DEPARTMENT OF CIVIL ENGINEERING

ACADEMIC YEAR 2020-21 EVEN SEM

## "ALUMNI TALK ON CONCRETE 3D PRINTING" ON 10.06.2021 REPORT

### BACKGROUND & OBJECTIVE

Department of Civil Engineering and Research & Development cell of Kings College of Engineering organized an Alumni Talk on "**CONCRETE 3D PRINTING**" on 10.06.2021. As a Civil Engineer, it is essential to be well versed with advanced technologies related to concrete. This alumni talk provides a platform for the UG/PG students and Industrialists to enhance themselves in concrete 3D printing. Ms.T.Bhuvaneswari, AP/civil and Mr.K.Arun, AP/civil were the organizers of the Alumni Talk.

### INAUGURAL SESSION

The Alumni talk commenced online at 10:00 AM and was live streamed through our college YouTube channel. Mr.K.Arun, AP/Civil, hosted the event. He delivered the welcome address. Ms.T.Bhuvaneswari, AP/civil also introduced about the resource person, who is our renowned Alumni of 2014-18 Batch, **Mr.M.P.Salaimanimagudam**, Proprietor, Magudam group of research, Thanjavur. She elaborated the qualification and work experience of the resource person. She also detailed about the conference, journal publications and memberships held by the resource person. Around 62 participants from various Educational institutions and Industries eagerly participated in the online Alumni talk.

Participant type

62 responses

## WORKSHOP SESSION

The resource person explained the concepts of concrete 3D printing, in an elaborate manner. In addition he presented the process of 3D printing and its scope in future. He also highlighted the practical examples which were very well understood by the participants.

The poster is for an event at **KINGS COLLEGE OF ENGINEERING**. It features a portrait of **Dr. M. P. BALAJI MAHAJAGUDAN, R.E.H. Tech. (Ph.D.), PROPRIETOR, MAHAGUDAN GROUP OF RESEARCH, THIRUVARUR**. The event is an **ALUMNI TALK ON "CONCRETE 3D PRINTING"** held on **10.06.2021** from **10:30 AM - 11:30 AM**. It is organized by the **DEPARTMENT OF CIVIL ENGINEERING** in association with the **RESEARCH & DEVELOPMENT CELL**. The poster also includes the college's accreditation details and a 'Stay Home Stay Safe' message.

## VALEDICTORY SESSION

At the end of the Alumni talk, the session was concluded with vote of thanks. Mr.R.Sundharam, AP/Civil, delivered the vote of thanks. He expressed his sincere thanks to the participants for their interest and active participation. He heartily expressed his sincere gratitude to the Management, Principal, Vice Principal, Staff members and the students for their extended support. Finally he concluded by appreciating the organizers for their passionate efforts with which they carried out the difficult task of making the workshop a grand success.

**ALUMNI TALK – WEBINAR REPORT**

**You Tube Live Stream:** <https://youtu.be/ixMXeUHD8vI>

**Background & Objective**

Department of Civil Engineering had organized an Alumni Talk for our Students. The purpose of this Webinar is to equip the students in Transportation Engineering.

**Webinar Session**

A Webinar was organized by Department of Civil Engineering on 20<sup>th</sup> July, 2020 at 10:30PM. The webinar was presided over by **Ms.R.Revathi, HoD.**, Department of Civil Engineering. Mr.R.Sundharam, Coordinator of this Webinar delivered the welcome address and Ms.M.Priya, Coordinator of this Webinar introduced our Beloved Alumni.

**Er.M.John Finney, Asst. Traffic Engineer** delivered his Alumni talk on “**Introduction to transportation engineering with case study**”. **111** participants were eagerly participated in the live webinar.

**Outcome**

The Seminar clearly highlighted the Branches in Transportation Engineering, Signal Coordination, Optimistic traffic signals, TRANSYT software and so on. Students got an idea in various methods which can be implemented. Finally, students raised their questions and discussions were made. Students shared their views regarding seminar and gave their feedback.

**ALUMNI SPEECH**

**Venue: CIVIL CLASS ROOMS**

**Date: 21.01.2020**

**Time: 10:00 – 11:30 AM**

**Background & Objective**

Alumni Speech is sharing the experience of passed out students of an institution with the juniors and it is a platform for the alumni students to share their views and ideas in their profession, after stepping out of the institution. It is the place, where the institution feels proud on seeing its successful alumni. The meet also creates a stage to identify the department's most distinguished alumni.

**Motivating Session**

We are pleased to have organized a wonderful and memorable Alumni speech on 21<sup>st</sup> January 2020 at the Department of civil Engineering. **Ms.R.UMA MAHESWARI** of 2013-17 batch graced the occasion. She has undergone 1 year apprenticeship in BHEL, Trichy and currently undergoing coaching classes for UPSC examination at Karaikudi. She addressed the II Year & III Year civil students and delivered a wonderful motivating speech. She highlighted the scope for civil engineers in various aspects and also added valuable information regarding job opportunities. Finally she concluded her speech by igniting the students to develop their passion into dreams and work hard to make their dreams into reality.

**Alumni speech sessions for 2<sup>nd</sup> Year & 3<sup>rd</sup> Year Civil students**

**Outcome**

The Alumni Speech is a platform for relishing and sharing their views with the junior students. It is a time for reflecting and encouraging the students and guides them forward with a sense of purpose and anticipation.

