ACTION TAKEN REPORT FOR STUDENTS COMMENTS

SNO	CLASS	STUDENTS REPRESENTATION	ACTION TAKEN REPORT
1.	III CSE	Need additional support for placement related program	Additional support is given to the students through skill development classes . 1 week placement training by external agency was arranged for technical and aptitude
2.	II ECE	Need more practical session	Conducted virtual lab during online classes and simulation lab taught to the students
3.	I MECH	Feel difficulty in online classes compared to offline mode	ICT tools were used for clear understanding of subjects and Q&A session was conducted during every online classes

ACTION TAKEN REPORT FOR STUDENTS COMMENTS

SNO	CLASS	STUDENTS REPRESENTATION	ACTION TAKEN REPORT
1.	III EEE	For problematic papers need black board teaching methodologies or classroom teaching	During online classes ICT tools were used for good understanding for problematic papers.
2.	IV MECH A	Subject ME6073 Unconventional Machining Process is difficult to understand	Important key points were given and e-material for easy understanding was provided
3.	IV MECH A	For effective online classes staffs need to ask more questions for subjects	End of each online classes discussion sessions were made for students and MCQ were given to solve
4.	I EEE	Feeling Difficulty in problem solving and python programming	More example problems during offline classes were given and students were asked to solve every problem statement and took additional efforts for students during revision classes
5.	I MECH	Difficult to understand Engineering Graphics	More classes given to the students for better understanding of Engineering graphics subject

ACTION TAKEN REPORT FOR STUDENTS COMMENTS

SNO	CLASS	STUDENTS REPRESENTATION	ACTION TAKEN REPORT
1.	II CIVIL	Need all subjects material before assessment exams	Learning materials issued to all students
2.		In MA8491 need clear explanation in problem	Informed to respective staff in-charge.
3.	IV CIVIL	Need special coaching for arrear papers	Schedule planned for arrear coaching
4.		CE8602-structural analysis subject is difficult to understand	More no of problems solved and assignments were given to the students
5.	III CSE	CS8602- compiler design subjects are difficult to understand	Arranged more classes to solve problems and given important university questions to solve
6.	IV MECH A	Need more problems in engineering economics - MG6863	Given more problems during class hours and revision hours for better improvement of the students
7.	I CSE	BEEE Subjects is very tough and can't understand	Additional input was given to the students , More classes conducted and important topics were discussed
8.	I ECE	Provide more classes for circuit analysis and Basic Electrical Instrumentation Engineering	Arranged more classes for circuit analysis and basic electrical and instrumentation engineering

ACTION TAKEN REPORT FOR STUDENTS COMMENTS

SNO	CLASS	STUDENTS REPRESENTATION	ACTION TAKEN REPORT
1.	III CIVIL	Need clear explanation in CE8501-DRC, CE8502-SA-1	Informed to respective staff incharge and classes were conducted effectively.
2.		Structural Analysis subject is very difficult	More no of problems solved and assignments were given to the students.
3.	IV CIVIL	Support needed for practical studies	Arranged field visit for practical sessions
4.	II CSE	Need Proper books for Communication Engineering and Digital Principles and System Design	Staffs preferred text book for reading practices
5.	III CSE	OMF551 PDD subject is very hard to learn	E-material given to the students for better learning
6.	III ECE	Student represented to conduct more class test	Every week class test was conducted for all subjects
7.	II MECH	Need support for ME8391 Thermodynamics subjects	Additional inputs and important questions were given

QUALITY CIRCLE MEET MoM (IV Year classes)

Quality Circle Meeting for 2020-21 even semester comprising IV year class representatives was held online on 01.06.21 between 11.00am to 01.00pm. IQAC coordinator welcomed the gathering and invited student members to share their representations related to academics, examinations and related matters. 2 members from all UG IV classes attended the meeting. Since it was the last Quality circle meet of 2017-2021 batch, students also shared about their experiences at KCE.

Principal motivated students to utilize descriptive pattern of Anna University examinations. Principal insisted about adherence to Anna University guidelines and readiness with required study materials for AU exams. Utilization of course plan to identify topicwise content from books was also insisted. Vice-Principal briefed about revised AU examination guidelines to students. KCE contact persons related to AU exams was also shared to students for any queries. Students were also insisted to be ready with required stationeries for AU exams.

Recommendation of the following sites for student reference was shared

Easyengineering.net – all engineering books and materials

Clear scan app – to scan documents and generate pdf

Google meet id : meet.google.com/ucn-oxzi-fbx

Departmentwise representations / opinions shared

Civil department

M.Soundariya, K.G.Guruswathik represented Civil department

- Guruswathik, GATE scorer of 2017-21 batch, shared his preparatory experiences. Utilization of lockdown period since May'20 was the key factor. From May'20 till Dec'20 daily preparations was made (10 hours –3 hours per day). From Jan'21, series of online tests was attempted. He suggested students to start preparation from I year onwards, especially Maths, Aptitude papers. He also mentioned about his efforts towards Indian Engineering Services preparations.
- Soundariya mentioned about her likes towards practices of KCE : KoK award and Parent awarding degree to wards during convocation.
- Members represented juniors to utilize the wide learning opportunities available at KCE. Students to make use of various efforts taken by the institute.

CSE department

E.Jeevitha, K.Venkatesh Ragu represented CSE department

- Teaching is good at KCE. Learning materials are prepared well in advance and circulated to students.
- VII semester exams – tough, grade dropped (represented by Jeevitha)
- 6 days intensive T&P training offered during IV year was useful.
- Members also requested for regular aptitude practice exercises (Moderate, complex levels) right from II year onwards.

ECE department

Veeralakshmi.M, B.Melvin Charles represented ECE department

- Utilization of College library and textbooks was realized during III year. Juniors to utilize right from I year onwards. (represented by Melvin).
- School like practices helped in better preparations.
- VII semester exams tough – grade dropped
- Teaching is good at KCE. Staffs also good.
- More test practices is good
- Staff material preparations is good
- Convocation practice is good
- Students to recognize the efforts made towards students and utilize

EEE department

N.Nandhini, Sudharsanan represented EEE department

- Practices like school is for the betterment of students
- Facilities at KCE is good
- Counseling & student attention is good
- Staff members are flexible and ready to get the voices of students
- IV year study was little tough due to online classes.
- Industry question papers can be circulated and practiced by students.
- Teaching is good
- Represented for sports activities (due to covid last 2 sem activities were not possible)
- Student to cooperate with staff. Staff followup is good.

Mechanical department

R.Mohammed Yasin Sharif, Abbas Mohammed, K.Senthamizh Sudar, K.Shiram Sundar represented MECH department

- Learning materials are given.
- Rules are tough but good for students
- Staff involvement is good
- Unique qualities of staffs has helped students in the learning process
- Individual attention is given
- Slow learners were also able to do technical rounds of interview process.
- Regular IV year classes was missed (due to covid conducted via online).

Departmentwise representations / opinions shared

Civil Department

R.Nandhini, D.Dhinakaran

- Materials were shared through Google classroom
- AU guidelines session was organized by department.
- Online classes went on well.

CSE Department

T.Selvarani, E.Hariharan

- Online classes were good. Material was shared
- Exam practice is good. Time management is to be made carefully

ECE Department

Sarika, G.Prabhu

- Online classes went on well.
- Materials available
- Preparation for lab exams was raised and was explained to students.

EEE Department

U.Abirami, Jayaprakash, Karthikeyan

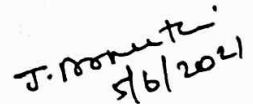

- Materials and books were shared
- Students to utilize exams.
- All students to take up AU exams without fail.

Mechanical Department

J.Venkateshwaran, S.Arunpandiyan

- Online classes went on well.
- Fee payment & Transport clarification was sought by a student.

ACADEMIC YEAR 2020 – 2021 (ODD SEMESTER)**

MINUTES OF STUDENT QUALITY CIRCLE MEET

18.01.2021

Departmentwise student representations regarding ODD semester courses coverage through online mode, value additional initiatives was sought.

