reports (Classwise Odd semester and Even semester courses) Lab courses : CAT1, CAT2 mark statement with split details Sample observation, record notebook for lab courses	Internal assessment for theory and practical components is well structured, ensuring a balanced evaluation of students knowledge and skills. The split up mark system of lab is well structure and effectively.
3	Assessment Review meet	Review Report	This reviews play a vital role in maintaining and elevating the standards of education. Well structure.
4	Assignment Review	Assignment review report (Classwise Odd semester and Even semester courses)	The assignment review report reflect the consistent efforts and academic progress of students. It highlight their understanding, subject and creativity.
5	Support to Slow learners	Revision classes, Coaching classes Time-table, (Classwise Odd semester and Even semester courses) Mark statement, Sample papers	The revision class, and coaching classes provide the opportunity of students to improve performance helping to confident level. Good.
6	Class committee Meeting	Class committee meeting report & ATR	The ATR provided a clear overview of step implements. Well structure.
7	Student Feedback	Feedback report (Odd & Even semester) & ATR	The feedback reflect staff ability, provide timely support for student learning environment
8	Course File	Course file verification report (Odd & Even semester)	The course file is well organized and comprehensive reflecting thorough and systematic approach.
9	Course plan for courses	Course plan verification report (Odd & Even semester)	Well structured and provide clear content delivery, assignment details.
10	Academic Schedule	Academic Calendar, CAT Time-table	Well planned.

S.No		Verification record / Report	Auditor Remarks
1	Execution of Courses as per stipulated hours	Log book verification member report (Classwise Odd semester and Even semester courses) Syllabus completion report	Logbook provides an indepth and comprehensive approach to execution of the courses, adhering to the stipulated hours effectively.
2	Internal assessment (Theory and Lab courses)	Theory courses : CAT1, CAT2, Model exam reports (Classwise Odd semester and Even semester courses) Lab courses : CAT1, CAT2 mark statement with split details Sample observation, record notebook for lab courses	Mark statement and Split up mark statements structure is well. this approach encourage students to perform consistently in theoretical studies and practical examinations.
3	Assessment Review meet	Review Report	The assessment review meeting was highly productive, providing valuable insight into evaluation process and student performance.
4	Assignment Review	Assignment review report (Classwise Odd semester and Even semester courses)	PCE activities / courses beyond academics, term work, problem solving and leadership.
5	Support to Slow learners	Revision classes, Coaching classes Time-table, (Classwise Odd semester and Even semester courses) Mark statement, Sample papers	The structure approach, coupled with a well planned timetable is very effective and execution is very well.
6	Class committee Meeting	Class committee meeting report & ATR	This is well structure. This meeting are maintaining transparency and ensure continuous improvement.
7	Student Feedback	Feedback report (Odd & Even semester) & ATR	student feedback for the staff highlight the dedication and effective in delivery quality education.
8	Course File	Course file verification report (Odd & Even semester)	Well organized, clear syllabus teaching materials, Assessment tools, etc.
9	Course plan for courses	Course plan verification report (Odd & Even semester)	The course plan is exceptionally well structured and meticulous detailed providing a clear road map for effective teaching.
10	Academic Schedule	Academic Calendar, CAT Time-table	very good structure and well planned.

Tue, Aug 13, 2024 at 8:04 PM

Dear Sir,

Thank you for your email dated 02.08.2024 requesting me to comment on the Report of Summary of Department activity of Science and Humanities, Kings Engineering College, for the academic year 2023-24.

The following are the observation and recommendations:

The Department of Science and Humanities has organized various activities / programmes for the betterment of the student community and these are all essential for the real life learning experience for students.

The activities conducted such as Competitions, Expert Lectures, Workshops, Seminars and Societal activities are well organised in various disciplines throughout the academic year. These academic activities pertain to scientific, societal and environmental programs specifically focused on helping a student in the academic sense. Highlight of the activity includes the students interaction with your own Alumni and I

hope it may be well received by the young minds. In the near future, more numbers of such interactions may be arranged for the new comers.

Students are further encouraged to participate in the various extracurricular activities that may provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and are thus considered part of a well-rounded education. Also they are all took part in the courses like Swayam / NPTEL / MOOCs/OTHERS and it is a welcome attitude of the young minds.

Not only the students, the faculty members are motivated to participate in the various programmes such as International and National conference / seminars / workshops, Faculty development program (FDPs) and other portal activities. These participation will help them to identify learning objectives and improve the efficiency of the delivery of the subject matter. This will also help the faculty members to understand the ideal teaching protocols that are appropriate for their concepts.

Also the participation of students or in other words the encouragement given to them in participating in the various competitions is amazing and it will provide a competitive exposure among the students.

It is also felt that in future the students may be encouraged to go for industrial visits, internships, social activities and educational tours apart from their academics.

Thus the Department of Science and Humanities of Kings Engineering College has done wonderful activities in furthering its Vision and Mission of the institution during the year 2023-24.

Best wishes

Regards

J.Mathiyarasu

Prof.,

To make it as a goog document to show for any committee, you can add geotagged photos for all the events. Comments are given in the documents. The anti-ragging awareness is missing.

Thank you.