#### CSE KCE ALUMNI SERIES REPORT

#### OUR ALUMNI OUR PRIDE

**21.6.2021**

A three days CSE - ALUMNI WEBINAR SERIES on TECHNICAL AND GENERAL TOPICS was organized by the Department of CSE, Kings College of Engineering in the online mode (YouTube & Google Meet : Link <https://meet.google.com/juv-buaj-rng>) from 11.6.2021 to 13.6.2021 to the CSE department students with an objective to offer a better understanding and knowledge on current technologies, job opportunities, industry needs ,cracking competitive exams and career planning during this pandemic period. The sessions were handled by our beloved alumni's from various batches.

Date	Session	Topic	Name of the speaker	Designation & Organization	Location
11.6.2021 Friday	AN	REACT JS	Mr.Suresh	Senior Associate Cognizant Technology Solutions	Chennai
12.6.2021 Saturday	AN	Guidelines to crack competitive exams	Ms.Hazarath Begam	Deputy Collector	Thenkasi
13.6.2021 Sunday	FN	Bridging the gap between Engineering students and the Corporate	Mrs.Medona Joyce	Software Specialist Fidelity Information Services	Bangalore

Totally 75 of our CSE students registered for the alumni series. About 60 participants actively participated in every day sessions and expanded their knowledge on diverse topics. The session was broadcasted live in our college Youtube channel. The event was co-ordinated by Mrs.R.Sugantha Lakshmi AP/CSE under the guidance of our Head of the Department Dr.S.M.Uma & by the support of our Principal Dr.J.Arputha Vijaya Selvi and the management. The participants appreciated our organization, our team work, the webinar sessions and also requested for similar kind of webinar sessions in the future also.

 Date: 11.6.2021  
 Timing: 06.00p.m to 07.00p.m

Senior Associate, CTS, Chennai. Totally 64 participants attended the session on you tube channel. On Day 1 the CSE department HOD Dr.S.M.Uma welcomed the gathering and introduced our alumni to the students. The resource person briefed about the basic concepts, the life cycle, modules, working structure and hands on training on the REACT JS working environment. The participants gained knowledge on developing applications.

## Annexure IV - Day 2 Details

The session began with a welcome address and resource person introduction by our COE Mr.K.Rajesh, AP/CSE. About 73 participants attended the Day 2 session on Google Meet. The Day 2 session of the program was handled by our alumni of 2009-2013 Batch, Ms.Hazrath Begam, Deputy Collector, Thenkasi to instill a basic knowledge of the necessary preparations: pre-examination preparation, post-examination preparation, and final interview. Our renowned Alumni shared her own experience on cracking the competitive exams and also updated the students about the tips and tricks for cracking the exams. Also she shared about the syllabus, preparation method, breakup of the subject papers, and the cycle of the exams, from advertisements, to publication of results.

Date: 12.6.2021

Timing: 05.00p.m to 06.00p.m

**MS.HAZRATH BEGAM,**  
2009-2013 Batch  
Deputy Collector,  
Thenkasi.

Topic - Guidelines to crack competitive exams

The students attended the session curiously and interacted with the resource person and got cleared their doubts. This session created awareness about competitive examinations among the students, and sustain interest in the respective field. This program also introduced the students to the nature of the different competitive examinations, syllabi, structure, and preparation for.

## Annexure V - Day 3 Details

**Day-3**

Date: 13.6.2021  
Timing: 11.00am to 12.00pm

**MRS. MEDONA JOYCE,**  
2009-2013 Batch  
Software Specialist,  
Fidelity Information Services,  
Bengaluru

Topic - Bridging the gap between  
Engineering Students and the Corporate

On day 3, our alumni Mrs.Medona Joyce, Software Specialist, Fidelity information Services, Bengaluru presented her views through Google meet to the students about the industry needs and how to prepare themselves for the industry.

Mrs.K.Abhirami AP/CSE, IQAC Head,

welcomed the participants and introduced the resource person, alumni of 2009-2013 Batch also the King of Kings award winner of that batch to the students. She inculcated the ideas of entrepreneurship, innovative and technology, career and business growth, personal development. She gave an clear picture to every attendee about, how an graduating student will find their transition into industry roles smoother and make them skilled and job ready. Finally the series ended with the vote of thanks by the coordinator Mrs.R.Sugantha Lakshmi, AP/CSE.

## Annexure VI - Sample Feedback

### Day 1 - REACT JS

- Very useful and informative session
- React JS was completely new to me. This webinar gave me an awareness on React JS. It was amazing
- Get More Knowledge
- Very useful class

### Day 2 - Guidelines to crack competitive exams

- Very informative
- It's very useful
- Motivating session
- Excellent
- Very very useful session mam.
- Thanks for giving such a wonderful session. It's very helpful to us.
- Very useful and informative session gain more knowledge about group exams
- Very useful class
- It was really an inspirational session. I was motivated a lot by her journey. And had an understanding on the procedures of Competitive exams.
- Well explained and more information to ready to prepare the group exams thank you mam
- Interesting session
- Gain knowledge

### Day 3 - Bridging the gap between Engineering students and the Corporate

- Thank you for your valuable information mam.
- Informative session
- Gain knowledge
- Very useful for our job opportunities
- Best platform for knowledge
- Thank you for your valuable suggestions
- Very informative session
- Interesting session
- It's very helpful for students thank you
- It was really an amazing session. She has enlightened us by her presentation. Very very useful session.