Google meet based online meeting was scheduled classwise and organized as follows

08.01.2021 – III year classes (between 12.00 to 1.45pm)

11.01.2021 – II year classes (between 12.00 to 1.30pm)

12.01.2021 – IV year classes (between 2.00 to 3.30pm)

Principal & Vice-Principal motivated students towards skill enrichment initiatives and preparation for forthcoming end-semester examinations. Useful weblinks was also shared during discussion.

General

- Few students were having signal issues / smart phone issue. In case of technical issues, students were advised to visit college 2 days / week in consent with Class coordinator adhering to safety norms.
- Students were also advised to share additional reference material (MCQs) through class groups.
- Project works were carried out as per schedule by Final year students. Students were also directed to submit proposals for project work funding agencies.
- Final year students were also insisted to prepare for campus drives. Exclusive 1 week T&P training details was also shared.
- Students were insisted to undergo and complete SWAYAM/ NPTEL courses. Value addition initiatives to be utilized effectively
- Students were advised to follow Online examination guidelines provided by Anna University. Technical issues / phone issues to be solved. Students to ensure required bandwidth and adhere to guidelines while attending online exams.
- Students were also insisted to undergo Online internships.

**ACADEMIC YEAR 2019-20 (2ND SEMESTER)
Student Representative Meeting with Principal**

18.08.19

Minutes of Meeting

Principal convened meeting with II year student representatives on **17.08.19** with the composition of 4 members (2 boys and 2 girls) from engineering branches. With the agenda of identifying student requirements, meeting was organized. Branchwise student representations are as follows:

CIVIL

- Laboratory sessions learning / skill enrichment to be supported in a better manner.
- Survey (T) – practical mapping to the course is good. Need better approaches for theoretical preparations to meet AU exams. Additional hour requirement was represented.
- FM(T) – Need additional hours. Better approaches in teaching shall be given. Problems to be solved in class.
- Geology – Need notes for preparation.
- Guest Lecture held recently for 8 Hrs. Feedback for the session was good. Student felt comfortable and ease inspite of continuous session. Representation was made for continuous 2 hrs. slots for subjects.

CSE

- No difficulties in courses & lab sessions.
- DPSD – Advanced topics was dealt by ECE faculty.
- Representation for tap repair work at Gents toilet was made.

ECE

- Control System – Additional slot requirement was represented. Boy students to be given additional guidance.
- SS – additional slot requirement was represented.
- Maths – Teaching is good. Homework done by students. Additional slot requirement was represented.
- Data structures – Biology students need additional guidance.
- DE – teaching is good.
- Representation for Classroom board size (small) was made.

EEE

- No difficulties in Maths, DLC, EMT, EDC, PPE subjects.
- EM – representation for additional hours was made.

MECH

- No difficulties in Maths subject, Fluid Mechanics, MT
- Thermodynamics – class control to be established by the faculty. Teaching is good.
- Student regularity to classes is lacking.
- MT lab sessions

J. Manick

PRINCIPAL

ACADEMIC YEAR 2019-20 (ODD SEMESTER)
Student Representative Meeting with Principal

18.08.19

Minutes of Meeting

Principal convened meeting with III year student representatives on 17.08.19 with the composition of 2 members from engineering branches. Students were directed to share their suggestions / grievances about academics and general requirements if any. Branchwise student representations are as follows

CIVIL

- Concise study material is required for open elective including diagrams.
- Syllabus completion is made as per plan.
- Waste Water Analysis lab – mercury level low, chemicals shortage. Few repair and services to be undergone.
- Apr-May'19 AU exams – Students unable to attend Part-C questions. Part-A questions all were found difficult for few courses.
- Time management difficulty is found among students.

CSE

- MPMC – difficulty in remembering pin diagrams was made. Consolidated diagram sheet will be issued to support.
- 3 hrs Lab slots allotment was insisted.
- Local visit representation was made.
- Lab printout sheet – difficulty in taking printout was represented. Steps will be taken to rectify.

ECE

- RES – students found difficulty in writing theoretical paper. Guidance will be provided.
- DSP – additional hours to be allotted.

EEE

- Printing machine repair status at Central Library & Ladies hostel was reported. Steps will be taken immediately.

MECH

- MM lab - Instrument box and Component box with rust status was reported. Steps will be taken to rectify.
- Open Elective – Diagrams printout as consolidations was represented.
- Metrology – Multimedia based coverage is good.
- Student regularity to be improved
- MT – problems to be discussed.

Principal insisted for regular learning among students. Guidelines regarding University examination preparations was discussed.

- Students to follow prescribed textbooks and reference books. Exercises for chapters to be practiced by students.
- Continuous Internal Assessment Test (CAT) pattern change feasibility was discussed. 3 hrs test covering 2 units was proposed. Students coverage of topics per unit will be increased and writing practice will aid them in better performance. Coaching classes will be planned during AN for every subject. Students scoring 70 marks in all the subjects will be exempted from Saturday coaching classes. Students securing marks <60 will be attending evening coaching classes and Saturday coaching classes.
- Syllabus will be completed by Aug'19 end. Revision classes will be conducted after CAT. Students to utilize these slots effectively.
- Students to aim for better grade in University examinations.

INTERNAL QUALITY ASSURANCE CELL
STUDENT REPRESENTATIVE MEETING – I YR CLASSES
Minutes of Meeting – 09.10.19

Student Representative Meeting for First year classes was organized on 09.10.19 between 1.00pm and 2.00pm at Principal Cabin. 4 students from every branch of Engineering participated in the meeting.

Principal convened the meeting mentioning the objective of the team and directed student members to represent student issues related to academics and general issues if any. Following points were insisted during the meeting by Principal & Vice Principal

- Prescribed textbooks and reference books to be followed.
- Regular learning to be practiced. Group learning activities shall be practiced during coaching / revision classes. Peer learning support by advanced learners to other teams was also insisted.
- Motivations towards overall development activities and become eligible for campus placements was insisted.

Representations made by students

- CSE branch – bi-lingual approach shall be practiced by Physics faculty for better understanding.
- Mechanical branch – Physics – derivations were found difficult by students. Representation was also made for additional support for maths.
- ECE branch – Physics lab utilization to be made during allotted slots . Break hours shall not be utilized as lab slot. EG slots were missed due to holidays and to be compensated.

General representation

- Tamil medium students from all branches find difficulties in Technical English course. Hence, additional support is required.
- Library slots at regular time table.
- Textbook for mathematics
- Student felt happy with the disciplinary approach practiced at the institute.
- Internal events participation was insisted during the I year study period.

Students were motivated for better performance and to obtain good results in CAT-2, model and University examinations.

ACADEMIC YEAR 2018-19 (EVEN SEMESTER)
Student Representative Meeting with Principal

05.03.19

Minutes of Meeting

Principal convened meeting with II year & III year student representatives on 04.03.19 with the composition of advanced, average and slow learner from engineering branches. With the agenda of identifying student requirements, meeting was organized.

Branchwise student representations are as follows.

II Year classes

CIVIL

- No issues. Extra classes are arranged for tough subjects
- Except Hydraulics Lab based experiments, other labs completed.
- Lateral entry students are able to perform better.

CSE

- Need extra coaching for OS & SE.
- PQT -5th Unit few topics to be completed

ECE

- PRP – 1 Unit to be completed
- LIC lab – 2nd batch – simulation based experiments to be completed.

EEE

- M&I subject is found tough by students.

MECH

- A sec – Maths, SoM, KoM – 5th unit is handled.
- B sec- syllabus completed. Labs also completed.

III Year classes

CIVIL

- No difficulties.

CSE

- Need extra classes for DSP and CD
- Lab classes completed

ECE

- FPGA Lab – R&D kit based experiment demo was requested.

- T&P training – additional exercises for practice was requested.

EEE

- Students are motivated for paper presentation and conference participation
- NIT workshop was found useful.
- PCE skills exercises are useful.
- DEM - need extra slots during revision.

MECH

- A- sec -Labs sessions are over. Part-A practice is lagging in students.
- B-sec - ~~FEA~~^{FEA} Subject is tough

(FEA)

Principal motivated students to perform well in exams. Regular reading habits was insisted. Industrial training efforts are to be made effectively. In-House projects are encouraged. Students to concentrate on aptitude skills and overall development so as to land up with better career opportunities. Question bank covers Anna University question set, hence students to practice well and perform better in exams.