Respected Madam

Sub: Requestion to conduct Alumni program

We have planned to conduct Industry

Interaction Expert session to our IV CSE, EE  
& III CSE students on 4.3.2021 by our alumni

Mr. J. D. Laksh Devapriya & Mr. Mohankumar. I  
request you to grant permission to conduct

Submitted this  
to the principal

8/3/2021 Thanking You,

Yours truly  
Sey

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**  
**ACADEMIC YEAR 2020-2021 / EVEN SEMESTER**  
**REPORT**

1. Type of the Event : Industry Expert Interaction session (Alumni)
2. Name of the Event : "Career Prospectus – A Step to Success"
3. Objective : To create awareness to the students about which area has more career opportunities in their field , the skills needed to become an entrepreneur and higher studies.
4. Date & Duration : 4.03.20 & One Day
5. Resource Person : Mr.J.D.Festus Devapriyan  
Project Engineer, Wipro Ltd, Bangalore  
Mr.S.Mohan Kumar  
Managing Director, AltReKruit Solutions
6. Level of the Event : Department Level
7. Name of the organizer : R.Sugantha Lakshmi /CSE
8. Target Group : IV (CSE & ECE - FN) , III CSE - AN
9. No of Participants : 90(IV - 51+III - 39)
10. Outcome

Students acquired knowledge on

- The current industry needs and expectations
- How to equip themselves for getting job in industry
- How to prepare themselves for the interviews and areas of improvement for seeking job.
- The booming areas which creates more job opportunities in their field.
- Initiatives to be made for becoming an entrepreneur.
- Pursuing higher studies

**DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING**  
**ACADEMIC YEAR 2020 -2021/ EVEN SEMESTER**  
**INDUSTRY EXPERT INTERACTION SESSION (ALUMNI)**

A one day industry expert interaction session titled "Career Prospectus" was organized on **04.03.2021** for our IV CSE , IV ECE and III CSE students with an objective of making the students to get deeper into the current industry trends , expectations of the industry and which area has more opportunities in their field . Our Alumni **Mr.J.D.Festus Devapriyan**, Project Engineer ,Wipro Ltd , Bangalore and **Mr.S.Mohan Kumar** , Managing Director, AltReKruit Solutions handled the session. Totally **90 students** attended the session out of it 51 students are from the final year CSE & ECE in the Forenoon Session and 39 students are from III CSE in the Afternoon Session.. The college Alumni Co-ordinator **Mr.Rajapriyan**, AP/ECE gave the welcome address and **Mrs.R.Sugantha Lakshmi** AP/CSE (Dept Alumni Co-ordinator) introduced the resource person to the gatherings. you

- Thanks for the opportunity for me to know about the data science and the carrier side also very helpful for me.
- It is very good session and can be easily understood and good session it is.
- This session was very useful to us. Thanks for giving such a informative session.
- It is very informative and learned more about data science
- Thank you for arranging this session in the lockdown period
- This session was very useful for our career
- Good explain with PPT
- Unknown information were gained from these useful webinars
- Knowledgeable
- Amazing session for making me very clear about data science
- Wonderful session
- Very nice
- Very informative...great examples were conveyed

- Thanks for giving informative session. Such a wonderful session. It was very helpful to us.
- It's very interesting and useful to me
- Its a very useful and informative session... Its very clear cut explanation and some tips to clear a competitive exam... Its very very useful
- Very informative session . it will be very useful for all the students who are going to attend competitive exams.
- Its more helpful for me to cracking the tnpSC exam
- Thanks for conducting such a wonderful session
- It was a great session. The presenter became an inspiration for me. She gave many valuable tips over UPSC exams which was very useful. Thank you for arranging such a wonderful session.

### Day 5 - Take Away Session - Evening

- Welcome sir
- GREAT SESSION. THANKS 4 ORGANIZING IT
- Nice presentation gud session
- Everything was fine
- Awesome session...it was very interesting. thank you for conducting such an informative webinar
- Very very interesting sessions. Thanks a lot.
- New experience thank you for this opportunity
- It was a good experience for me.
- Super
- It was good
- Nice experience in wonderful manner
- Nice presentation
- Everything informative
- Very nice session
- Everything was perfect...
- Thank you for such a valuable webinar session Special thanks to our presenters who are all taken this session in their busy schedule Another hearty thanks to our management for arranging this wonderful webinar in the covid19 pandemic period. Thank you one and all
- Really helpful session.....Too good
- It was awesome
- Four days is very useful thank you so much
- Looking forward to attend many more webinars in future
- Thanks for this session

## ONE DAY WORKSHOP

on

### "Graphic Designing and Animation" 2D & 3D

15<sup>th</sup> February 2020

Organized by  
Department of CSE

Kings College of Engineering  
Punalkulam, Thanjavur

Contact: hodcse@kingsindia.net

## ABOUT THE COLLEGE

Kings College of Engineering is an institution which was formed with the aim of providing quality education to the poor and under-privileged students. KCE is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University. The institution was established in the year 2001 on a sprawling campus of around 60 acres on the Thanjavur - Pudukkottai Highway and run by Raj Educational Trust. The institution offers five UG and four PG programmes. KCE is an ISO 9001:2008 and NAAC certified institution.

## ABOUT THE DEPARTMENT

The Department of Computer Science and Engineering since its inception in the year 2001 offers programme keeping in pace with technological advancements. Department offers Post Graduate course M.E - CSE. Importance to practical training which lay great stress on "hands on" experience besides a sound theoretical background is practiced. Short term courses and technical lectures by eminent professors and professionals are arranged on a regular basis to broaden the knowledge spectrum of students. The state-of-the-art computer centre has over 300 computers with 100 Mbps internet connectivity. The department has highly qualified and experienced faculty to offer both class room teaching and practical instructions

## SCOPE

India is becoming a digital country. With the growth of digitization, the world is transferring to the digital world. In the upcoming year, the scope of animation is going to be very much huge. The animation industry in India is growing at a faster pace than any other industry. It is expanding and shows a steady growth. Demand for animation is enlarging day by day in the industry of entertainment as well as in the areas of advertising, business, education, sales etc. Job placements in print media and publishing firms are also available for animators.

## COURSE CONTENT

The objective of this workshop is to provide

- An introduction to creating, editing, and analyzing 3D models.
- Develop foundational skills to work with, and navigate the digital 3D modeling workspace to create 3D objects.
- Examine basic elements of the 3D development of modeling, texturing, lighting, animating, and rendering using *Photoshop, Illustrator and Premier pro*.

## COURSE OUTCOMES

The participants will gain the ability to create quality animation performance through a creative and professional portfolio using principles of animation, drawing, design, cinematic storytelling, artistic expertise and innovation.

### RESOURCE PERSON

Eminent person from Industry will be handling the sessions.

### WHO CAN ATTEND

Programme is open to students from Engineering Colleges/ Arts & Science Colleges/ Polytechnic Colleges of any domain

### REGISTRATION

Spot registration is permitted.

UG Students : Rs.200

PG Students : Rs.300

### HOW TO APPLY

Participants are requested to apply online in the following link and to submit the registration form on the day of the program.

## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

ACADEMIC YEAR 2019 – 2020 / EVEN SEMESTER

### WORKSHOP REPORT

16.2.2020

A one day workshop on “Graphic Designing and Animation – 2D & 3D ” was organized by the Department CSE, Kings College of Engineering jointly organized by the IEEE Students Chapter for the students of Engineering Colleges/ Arts & Science Colleges/Polytechnic Colleges with an objective to offer a better understanding of animation and also to empower their creativeness. **Mr.G.Vaitheeswaran**, Graphic Designer and 3D Modeler, Olir Designs and **Mr.Royal Ricard**, Graphic Designer and Director, Olir Designs were the resource persons of the workshop. The students of this workshop obtained a working knowledge on Photoshop, Illustrator and Premier Pro which is a graphic and animation software through hands on session. About **87(External: 48, Internal: 39)** students attended the session which comprises of students from external colleges (University College of Engineering, Anjalai Ammal Engineering College, St.Joseph’s College of Engineering and Technology, Periyar Maniammai University, K.S.K College of Engineering and Technology, AVVM.Sri Puspham College, Bon Secours College for women, Rajah Serfoji Government College) and internal students from the department of CSE,ECE. The workshop was coordinated by Ms.R.Sugantha Lakshmi AP/CSE and Mrs.G.Chandra Praba AP/CSE. The workshop highlighted on the basics of graphics and animation software’s through hands-on experience with the industry standard

✓ Name of the Event	:	Guest Lecture
✓ Date & Session	:	13.01.2020 & FN
✓ Venue	:	Lab I Kings College of Engineering
✓ Level of the Event	:	Department Level
✓ Name of the Organizer	:	Ms.P.Nalayini,AP,Dept of CSE
✓ Topic	:	Oracle Architecture and the ITIL Concepts
✓ Organized for	:	II yr Students
✓ Number of Participants	:	30
✓ Purpose	:	To give a Lecture on Oracle Architecture and the ITIL Concepts .
✓ Resource Person	:	Mr.K.Sathish Raj, Oracle Database Admin, IBM India Private Limited, Chennai.

## SUMMARY REPORT – GUEST LECTURE

Guest lecture for this Academic Year (2019-2020 Even sem) for II Year (Batch: 2018 – 2022) was organized by CSE department on 13.01.2020. The major objective of the program was to make the students to know about "Oracle Architecture and the ITIL Concepts" and provided an exposure about ITIL concepts. Mr.K.Sathish Raj, Oracle Database Admin, IBM India Private Limited, Chennai delivered the lecture.

The Topics covered was

- ✓ What is IT?
- ✓ Oracle DB introduction
- ✓ What is ITIL?
- ✓ What is required now?

### Outcome

Upon completion of this guest lecture, students are able to understand the basic Oracle architecture and know about how the set of best-practice processes are integrated for delivering IT services to customers.