J. Ramesh
5/3/19

PRINCIPAL

ACADEMIC YEAR 2018-19 (EVEN SEMESTER)
Student Representative Meeting with Principal

05.03.19

Minutes of Meeting

Principal convened meeting with IV year student representatives on 04.03.19 with the composition of 2 overall performers, 1 average and 1 slow learner from engineering branches. Students were given open platform to share their experiences at the campus for 4 years period. Students were also directed to share suggestions if any.

Branchwise student representations are as follows

CIVIL

- **Learning experience** was joyful.
- **Appreciated the practices** of Value Added courses, My Credit Course, Library resources, Competency Development classes
- **Structure of Question bank** and its content was appreciated.
- Student from Chennai based mentioned about the **usefulness of coaching classes**.
- **Syllabus coverage and Assessment practice** was appreciated.
- Representation for **Cultural programmes** to be continued was raised.
- Represented about their comfort for color dress over uniform.
- Sports – event participation other than zonal matches was represented.
- Placement opportunities was represented. (efforts are taken)

CSE

- **Coaching & Saturday classes** though found tough initially was effective and useful.
- **Google classroom practice** is good.
- **Question bank is good. Guidance by staff is good.**
- **Revision classes** are very useful.
- **Coding** by student can be encouraged more.
- **Initiatives for communication skills** improvement was represented.
- Training sessions / provision for **GMAT / GRE / IELTS / UPSC exams** shall be arranged.

- **Arrear students** to be motivated for external event participation. OD not to be sanctioned based on arrear.
- **Lab printout sheet** size can be set as the size of **A4**. Find difficulties in taking printout.

ECE

- **Care and guidance is good.**
- **College timing is comfortable.**
- Representation for **Assessment answer script** correction can be made by staff not handling class / course
- **Weekly test during T&P hours. Additional practice for aptitude skills.**
- **Library – Computing system issue** due to virus was mentioned. (Steps taken to resolve).
- **Students** represented for Dispensary facility. (Steps will be taken)

EEE

- **Need printout facility at Library**
- **Question bank** distribution can be made little earlier.
- **Student friendly approach is good.**

MECH

- **CNC Machine** utilization can be enhanced. Service pack alone utilized. Other labs are OK.
- **Overall development activities** was appreciated and found effective. Stage fear defeated. Motivations for overall growth at KINGS is good. 18th ISTE provided platform to stage and then continued with other events.
- **Assignment Presentation Hour (APH)** is useful. To be continued effectively,
- **Graduation Day** certificate by Parents is good.
- **Staff-Student relationship** is good. Staff members are motivating and supporting for overall growth of students.
- **ALUMNI** interaction sessions are useful.

Principal & Vice-Principal insisted for student preparation towards placement opportunities. **Examination** preparation guidelines was shared. Mathematics arrear coaching sessions to be utilized. Principal appreciated the batch for their performance, wished students for better performance in exams and successful career.

PRINCIPAL

ACADEMIC YEAR 2018-19 (EVEN SEMESTER)
Student Representative Meeting with Principal

06.03.19

Minutes of Meeting

Principal convened meeting with I year student representatives on 05.3.19 with the agenda of academic progression and identification of support needed by students. Two advanced learners and 1 average & slow learner from each branch participated in the meeting.

Principal briefed on the following matters during the meet.

- Students should cultivate habit of regular learning & coverage of topics dealt every day. Regularity in attending classes, lab sessions, internal assessments was insisted.
- Students were informed about maintaining better CGPA with nil arrear status for availing campus placement opportunities. Students were advised to improve English communication skills.
- Regulations 2017 major highlights was briefed.
- Homeworks assigned for Mathematics courses are to be completed and submitted every day. Necessary support will be provided to support student progression in studies.
- Anna University preparatory guidelines was given
 - Prescribed textbooks and reference books are to be utilized for preparations.
 - Internal Assessment Question paper matches with the Anna University end-sem exam question paper. Students were instructed to prepare well for internal assessments, raise their standards and perform well.
 - Question Bank covers previous year Anna University Question paper collections. Hence, students were advised to utilize question bank for their preparations.
 - Students were also advised to attend Part-A questions for better scores.
- Students were advised to enhance their skills, maintain consistent records and avail placement opportunities.

Branch specific representations made are as follows:

CIVIL

- Need additional sessions. Content delivery to be little more elaborated.
- Physics – need simplified notes.
- Engineering Mechanics – Good
- Other subjects no issues.

CSE & ECE

- No issues

EEE

- Circuit Theory – difficult to understand. Need more support.

MECH

- BEEE – Need notes

**ACADEMIC YEAR 2018-19 (ODD SEMESTER)
Student Representative Meeting with Principal**

08.08.18

Minutes of Meeting

Principal convened meeting with II year class student representatives on 7.8.18 with the agenda of academic progression and identification of support needed by students. Two advanced learners and two average learners from each branch of II year class participated.

**Common representation regarding academics –I Semester
(Dec'17-Jan'18 AU exam)result aspects**

Representation made	Initiative / steps planned to support/ suggestions provided
CIVIL	
No difficulties in subjects & labs. CDC for advanced learner covers soft skill and communication skills classes.	General : Students to practice exercise problems for problem based subjects.
CSE	
Communication Engineering : students represented for additional support.	Will be provided.
Issue of Lab manual & Question bank	Will be completed by this week.
IS&LS lab was scheduled in Saturdays	Will be scheduled during weekdays.
ECE	
Signals and Systems : Students requested for additional support. Few students were unable to understand concepts. Requested for notes.	Additional sessions will be arranged. Issue will be dealt.
ADC Lab : Few equipments not working (including power supply)	Will be rectified.
EEE	
No difficulties in theory subjects	-
Electronics Lab : Ammeter reading deviations	Will be rectified.
Mech	
Students represented for additional support for Engineering Thermodynamics, Fluid Mechanics and Machinery subjects	Will be provided. Tutorial sessions will be planned during 8 th hour.
Students represented about hotness at Manufacturing Technology lab	Appropriate set is available. Windows to be kept open.
Few machines at CAD lab not functioning	Will be rectified.

General requirements mentioned by students and solution provided

- Few long distance students represented for closing timing as 4.30pm.
 - Giving importance to the revision slot (8th hour) which includes preparation cum test, it was resolved by commuting 1st slots for long distance routes.
- Request for hostel study timing changes.
 - Will be discussed and finalized.
- Participation in sport activities.
 - Interested candidates shall avail extended hour sport facilities.
- Hostel computing facility (Girls hostel)
 - Systems with internet facility will be provided.

General suggestions made(Principal & Vice-Principal)

- Books are procured for all subjects. Prescribed text books and reference books to be utilized in preparation. Faculty will provide unitwise material for supporting in preparation.
- For all problem based subjects, book exercises to be practiced by students exhaustively. Additional revision slots will be provided for problem based subjects.
- Class securing 75% and above results in Anna University examinations will be permitted for Industrial visit. ISRO, Thermal Power station-Koodankulam and other related centre visits will be arranged.
- Absenteeism for internal assessments will be viewed seriously.
- Regulations 2017 is designed meeting the latest technological implementations and usage. Students to understand the raise in standard and inculcate regular learning habits to fair well.
- Since II year curriculum introduces core engineering papers, students to work hard regularly. Being explored to the AU examinations for 2 semesters, students to cope up and prepare well for examinations.

ACADEMIC YEAR 2018-19 (ODD SEMESTER)
Student Representative Meeting with Principal

23.08.18

Minutes of Meeting

Principal convened meeting with III year & IV year student representatives on 21.8.18 with the agenda of academic progression and identification of support needed by students. Two advanced learners and two average learners from each branch of II year & III Year classes participated. Principal briefed on the following matters during the meet.