Mr.K.Sathish Raj, Oracle Database Admin, IBM India Private Limited, Chennai gave lecture on Oracle Architecture & ITIL Concepts on 13.01.2020

**ALUMNI INTERACTION SESSION**

MANIMOZHILK. working as Trainee Developer in Osiz Technologies, Madurai(2019 passedout) addressed II year students about their experiences in skill development, certifications, attending interviews and industry expectations on 31.08.19.

During the session, she insisted on the following

- FOSS based certifications
- Programming skill development (Any language)
- Lab session utilization need
- Update on Web technologies

Sharing interview tips, work experience and need for continuous skill upgradation among the juniors, Alumnus insisted II Year students to concentrate from II year onwards. She insisted on the need for understanding of basics in Core papers of CSE. Mentioning about IIT, Bombay certification course on Python, she explained how such certification has helped her to step into industry.

### ALUMNI INTERACTION SESSION

SHERIN (2012 PASSED OUT) working as Auditor in TN, Audit Department, Thanjavur who has cleared Group II exams and JAVEED (2011 PASSED OUT) working as Team Leader in Wal Mart, Disney, addressed IV year students and III Year students on 06.09.19. Sherin has outshined in all areas during her study and is University rank holder of the batch.

Sherin insisted on

- Consistent academic records
- Aspiration for University ranks
- Insight into Group-I examinations

Javeed insisted on

- Career opportunities for CSE graduates
- Interview readiness
- Scope for all category of students at industry

BARANITHARAN.M working as Quality Assurance Engineer in Expleo Group of Companies, Bangalore, NAGARAJAN. Full Stack Developer, Aagnia Technologies, Coimbatore (2018 passedout) addressed III year students about their experiences in skill development, certifications, attending interviews and industry expectations on 09.03.19

During the session, they insisted on the following

- FOSS based certifications
- In-house project work
- Aptitude skill development
- Goal setting and working for the target
- Networking among the group

Sharing interview tips, work experience and need for continuous skill upgradation among the juniors, Alumnus insisted juniors to be vibrant in preparing themselves to face the outside world. Also, insisted junior to opt suitable company (preferably start ups) for better learning environment. Various online resource links was shared for skill enrichment. Alumnus also informed juniors to be in networking with seniors for suitable references.

**ACADEMIC YEAR 2018-19 (ODD SEM)  
MOTIVATIONAL SESSION BY INDUSTRY EXPERT**

Industry experts are invited periodically for Seminar and Motivational Sessions enlightening Final year students about industry expectations and career planning. On **05.09.18**, Mr.R.Sathishraj with rich Industrial experience was invited for a Motivational session enlightening our IV year CSE and ECE students.

**Mr.R.Sathishraj – Brief profile**

**Work experience**

- Sify Technologies with Micro ERP division, 2004-2006,
- Ingram Micro Corp as Business Development Manager, 2006-2009,
- Since 2009, Full time Entrepreneur, Distribution -e.com Business in India and US

Resource person of the session addressed students on the following areas and triggered the minds of students

- Importance of Goal setting
- Fear and Doubt management
- Current Market trends
- Avoiding distraction and Time Management.

Insisting students on regular review of set goals, achievement, Mr.Sathishraj listed various books and weblinks for reference. At the end of the session, feedback was shared by student representatives. Students thanked the resource person for facilitating better approaches to career planning and also life skills.

# **Webinar REPORT on Fundamentals of Antenna and It's Design Tools**

**Held on**

**27/02/2021**

**Co-ordinators**

**Mr.P.Raja Pirian AP/ECE**

**Mr.W.Newton david Raj AP/ECE**

## **REPORT**

A Webinar on **Fundamentals of Antenna and It's Design Tools** was organized by Department of Electronics and Communication Engineering on 27-02-2021 at 11.00 a.m. to 12.00 noon, to motivate the students to involve in Antenna Domain and also the students to get more ideas on latest tools in smart antenna design.

The program was delivered via Google meet.

Google Meet Link : <https://meet.google.com/myk-osjm-wuu>

Ms.T.Swetha, **PG Student -Wireless Technology, Anna University (MIT Campus), Chennai** was the resource person.

The webinar begins at 11.00 a.m, Mr.P.Raja Pirian AP/ECE welcomes the resource person and the gathering, followed by Ms.G.Latchaya Sri, UG Student, introduced the chief guest. Mrs.N.Mangaiyarkarasi, HoD/ECE delivered the inaugural address.

Ms.T.Swetha, briefed the concepts of Antenna, Basic Electromagnetic Theory, Boundary Conditions and Excitations, Computational Electromagnetics, HFSS simulation basics and analysis setup, Reconfigurable Antennas · MIMO Antennas , Metamaterial Design and Analysis.

In her presentation, she demonstrates a simple smart antenna and shows the simulation and the technology of fabrication also. Finally she explains the need for antenna designers towards communication sectors such as Mobile, Satellite and Radar etc.

The students were actively involved in the entire sessions. Finally Mrs.U.Jeyamalar, AP/ECE delivers the vote of thanks.

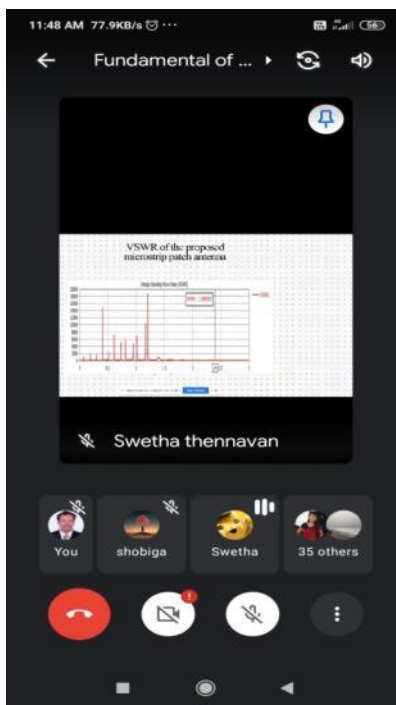

Total of 114 students were participated in the workshop; 105 students from our college and the remaining participants from other Engineering colleges from Tamilnadu.

## **REPORT**

Department of ECE and IEEE SB jointly organized Alumni Series Webinar from 06th to 10th July, 2020. A total of 333 registrations were received from participants residing in India, Oman, Singapore and Saudi Arabia.

**Ms.S.Sharmila Thagore**, Data Analyst, Bangalore, on 06th July, 2020, delivered a talk on Digital Marketing Analytics. In her lecture, she explained in detail about Digital marketing strategies, data analytics and the software tools used in Digital Marketing.

**Mr.Surendhar Ravichandran**, Sr. Devops Engineer, European Bioinformatics Institute, England on 07th July, 2020, delivered a talk on Introduction to Linux Containers and Kubernetes. In his talk, he briefed on Dockers images, docker hub, Kubernetes, container orchestration. At end of the session he demonstrated the installation of the docker.

**Mr.A.Athiraja**, Innovation Ambassador- MHRD IIC Cell, Coimbatore on 08th July, 2020, presented an overview on “Basics of Machine Learning”. In his lecture he briefed, supervised learning, unsupervised learning, reinforcement learning and machine learning models. He concluded his lecture with the applications of ML in healthcare, sentiment analysis, fraud detection and e-commerce.

**Ms.Vaishnavi Nagapandian**, Senior Programme Consultant, PSB Academy, Singapore on 09th July, 2020, delivered a lecture on “Turning Crisis into Opportunity : Lessons from COVID-19”. In her lecture, she briefed on the impact on economy, impact on individual and lifestyle, impact on workplace and future requirements, impact on competition. Also she briefed on industries thriving amid COVID-19 and on the opportunities for the engineers/ graduates with digital skills due to rapid digitization.

**Mr.P.Aravind Preshant**, Software Engineer, Apple, California, USA on 10th July, 2020 delivered lecture on “Introduction to Robotics”. In his lecture, he briefed on Robot Operating System (ROS), Simulators i.e. MATLAB and Gazebo, various sensors, Perception: object detection, object tracking, SLAM, planning algorithms and reinforcement learning.

While concluding he elaborated on the project “Exploration of Unknown Environment using Multiple Robots”.

The programme was coordinated by Mr. P. Raja Pirian, AP/ECE and Mr. J. Niranjan Samuel, JRF/ECE-R&D. Mrs. N. Mangaiyarkarasi, HOD/ECE, felicitated the resource persons for attaining a big position in the society and thanked all the staff members for grand success of the webinar.

on  
"INDIGENOUS INNOVATION"**

**14.08.2019**

**Report**

The guest lecture on "Indigenous innovation" was planned to conduct for the first year students to enrich their knowledge in 'Personnel Development'. The guest lecture started at 11.00 A.M on 14.08.19. Dr.T.Shanthi Prof /ECE felicitated the resource person Mr.AMIRTHA GANESH, Armada Industrial Automation,Thanjavur.

The session was handed over to the resource person. He started his lecture on soft skills. He explained about the how to face the campus interview and explain about personal skills like Communication Skills, Problem-Solving, Team Player, Leadership Skills, Honesty, Openness to Learning .

Final year students were benefited from this lecture. The event ended succèssfully with vote of thanks.

ONE DAY WORKSHOP ON

### **"Higher Education & Role of Engineers in Future India"**

#### **POST WORKSHOP REPORT**

<b>Event</b>	: Workshop
<b>Title</b>	: Higher Education & Role of Engineers in Future India
<b>Date</b>	: 06.03.2020
<b>Technical Sponsor</b>	: IEEE Students Branch-STB16621
<b>Number of Beneficiaries</b>	: External: 16 Internal participants: 05
<b>Resource Persons</b>	: 1. Dr. A. Senthil kumar, Project Scientist, IIT - Chennai . 2. Mr.K. Amirtha Ganesh, Director, Armada Industrial Automation 3. Mr.T.Pasupathi AP/ECE, KCE.
<b>Venue</b>	: Pallava Hall

Department of Electronics and Communication Engineering organized a one day **Workshop** on **"Higher Education & Role of Engineers in Future India** for polytechnic students on 06.03.2020. 16 students from various polytechnic colleges in and around Thanjavur and Pudukkottai district were participated in this event. The main objective of this event is to educate the students for choosing their higher education. At end of this workshop students understood the importance of engineering, how to prepare themselves to place in NIT and IIT, opportunities in government sector and how to become an entrepreneur. Participants extended their fullest effort for the workshop. Welcome address delivered by Mrs. N. Mangaiyarkarasi AP/ECE, Academic coordinator/ECE, Mrs. D. Vennila AP/ECE introducing the chief guests, Dr. T. Shanthi AP/ECE., Project officer delivered the inaugural address& Mr. R. Thandayuthapani delivered the vote of thanks.