- All **genuine student representations** are considered and necessary efforts are taken towards meeting student requirements. Student feedback is collected through various means viz., CCM, Staff Appraisal, IQAC meetings, Counseling sessions, Grievances redressal cell etc. KCE practice of Grandaunts degree by Parents was highlighted and the responsibility that every son / daughter should have in honoring their parents was insisted.
- Principal enlightened on the efforts to be taken by the students towards **improving skills that are essential for engineers**. **Periodical practices** adopted at KCE was referred and students were directed to utilize the opportunities. Necessity for consistent learning habit and concept based learning was insisted. Peer team support shall be practiced for betterment.
- **Placement opportunities** created at KCE to be utilized by IV year students by exclusive utilizing training slots offered.
- **Periodical tests** are conducted to give better exposure and face AU exams with confidence. Students to be regular to classes and attend tests / exams with appropriate preparations. Retests are conducted to aid the slow learner to earn internals.
- **CDC classes** for advanced learners **enriching their skills** and **KDC classes** for average & slow learners supporting them for **academic courses** are practiced during this semester onwards. Students are directed to utilize their slots effectively.
- **Regularity and Punctuality** among students was insisted for regular classes and for examinations. Few deviations are identified in certain departments.

- **Quality final year project work** was insisted. Students to prepare for survey paper presentation , publication during VII semester and conference , journal publication during VIII semester.
- **SWAYAM** courses to be undergone by students. Class with maximum registration will be honored.
- **Professional society activities** are organized providing opportunity for talent exposure and enrichment. Students to utilize the events organized.

General requirements mentioned by students and solution provided

- **College closing time revision** was represented by students to support long distance student commutation (public transport facility availing students). Representation will be considered and changes will be informed shortly.
- **Arrear subject coaching** was represented by students. Classes are organized for mathematics subject. Respective department HoD will arrange for classes as per student request.
- Representation regarding **GATE classes** for Mechanical IV year student was made. Efforts will be made by the department to impart better exposure.
- Inclusion of **1 arrear students for CDC session** was represented. Students shall contact respective HoD and shall attend sessions.
- **Sports** - representation regarding inter-zonal game participation by athletes was made. Student to report with record of individual achievements and will be dealt suitably encouraging student participation.
- **Symposium** - general code of conduct to be followed. Refreshment representation was made. Students will be informed shortly about the decision. It was insisted to convene symposium meeting its objective of knowledge sharing, skill exposure, networking with community and enhancing organizing skills among student community.
- **Local visit / Industrial visit** will be considered crediting AU results.

Student Representative Meeting with Principal

17.09.18

Minutes of Meeting

Principal convened meeting with II year Lateral entry students on 15.9.18 with the agenda of identifying support needed by students and motivate students for better performance. Principal elaborated on the following points initially and directed students to mention about their requirements.

- Highlights about **Regulations 2017 and Examination pattern** was detailed and students were insisted to prepare well for AU examinations.
- Importance of maintaining **consistent academic records** and **Placement opportunities** for students was explained.
- **Preparatory tips** for theoretical and problem based paper was detailed.
- Importance of **Quality project works** was explained.
- Students were directed to inculcate **regular learning habit** and conceptual learning for fairing well in AU exams.
- Students were directed to seek support of subject staff for any clarification in subjects.
- Students to solve book exercises for problem based subjects.
- Students to abide to the rules and code to maintain discipline

Departmentwise representation made by students

Representation made	Initiative / steps planned to support/ suggestions provided
CIVIL	
Fluid Mechanics & Strength of Materials : Extra classes required	Will be arranged
Construction Material : Keypoints required. Teaching in Tamil language	Keypoints will be provided. Students to cope up language skills. Additional support will be provided by staff
CSE	
Communication Engineering : students represented for additional support for problems	Will be provided.
OOPS : Support for writing Java Programs	Will be provided
ECE	
Additional revision slots for subjects	Additional sessions will be arranged.

Representation made	Initiative / steps planned to support/ suggestions provided
EEE	
Electro Magnetic Theory : Need additional support(Find difficulties in following equations)	Will be provided
Mech-A	
Students represented for additional support for Maths, Fluid Mechanics	Will be provided.
Mech-B	
Thermodynamics : Fast delivery. Not able to follow	Will be addressed

Students shall utilize Suggestion box and Grievances redressal cell to register any issues / requirements.

ACADEMIC YEAR 2018-19 (ODD SEMESTER)
Student Representative Meeting with Principal

30.10.18

Minutes of Meeting

Principal convened meeting with I year class student representatives on 30.10.18 with the agenda of academic progression and identification of support needed by students. one advanced learner and one average learner from each section of I year class participated.

Common representation regarding academics –I Semester

Representation made	Initiative / steps planned to support/ suggestions provided
A -SECTION	
Communicative English: Weekly 5 hours are given. But utilization is 3 hours only.	Informed concerned staff & no alterations in hours will be entertained.
Engineering Physics: The concern staff had taken break and lunch hours	Staff member informed about this.
Problem solving and python programming: Due to holidays, lab hours are shortage.	Hours will be compensated.
B -SECTION	
Engineering chemistry: Tamil medium students felt difficult to follow teaching in English.	Staff member informed & suitably classes will be handled.
Engineering Mathematics: He had given more number of problems as home work, the successive day he had given the final answer only. It is difficult for solving home works.	Guidance will be provided by staff.
C -SECTION	
Engineering Mathematics: Cannot understand the concepts clearly.	Additional coaching will be provided.
D -SECTION	
General: Class handling ladies staff members treats the slow learners not good, and using harsh words.	Staff members informed and will not occur in future.
E -SECTION	
No difficulties for teaching in all subjects	---

General requirements mentioned by students and solution provided

- In EG-Drawing Hall, fan and tube lights facilities are not enough and some of them are not in working condition.
- Need internet connection in girls hostel.
 - Systems with internet facility will be provided
- In first year class rooms most windows are damaged.
- On the way to canteen, senior boys are sitting in the wall. This made inconvenience for first year girls.
- In girls hostel the wastages are put in the lift, mosquitoes are formed due to this
- In first year block, rest rooms (both boys and girls) are not maintained properly.

ACADEMIC YEAR 2017-18 (EVEN SEMESTER)
Student Representative Meeting with Principal

08.02.18

Minutes of Meeting

Principal convened meeting with I year class student representatives on 8.2.18 with the core agenda of support needed for academic progression. Two representatives (1 boy and 1 girl) from each branch of I year class participated, put across the following points. Suitable measures to resolve the issues raised were made.

Common representation regarding academics -I Semester
(Dec'17-Jan'18 AU exam) result aspects

Representation made	Initiative / steps planned to support/ suggestions provided
Mathematics-I	
Mathematics question paper covered unexpected problems. 3 indirect questions were asked in Part-B section. Part -A was also found difficult. Students were unable to identify the method to be used for solving problem	<ul style="list-style-type: none"> Prescribed /Reference books are issued for current semester for better exposure. Unitwise solved material will be issued to students for preparation
For Part-A section, question bank was referred for preparation. Lack of sufficient exposure.	
University Exam schedule (1 day gap between exams except physics) was not sufficient for preparation	Students were insisted for regular reading practices to raise to the standard of engineering courses. Day before exam to be utilized for revising the learnt content.
Engg. Physics	
Due to postponement of AU exams, more leave days. Students has missed due to lethargic attitude. Question paper was easy.	<ul style="list-style-type: none"> Students were informed about the credit of No history of arrear record in academics for placement drives. Examination for failed subjects will be held during next odd semester only. Hence, students have to understand the credit of clearing papers with good marks in the current semester itself.
Problem Solving and Python Programming	
Reason for "Mech-A students were able to get only 50% of results though other branches have faired well" - Students cooperation was missing.	<ul style="list-style-type: none"> Students to be regular to classes and follow the instructions given by faculty for better performance.

Representation made	Initiative / steps planned to support/ suggestions provided
Engineering Graphics	
For morning batch, question paper was tough. Only 3 questions were found easier. Unit 1 and 5 th questions were unexpected. Inspite of more problems solved during class hours students were unable to do better.	Application oriented questions to be practiced.
For afternoon batch, students were unable to understand the question.	
Engg. Chemistry	
Class tests was not taken serious by Mechanical students. Retest followup also was not utilized by students	Student cooperation was sought in future.

Branchwise representation regarding academics –Current Semester

Representation made	Initiative / steps planned to support/ suggestions provided
Civil Engg.	
Basic Electrical and Electronics Engineering by Ms.E.Suganya – No difficulties	<ul style="list-style-type: none"> Students to prepare theoretical aspects of the problems and equip for attending any sought of question paper Unitwise notes will be given by faculty
Engg. Mechanics by Mr.M.Mohammed Ilyas – No difficulties	<ul style="list-style-type: none"> Textbook purchase for the subject was insisted
Engg. Mathematics -II by Ms.G.Ramya Arokiyamary – No difficulties (Books issued)	-
Environmental Science and Engineering by Ms.P.Vijayakumari– No difficulties	-
English by Mr.K.Albert Lawrance – No difficulties	-
Physics for Civil Engg. by Mr.A.Anbzhagan – No difficulties	-
Engg. Practices Lab by Mr.M.Mohammed Ilyas Mr.R.Sundaramoorthi – No difficulties	-
CAD Lab <ul style="list-style-type: none"> Demo to be given in batches More input shall be provided 	Will be provided by the faculty in-charge.
Question bank and lab manual issue	Will be made within a week
Exposure to better presentation needed	Faculty will give the required exposure
EEE	

Representation made	Initiative / steps planned to support/ suggestions provided
English by Mr.K.Albert Lawrence - No difficulties	-
Engg. Mathematics II by Ms.S.Revathi - No difficulties Doubts are attended. Homeworks are given and verified.	-
Physics by Ms.S.Anuradha Delivery is good. But, few students are unable to understand. Need more attractive session	Will be made by faculty
Environmental Science and Engineering by Dr.S.Udhayakumar - No difficulties	-
Basic Civil & Mechanical Engg. by Mr.S.Giridharan - No difficulties Classes are interesting and easy to follow	Students to utilize the rich experience of the faculty
Circuit theory - Ms.A.Prabha - No difficulties	-
Labs - No difficulties Engineering practices lab by Mr.R.Sundaramoorthi, Mr.M.Mohammed. Ilyas Electrical circuits lab by Mr.P.Narasimhan, Ms.A.Prabha	-
ECE	
Engg. Mathematics-II by Ms.N.Latha - No difficulties Homeworks given and verified. Individual support given	-
English by Mr.P.Rajeshwaran - No difficulties	-
Physics for Electrical Engg. by Ms.S.Anuradha Student involvement is missing. Classes shall be made interesting	Will be made by faculty.
Circuit theory by Ms.C.M.Kalaiselvie - No difficulties	-
Electron devices by Mr.W.Newton Davidraj - No difficulties	-
Basic Electrical and Electronics Engineering by Ms.P.Thirumagal - No difficulties Books are to be identified and issued	Will be made.
Labs- No difficulties Circuits & Devices lab by Mr.K.Sudarsanan, Mr.W.Newton David Raj Engg. Practices lab by Mr.S.Sivakumar, Ms.C.M.Kalaiselvie, Mr.R.Suryamurthy	-

CSE	
Representation made	Initiative / steps planned to support/ suggestions provided
English by Mr.P.Rajeshwaran – No difficulties. Classes interesting	-
Engg. Mathematics-II by Dr.R.Suresh – No difficulties <ul style="list-style-type: none"> • Easy to follow. Homework verified. Individual support given. • 12th Maths coverage does not mandate on Integral calculus preparation. Hence, additional classes can be given. 	<ul style="list-style-type: none"> • Special classes will be organized. In 2 slots session will be organized for all the branches.
Basic Electrical Electronics and Mechanical Engineering by Mr.S.R.Karthikeyan Slow learners are not able to cope-up.	<ul style="list-style-type: none"> • Since course coverage is vast, additional special session will be organized for Mech, EEE, CSE branches
C Programming by Ms.G.Chandrababha Students find subject tough.	<ul style="list-style-type: none"> • More programming examples will be provided during lab session. • Additional support will be made.
Environmental Science and Engineering by Dr.A.L.Kavitha– No difficulties	-
Physics for Information Science by Ms.R.Umamaheshwari – No difficulties	-
Labs – No difficulties More writing work due to manual readiness Engg. Practices lab by Mr.R.Balakrishnan, Mr.P.Rajapriyan Mr.G.Mathivanan Computer Programming Lab Mr.D.Sivakumar, Mr.M.Arun	<ul style="list-style-type: none"> • Will be provided within a week
Mech- A	
English by Dr.V.Kumaran– No difficulties Faculty speaking fully in English and deep level delivery. Few students to cope-up.	<ul style="list-style-type: none"> • Students to utilize the sessions
Engg. Mathematics II by Mr.G.Jeyakrishnan – No difficulties	-
Basic Electrical and Electronics Engineering by Mr.M.Mayapandi – No difficulties	-
Environmental Science and Engineering by Dr.P.Saravanan– No difficulties	-
Material Science by Mr.A.Anbazzhagan – No difficulties	-
Engg. Mechanics by Mr.S.Giridharan – No difficulties	-

Representation made	Initiative / steps planned to support/ suggestions provided
Basic Electrical Electronics and Instrumentation Engg. Lab – by Mr.M.Mayapandi, Mr.V.Moorthy Hour utilization to be made effective. One hour was only used for experiments and concepts unknown.	Concepts will be taught in the 1hr. and 2 hours for experiment
Engineering practices lab by Ms.P.Geethabai, Ms.E.Suganya, Mr.Rajeshkumar.S No difficulties	-
Mech- B	
Basic Electrical and Electronics Engineering by Mr.P.Narasimman Classes going on fast. Slow learners find it difficult	• Special session will be organized
Engg. Mathematics II by Ms.J.Angelin Thamaraiselvi – No difficulties	-
English by Mr.k.Radhakrishnan – No difficulties	-
Environmental Science and Engineering – by Dr.V.Sureshkumar -No difficulties	-
Material Science by Mr.S.Ambalatharasu – No difficulties	-
Engg. Mechanics by Mr.Melwin J.Sridhar Subject tough. Teaching is good.	Problem based subject. Hence, students to concentrate more.
Basic Electrical Electronics and Instrumentation Engg. Lab By Mr.Narasimman.P, Ms.A.Prabha Theory and lab mismatch. Need basics	Will be provided
Engineering practices lab By Mr.P.Rajapriyan, Mr.A.Herald, Mr.N.Magesh– No difficulties	-

General representation made(Students) and suggestions made

- Slot for utilizing library facility.
 - Extended hour support to be utilized. Additional slots will be identified and provided.
- Slot for physical activity (sports).
 - Will be identified and provided.
- Newspaper provision to hostel.
 - Students to utilize the facility at central library.

General suggestions made(Principal & Vice-Principal)

- Students were motivated for overall development and raise their standard through right attitude towards academics. Regular learning attitude is essential for better performance.
- Prescribed text books and reference books to be utilized in preparation. Faculty will provide unitwise material for supporting in preparation.
- All genuine representations will be considered and necessary support will be provided.
- For problem based subjects, more problems to be solved and practiced. Homework problems to be solved regularly by student.
- Students should utilize opportunities provided for skill enhancement and build better career. Placement opportunities in MNCs and other companies was elaborated and insisted to be prepared for utilizing the drives organized internally and externally. For current batch, 11 students are taking part in Infosys drive organized by AU, CUIC. Additional coaching sessions are arranged for these students.
- Students to be regular to classes to cope-up.

ACADEMIC YEAR 2017-18 (EVEN SEMESTER)
Student Representative Meeting with Principal (IQAC meeting).

08.02.18

Minutes of Meeting

Principal convened meeting with II and III year class student representatives on 8.2.18 with the agenda of student support requirements for academic progression. Two representatives (1 boy and 1 girl) from each class participated, put across the following points. Suitable measures to resolve the issues raised were made.