## Snapshots

*Welcome Address by Mrs N. Mangaiyarkarasi AP/ECE*

*Inaugural Address Dr. T. Shanthi, Project Officer*

*Dr. A. Senthil kumar delivered his lecture on Higher Education*

**Session I:**

Session –I was handled by Dr. A. Senthil kumar, scientist, IIT, Chennai delivered the lecture on higher education, how to get ready for getting admissions in NIT's, IIT's, what are the preliminary steps need to follow for getting higher education at abroad. The students are actively participated in this event, some of the students are interacted with resource person, he clarified all their doubts.

**Session II:**

Session –I was handled by Mr. K. Amirtha Ganesh, Director, Armada Industrial Automation, Thanjavur. He delivered the lecture on role of engineers in future India, how to choose the career and employability skills. Mr. T. Pasupathi AP/ECE, Kings College of Engineering delivered his lecture on how to become a entrepreneur.

One day Workshop on Java Programming -REPORT**

27.2.19

The IEI (ECE) student's chapter of Kings College of Engineering organized a one day Workshop on Java Programming on 26.2.2019 for the third year IEI student members. Mr.T.Jeyaseelan AP/ECE, IEI (ECE) Faculty advisor coordinated the program. Er.S.Jagadish kumar , C.E.O of Navil Softwares, Chennai., was the resource person.

Totally 32 students were attended the program and Er. S.Jagadish kumar and his team conducted the introduction session and hands on session on Java programming.

Mr.T.Jeyaseelan AP/ECE, Faculty advisor of IEI (ECE) students chapter honoring the resource person on the workshop on 26.2.2019.

The introduction session during the workshop on java programming on 26.2.2019.

The hands on session during the workshop on java programming on 26.2.2019.

The students learned about the introduction of java programming , object oriented programming approach, Java programming Environment Setup, compilation and execution of simple java program during workshop. Through the workshop students leaned about Java language basic syntax and variable declaration, arithmetic operations and class fundamentals. At the end of the workshop the students have developed simple java web applicaton. The workshop was hands on workshop and the students were actively participated in the program and gained hands on training on Java programming.

## Invitation - Resource Person - PCB workshop - Reg.,

**raja pirian** <rajapirian@gmail.com>

to venugopal, Venugopal

Dear sir,

Greetings from Kings College of Engineering,

As per our telephonic conversation, You are invited as a resource person for the workshop 12/01/19.

The workshop will be inaugurated at 10.00 AM and End with 4.30 PM.

Herewith we have enclosed the boucher for the workshop.

We expect your kind presence.

Thanking you.

With Regards,

P.Raja Pirian., M.E., M.B.A., M Div., (Ph.D).,  
Assistant Professor,  
Department of ECE,  
Kings College of Engineering,

# DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING KINGS COLLEGE OF ENGINEERING PUNALKULAM

One day work shop on **Printed Circuit Board Design** was organized by Department of Electronics and communication engineering, to motivate the students to involve them in Electronics Domain and also the students to get more ideas about the designing of printed circuit board for their project works and also for their career development. **Prof.E.Venugopal**, Assistant Professor, Sri Eshwar College of Engineering, Coimbatore was the resource person. ( Alumni of Kings)

	
Presidential Address By Mrs.N.Mangaiyarkarasi	Honoring the Chief Guest By Mrs.N.Mangaiyarkarasi
	
Chief guest Address by Prof.E.Venugopal	Theory Session
	
Hands on session	Distribution of Certificates

The workshop begins at 10.10 a.m, Mr.P.Raja Pirian AP/ECE coordinator of the workshop, Welcomes the resource person and the gathering. Mrs.N.Mangaiyarkarasi, Academic coordinator delivered the inaugural address after that the chief guest was honored by Mrs.N.Mangaiyarkarasi. Finally Prof.E.Venugopal delivered the chief guest address. Immediately the 1<sup>st</sup> session begins with theory session by Prof.E.Venugopal, his lecture covers various topics in PCB design such as basics of printed circuit board, need for PCB, artwork generation, lamination & Image transfer techniques, plating, etching and also about Surface-mount technology finally he gave information on career opportunities in PCB Design.

After the Lunch break The 2<sup>nd</sup> session which was hands on session, the resource person give a demonstration on how to prepare a complete printed circuit board for simple circuits. The students actively involved in the entire sessions. The program ends with valedictory function. The chief guest delivers the certificates to the participants. Finally Mr.W.Newtondavidraj AP/ECE, coordinator of the workshop delivers the vote of thanks.

Nearly 38 students were participated in the workshop; 30 students from our college and the remaining participants from KSK Engineering college.

## National Level Technical Symposium e-Blast SLV 2K18

### SYMPOSIUM REPORT

The Department of Electronics and Communication Engineering conducted a National Level Technical Symposium on 20/09/2018. This technical symposium e-Blast SLV 2K18 aims at encouraging the participants to explore their technical skills and enhance their conceptual Knowledge. Symposium is a platform where students can share their ideas, knowledge and can learn new things.