Representation made	Initiative / steps planned to support/ suggestions provided
General Issues	
Coaching classes shall be organized on Saturdays due to difficulties in transport facility	<ul style="list-style-type: none"> Students with poor performance in assessments to work hard and secure good marks. To support slow learners only coaching classes are organized. Students to fair well in Assessment -II. Saturdays are scheduled for identified tough subjects coaching.
Coaching classes till assessment schedule.	Coaching classes will not be scheduled on assessment days.
Students thanked for college transport facility to public transportation users during coaching classes.	Will be continued
One Class test per day	Departments are scheduling class test.
Hostel study time for girl students	Will be discussed with Warden and finalized
Water facility & Internet facility at girls hostel	Will be addressed.
GATE Hour utilization	<ul style="list-style-type: none"> GATE coaching only for aspirants during the slot Other students will be given coaching on tough subjects during the slot
Preparatory time for Assessments on the day of exam	Scheduled between 10.30-12.30. 9.15 am to 10.15 shall be utilized to revise.
Boys hostel phone usage	Will be addressed
Industrial visit	In House Training slot during vacation to be utilized
Branchwise representations	
Civil Engg.	
Guest Lecture session are useful	Will be continued in future too.
Course difficulties are resolved	-
Course materials	<ul style="list-style-type: none"> Faculty members will provide unitwise course material (covering Part-B questions)

Representation made	Initiative / steps planned to support/ suggestions provided
Book issue & lending from department library	• Will be provided
Central Library – Better Xerox support	• Will be made
Laboratories – observation and records are verified	-
T&P hours are conducted as per schedule	-
Computer Science and Engineering	
For Department library usage additional staff needed	Will be made
Labs are going on with better learning approaches.	Will be continued
T&P hours are conducted as per schedule	-
DSP classes are going are smooth.	-
Communication Skills slot is utilized in a better manner	-
Daily test followup issue – Absent marked for failures	Will be addressed.
Electronics and Communication Engineering	
3 days consecutive AU exam schedule	Representation to AU already made.
Lab sessions going on well	-
Assessment test key – mismatch with question bank for the subject Antenna and Wave Propagation	Will be addressed
Additional assignment writing students irregular to classes (missed regular classes)	Will be addressed.
Electrical and Electronics Engineering	
OOPs lab – record submission not informed. All students stood and wrote for 3 hrs.	Will be addressed.
Mechanical Engineering	
CNC lab sessions are going on well	-
PPT sessions are required	Will be made
Monthly events are organized for enrichment	Will be continued
Student programmes in tie-up with other organizations	Will be addressed.

PRINCIPAL

ACADEMIC YEAR 2017-18 (EVEN SEMESTER)
Student Representative Meeting with Principal(I Yr. classes)

03.04.18

Minutes of Meeting

Principal convened meeting with 1 year class student representatives on 2.4.18 with the agenda to identify academic progression and student requirements.

Branchwise representation regarding academics –Current Semester

Representation made	Initiative / steps planned to support/ suggestions provided
Civil Engg.	
Basic Electrical and Electronics Engineering by Ms.E.Suganya - No difficulties	Subject is voluminous. Spend more time.
Engg. Mechanics by Mr.M.Mohammed Ilyas - No difficulties	Library books to be utilized for reference. Problem based subject. Hence, students to concentrate more.
Engg. Mathematics -II by Ms.G.Ramya Arokiyamary - No difficulties	-
Environmental Science and Engineering by Ms.P.Vijayakumari- No difficulties	-
English by Mr.K.Albert Lawrance - No difficulties	To complete book exercises. Verification on 7.4.18
Physics for Civil Engg. by Mr.A.Anbhazhagan - No difficulties, Weekly 2 tests are conducted	-
Engg. Practices Lab by Mr.M.Mohammed Ilyas Mr.R.Sundaramoorthi - No difficulties	To utilize additional hours (if required) and complete lab sessions as per schedule.
CAD Lab - No difficulties. Procedure is explained in prior	
EEE	
Representation made	Initiative / steps planned to support/ suggestions provided
English by Mr.K.Albert Lawrence - No difficulties	To complete book exercises. Verification on 7.4.18
Engg. Mathematics II by Ms.S.Revathi - No difficulties	-

Representation made	Initiative / steps planned to support/suggestions provided
Physics by Ms.S.Anuradha Student attention is made. Classes interesting.	-
Environmental Science and Engineering by Dr.S.Udhayakumar – No difficulties	-
Basic Civil & Mechanical Engg. by Mr.S.Giridharan– No difficulties	-
Circuit theory – Ms.A.Prabha– No difficulties	-
Labs – No difficulties Engineering practices lab by Mr.R.Sundaramoorthi, Mr.M.Mohammed. Ilyas Electrical circuits lab by Mr.P.Narasimhan, Ms.A.Prabha	-
ECE	
Engg. Mathematics-II by Ms.N.Latha – No difficulties Homeworks given and verified.	-
English by Mr.P.Rajeshwaran – No difficulties	To complete book exercises. Verification on 7.4.18
Physics for Electrical Engg. by Ms.S.Anuradha Classes are interesting. Tests conducted. Retest also given.	-
Circuit theory by Ms.C.M.Kalaiselvie – No difficulties	-
Electron devices by Mr.W.Newton Davidraj – No difficulties	-
Basic Electrical and Electronics Engineering by Ms.P.Thirumagal – No difficulties Books are to be identified and issued	Subject is voluminous. Spend more time
Labs Circuits & Devices lab by Mr.K.Sudarsanan, Mr.W.Newton David Raj - Only 4 experiments completed. - Few meters not working Engg. Practices lab by Mr.S.Sivakumar, Ms.C.M.Kalaiselvie, Mr.R.Suryamurthy	Additional lab sessions will be planned.
CSE	
Representation made	Initiative / steps planned to support/suggestions provided
English by Mr.P.Rajeshwaran – No difficulties.	To complete book exercises. Verification on 7.4.18
Engg. Mathematics-II by Dr.R.Suresh – No difficulties	-

Representation made	Initiative / steps planned to support/ suggestions provided
Basic Electrical Electronics and Mechanical Engineering by Mr.S.R.Karthikeyan	<ul style="list-style-type: none"> Subject is voluminous. Spend more time.
C Programming by Ms.G.Chandrababha Programs are explained. Easy to follow	Aps for C programming shall be utilized. Reference books to be utilized for enhancing programming skills.
Environmental Science and Engineering by Dr.A.L.Kavitha- No difficulties	-
Physics for Information Science by Ms.R.Umamaheshwari - No difficulties	-
Labs - No difficulties Engg. Practices lab by Mr.R.Balakrishnan, Mr.P.Rajapriyan Mr.G.Mathivanan Computer Programming Lab Mr.D.Sivakumar, Mr.M.Arun	-
Mech- A	
English by Dr.V.Kumaran - Need examination oriented preparatory guidelines. - Revision for all topics is required.	<ul style="list-style-type: none"> Will be provided.
Engg. Mathematics II by Mr.G.Jeyakrishnan - No difficulties	-
Basic Electrical and Electronics Engineering by Mr.M.Mayapandi - Unit IV is just started. Few days for syllabus completion. Additional hrs. needed.	Extra hours will be planned.
Environmental Science and Engineering by Dr.P.Saravanan- No difficulties	-
Material Science by Mr.A.Anbhzagan - No difficulties	-
Engg. Mechanics by Mr.S.Giridharan - No difficulties	-
Basic Electrical Electronics and Instrumentation Engg. Lab - by Mr.M.Mayapandi, Mr.V.Moorthy	-
Engineering practices lab by Ms.P.Geethabai, Ms.E.Suganya, Mr.Rajeshkumar.S No difficulties	-
Mech- B	
Basic Electrical and Electronics Engineering by Mr.P.Narasimman - Individual attention is needed for problems based sessions.	<ul style="list-style-type: none"> Subject is voluminous. Spend more time.
Engg. Mathematics II by Ms.J.Angelin Thamaraiselvi- No difficulties	-

Representation made	Initiative / steps planned to support/ suggestions provided
English by Mr.k.Radhakrishnan - Need examination oriented preparatory guidelines.	Will be provided
Environmental Science and Engineering – by Dr.V.Sureshkumar -No difficulties	-
Material Science by Mr.S.Ambalatharasu – No difficulties	-
Engg. Mechanics by Mr.Melwin J.Sridhar -No difficulties	Problem based subject. Hence, students to concentrate more.
Basic Electrical Electronics and Instrumentation Engg. Lab By Mr.Narasimman.P, Ms.A.Prabha	Will be provided
Engineering practices lab By Mr.P.Rajapriyan, Mr.A.Herald, Mr.N.Magesh– No difficulties	-

Special session on

- Presentation tips for University examinations
 - Mathematics & Problem based subjects
 - Theory papers
- And preparatory guidelines is planned for all the classes.
- For CSE students, session will be planned for Basic Electrical Electronics and Mechanical Engineering

General suggestions made(Principal & Vice-Principal)

- Students should improve regular reading habits. Knowledge will give raise to confidence level too. Hence, students to cover topics regularly.
- Advanced learners shall guide and motivate average and slow learner. Peer learning activity was encouraged.
- Conduct of Revision and ICC classes was elaborated. Students to utilize revision classes effectively. Assigned topics for the day to be covered and test to be written.
- Students should aim for higher grades in examination and maintain good CGPA. Importance of no history of arrears and nil arrear category was explained. Priority for such category in placements was also elaborated to students.
- Lab sessions to be utilized effectively. Students should learn about essentials of every experiment and do experiments with clear understanding.

ACADEMIC YEAR 2017-18 (ODD SEM)
Student Representative Meeting with Principal
 Agenda: Student View on Academic Processes

Date: 25.10.2017

(Minutes of Meeting and action taken)

Principal convened Student Representative Meeting regarding student views on academic processes to **strengthen quality aspects on 25.10.2017 between 3.00-4.45pm at Conference Hall.** Categorywise representations made by students and enlightenment made are as follows:

Infrastructure

Student Representations	Enlightenment made / steps planned
Transport <ul style="list-style-type: none"> Arrival time for buses during exam timing shall be advanced (route no:4). Route is also crowded and state of no seats regularly for certain points. Kumbakonam route to cover Ayyampettai and Papanasam Request for reduce in bus fee was made. 	Transport issues were represented to the committee. Issue resolved.
Few equipments at certain labs are not working.	Servicing of lab equipments are made periodically. Issue resolved through maintenance.
Rest room facility issues (Block II)	Issue resolved. Facility arranged at II Floor.

Teaching -Learning Processes

Student Representations	Enlightenment made / steps planned
Explanations for lab exercise shall be given at class / at lab using projector / suitable method as applicable.	Lab session practices shall be strengthened. Explanations for the experiment by the staff during 1 st hr., experimental slot-2 nd , 3 rd hr which includes verification of completion and viva voce session. Appropriate demo session will be made.
Self-learning in lab sessions to be promoted	Additional learning resources will be made available at respective folders at computer centre for programming labs. Alternative experiment / suitable content beyond syllabus experiment shall be experimented by advanced learners.
Viva questions for experiments shall be made experiment related. Application oriented viva questions shall be added.	Lab manuals will be updated with theoretical procedure and application of the experiment. Viva questions will be made to strengthen learning of the corresponding experiment.

Student Representations	Enlightenment made / steps planned
Lab manual and Question bank content of few lab manuals to be reviewed. Count of Part-A questions shall be increased	Will be resolved in subsequent semester
Additional hours for problem based courses	Additional hours will be allotted for tough / problem oriented papers
Assignment question – unique for every student	Assignment question is planned to support student preparation for exams and student enrichment. Accordingly it will be planned.

Examination and Evaluation process

Student Representations	Enlightenment made / steps planned
2 Hrs internal assessment slot is convenient. Exams shall be conducted during 3 rd and 4 th hour. 1 st and 2 nd hr preparation slot is comfortable. Additional 10 minutes shall be provided for exam slot.	Will be continued. 10 min extension will be provided
Saturday coaching classes are effective. Slow learners are utilizing the slot.	Will be continued
Need Part-C section for all assessments	Will be made. Awareness about the content based preparation in University theory exams was insisted. Students should do in-depth learning in order to meet the University evaluation process.

Support services

Student Representations	Enlightenment made / steps planned
Library/Net hour utilization. Membership card clarifications. Net facility at computing systems at library	No alterations on library and net hour. 3 cards per student will continue. Students to utilize library resources. Net facility will be provided shortly.
Cash counter and Scholarship section services during break hours.	Break hour services at cash counter and scholarship section was arranged.

Skill enhancement practices

Student Representations	Enlightenment made / steps planned
T&P hours – 1 hr for communication skill enhancement	T&P hour will be conducted similar to lab sessions. Evaluation component will be included for student progression
Regular support for communication skill improvement.	Strategy will be introduced

General

Student Representations	Enlightenment made / steps planned
Dress code for lab session	Students should wear Uniform during regular lab sessions. Higher classes (II, III, IV Year students) shall wear uniform and I Year students overcoat. Higher class students if required shall get overcoat and use it during lab sessions. Requirement details classwise to be submitted in prior. Student should come in formal dress code. Personal grooming to be in-tact and violations will not be entertained
Time-table hour clarification (APH , Interaction hour)	Current Time-table hours meet academic requirements, coaching classes and long distance dwellers.
Academic calendar visibility	Academic calendar visibility is ensured. Separate exam calendar and activity calendar will be planned during next semester onwards.

Report - On Training Programme

Doc No: 2

Ref: N: KCE/T&P/P001 dated 06/01/2020

Program: Training on Soft Skills, Aptitude & Technical

Period: 20-01-20 to 28-01-20 (8 Days)

Trainers: Ways Open Consultancy Pvt., Ltd., Chennai.

Venue: Block II (Mechanical Classrooms - Ground)

Total no of students trained: 246 (CSE - 39, CIVIL - 56, ECE - 51, EEE - 12, Mechanical - 89)

The Aptitude, Soft skills and technical training programme was organized by the Department of Training & Placement for the IV year CSE, ECE & EEE students. The training sessions on various topics of Aptitude like Numbers, Surds, Clock, Calendar, Time speed & Distance, Profit & Loss, Problems on Train, Problems on age and data interpretation and on Soft Skills like Interpersonal skills, GD Interview skills, and management games were entertained and as one of the technical trainer was deceased the technical training was canceled.

The students were given effective training materials for both aptitude and soft skills for regular practice and reference. The session successfully accomplished by Dr. S. Sivakumar Vice Principal, the T&P staff members, trainers and students were discussed about usefulness of the training programme.

Feedback from Trainers and the students were collected.

VP/Head (T&P)

Report - On Training Programme

- ✓ Soft skills and aptitude were included in the curriculum for all the students.
- ✓ A special one week session was arranged for final year students by external agencies for the improvement of soft skills and aptitude.
- ✓ Students were guided to apply for top level companies and special guidance had been given to complete the aptitude levels during the recruitment process.

Report on Parent-Teacher Meeting held virtually on 06th March 2021

➤ Attendees:

- Parents/Guardians, All Teaching and Non-Teaching Staff, and Students

The Department of Humanities & Science organised a Parent-Teacher Meeting on Saturday, 06th March 2021, between 09.00a.m and 11.30a.m, through online. The main aim of the meeting was to create an interaction between the teachers and parents of I year students. In the meeting, a variety of issues were addressed regarding the students' educational experiences and their all-round development.

➤ The agenda of the Parent Teacher Meeting were as follows,

1. Welcome and introduce teachers and parents
2. Presentation of the Department Profile
3. Brief glance into the I Year Program – Details about Curriculum & Examination procedures
4. Provide details about the facilities available to the students in the department
5. Provide information on various student related activities run by the Department
6. Give suggestions to the parents to improve the academic life of students
7. Discussion with Faculty Members
8. Obtain feedback from the parents

➤ The aims and objectives of the Parent Teacher Association shall be –

- ✓ To create a better understanding between the parents and teachers and to work towards a harmonious relationship among the members of teaching faculties, Students and parents/guardians of the students.
- ✓ Moreover, the Parent-Teacher Association will be of support to the Department and teachers and will also encourage the parents' involvement in the activities of the institution in the future.

➤ Commencement of Parent Teacher Meeting

The meeting was organised by the PTA Coordinator Dr. B. Barankumar, Assistant Professor, Department of Management Studies and was presided by the Principal Dr.J.Arputha Vijaya Selvi. The teachers and parents of the students doing B.E. program attended the meeting.

The Parent Teacher Meeting was commenced by Mr. J.Radhakrishnan with a welcome to all the Parents and Teachers. Dr. V. Sureshkumar, Head of the Department, gave an introductory speech. The Head of the Department then gave a briefing of the department profile and explained about the various facilities available in the department, research and academic activities, and also walked the parents through the different opportunities for the students such as internship/PhD programs offered by other institutes. The Head mentioned that the Department labs are one of the best facilities that the institute provide to the students to have pragmatic approach towards to the conceptual learning. The Head also explained how the department can offer the best possible learning environment for the students. Continuing the discussions, the Head gave the following suggestions to the parents to help improve their children's performance in the course:

- a) Avoiding shortage of attendance in classes
- b) Being punctual in attending classes
- c) Improving performance in internal exams
- d) Parents knowledge about the performance of their children in internals

Parents were encouraged to communicate with PTA via email to discuss any concerns that might assist the teacher in understanding the needs of the individuals. Finally, the parents were requested to give a feedback on the program.

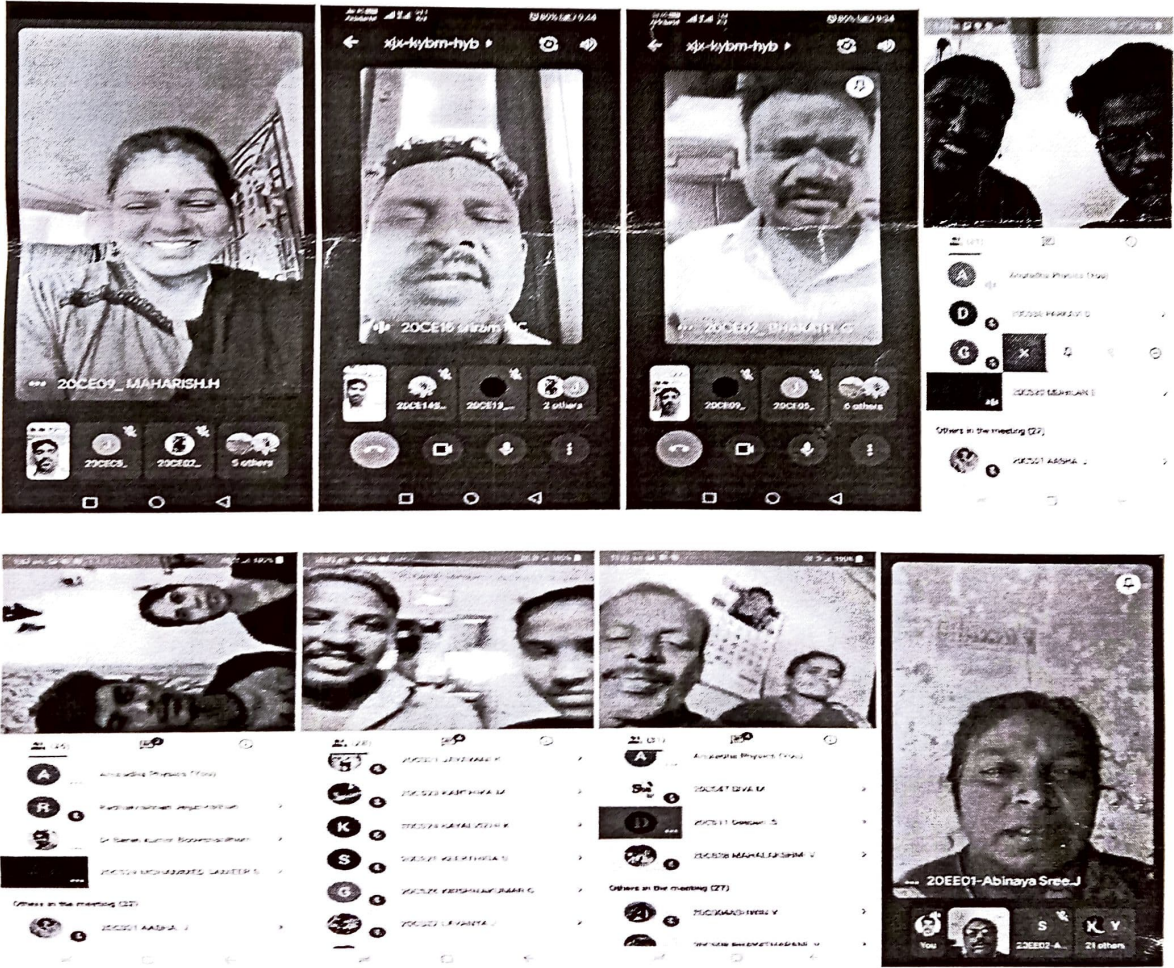

➤ The following were some of the suggestions from the parents:

- a) The parent of I Year Student, Mr. Deepan, CSE, commented that Parent-Teachers Meeting is a good initiative from the Department in helping the parents to know the problems of their wards.
- b) The parent of I Year, Mr. G.Bharath, Civil, requested to extend the transport facility into the exterior parts of village that he felt would facilitate the students to reach out the college campus without hurdle.

d) The parent of I year, Mr. R. RamPrasath, Mechanical Engineering, requested to inform students of the last minute change of timing of college buses well in advance since it could also help them to board the in time.

The Parents rendered a very good feedback on the programme, as well as on the participation of the staff in all the academic as well as co-curricular activities and also appreciated the Teacher Counselling system. Finally, the meet was concluded with vote of thanks delivered by the Class Coordinators.

➤ **Some Photograph on Parent Teachers Meeting**

➤ Class Coordinators:

- | | | |
|----------------------------|------------------------|---------|
| 1. Mrs. S. Anuradha | - Physics Department | - CSE |
| 2. Mr. K. Anandraj | - English Department | - Civil |
| 3. Dr. G. Jaikrishnan | - Maths Department | - ECE |
| 4. Dr. G. Sankara Kalidoss | - Maths Department | - MECH |
| 5. Dr. P. Saravanan | - Chemistry Department | - EEE |

➤ Number of Student - Parents Attended the PTA Meet

- ✓ EEE : 28 students & parents attended out of 36.
- ✓ ECE : 32 students & parents attended out of 47
- ✓ CIVIL : 12 students & parents attended out of 15.
- ✓ MECH : 24 students & parents attended out of 54
- ✓ CSE : 45 students & parents attended out of 63

➤ Links Provided for the PTA Meet

- ✓ Inaugural link : <https://meet.google.com/yfe-wjfw-gnj>

➤ The CCs Links that facilitated the rapport with parents for registering their views:

- ✓ CSE : <https://meet.google.com/vgu-axpi-qdr>
- ✓ CIVIL : <https://meet.google.com/xjx-kybm-hyb>
- ✓ ECE : <https://meet.google.com/hfz-poiz-qxm>
- ✓ EEE : <https://meet.google.com/bmj-kibp-ume>
- ✓ MECH : <https://meet.google.com/nap-qkday-iro>

PTAMeet Google Feedback Link

: <https://forms.gle/9nybDxZAS3xCezpt9>

Thus, The PTA Meet concluded with positive vibrants from Students, Parents and Teaching faculty members. The sharing of views of both parents and teachers were assumed optimistically that are deemed to be the stepping stones to achieve many wonders with the strong hands clubbed together.

REVIEW RECOMMENDATIONS, SUGGESTIONS

PROGRAMME ADVISORY COMMITTEE - EXTERNAL EXPERT

Dr.S.Mary Saira Bhanu, NIT, Trichy

Following suggestions/ recommendations / comments were shared by expert

- Cutoff range analysis : Minimum cutoff shall be fixed as 100.
- Girl students strength is found good and is based on the overall statewide performance of girls.
- Results of 2019-20 (Even sem) is 100%. Results based on internals. Suggestions was made to focus on increasing trend in pass percentage
- Value addition initiatives : Introduction of 1 credit course in collaboration with industry expert covering latest trends was suggested
- Inclusion of programming assignment as mandatory was recommended for all programming courses. It was also insisted for individual efforts in programming exercises.
- PCE activities shall include mobile internals and other related system component study by students
- Course attainment analysis : efforts to be made to ensure very few / nil in the category of Need Hardwork category. Improvement is found in few results.
- Online classes should focus on improving student knowledge. Faculty to provide student participation in more during online session. It was recommended to involve more student participation in online classes.
- Launch of clubs as recommended by expert during previous review was appreciated. Activities to be planned to improve student skills and encourage more participation. Club objective specific activities focusing current trends are to be planned and executed.
- Swayam course participation and completion to be encourage more
- Project award initiation (TNSCST, Vishwakarma award) was appreciated. It was suggested to encourage innovative projects.
- In general, expert appreciated the efforts made. More focus on publications and student skill, knowledge improvement was insisted.