The event started with the formal inaugural function at 10.30 am in opulent hall (AV Hall) with the presence of Head of the Department, Chief Guest Mr.R.Amirtharajan and Guest of honour Mr.A.Athiraja (Alumini) presided over the function. The function started with "Thamilthai Vazthu" followed by the welcome speech given by President of e-Blast SLV2K18 Mr.J.Tamilselvan, final year student of ECE.

The chief guest was introduced by the symposium Coordinator Mr.R.Sathyaraj followed by the presidential address given by the Head of our Department Mrs.N.Mangaiyarkarasi, Vice President of e-Blast SLV2K18 Mr.M.Ajay, final year ECE Student delivered the Vote of Thanks.

The chief guest Mr.R.Amirtharajan gave a valuable speech on "Image Processing". Our Guest of honour Mr.A.Athiraja gave a fruitful speech. Students from various colleges from Tamilnadu had participated in Technical and Non Technical Events. We have total count of 90 students came from outside colleges of which 20 students participated in paper presentation, 24 students participated in Inquizitive, 23 students participated in Techno Bond, 23 students participated in Brainstroming Circuits. A total number of 120 students (internal & External) participants participated in 10 different Non-Technical Events. At the end of the Session, Students from different colleges shared their experience about e-Blast SLV2K18.

Valedictory function was conducted and Cash Prizes with medals were distributed to the winners of Technical Events. Winners of Non Technical Events were appreciated with Prizes. The function was finally ended by thanking management, Secretary, Principal, vice Principal, HOD, Faculties, Non teaching staffs and all student coordinators who worked for this event to make this event a grand success.

GUEST LECTURE - ACTIVITY REPORT**

24.9.18

The IETE students Forum (ISF) organized a Guest lecture titled "Embedded system applications in Automobiles" on 08.9.18 for the IETE student members. Mr.T.Jeyaseelan AP/ECE, IETE Students' Forum (ISF) coordinator coordinated the activity. The IETE student members have attended the Guest Lecture. Ms.Rubika, Design Engineer, Robert Bosch was the resource person.

Mrs.N.Mangaiyarkarasi , Asst.Professor,Academic coordinator, department of ECE honoring Ms.Rubika, Design Engineer, Robert Bosch Pvt. Ltd.

Ms.Rubika, Design Engineer, Robert Bosch delivering Guest lecture.

View of the participants (IETE student members)

The student interacted with the resource person during interaction session.

Ms. Rubika, in her lecture shared about her field of work in Bosch and their major products in the field of Embedded system. She explained the requirements of an embedded system, specifications & design of products for automobiles industry. She insisted that corporates prefer their own software development tools for the design and testing of products. Through the guest lecture, the students gained technical knowledge on embedded system applications in the field of Automobiles. The session was informative and the students were interactive and inspired.

Respected Madam,

Sub : Seeking permission to organize Two days workshop on "Web App Development" on  
10/08/18 & 11/08/18" - Reg.,

We are planning to organize Two days workshop on "Web App Development" on  
10/08/18 & 11/08/18 for the benefit of ECE & CSE students. This workshop is going to organize  
jointly with cloudline, Mr.S.Mathiyarasan (2012-2016 Batch) is the Resource person who is  
working as a programmer in IVTL infoview technologies PVT Ltd., The main aim of this workshop  
is to motivate and train the students to get placements in IT industry.

We expect your approval in this regards.

Thanking you,

Yours faithfully,

P.Raja Pirian -

### About the Institution

K. J. Somaiya Institute of Engineering (KJ Somaiya) is an institution which was formed with the sole aim of providing quality education to the poor and underprivileged students. KJ Somaiya is approved by All India Council for Technical Education (AICTE), New Delhi and is affiliated to Anna University, Chennai. The institution was established in the year 2001 on a sprawling campus of around 60 acres on the Thanjavur - Puducherry Highway and run by KJ Educational Trust (KET), Chennai. The institution offers five UG and four PG programmes, certified with ISO 9001:2008 and accredited by NAAC. The state of the art teaching methodologies are used to impart high quality education to the students including e-learning.

### About the Department

The Department of Electronics and Communication Engineering was established with state of art laboratories in the year 2001. It is continuously upgrading the infrastructure and laboratory facilities with the emerging technology as per the industrial needs. The department is recognized as research centre for collaborative research by Anna University, Chennai. A significant number of research projects funded by government and non-government organizations viz. DRDO, MCI, AICTE New Delhi, TNSCST, Chennai and Texas Instruments USA have been successfully carried out.

### About the Workshop

The main objective of the workshop "Web App Development" is to help the students to understand the real life web development and become a web developer using latest tools and trending technologies of current and future. The course outline is designed in such a manner that almost no prior knowledge is required to master the technology. Once completed the course successfully, the students are going to have their own live websites and clear understanding of how do real time web developers work in MNCs and other software companies.

## Who Can Participate

UG Students from ECE, CSE & PG Students

### Topics Covered

- ✓ Introduction about Web application development
- ✓ Basics of HTML & CSS
- ✓ Introduction of JavaScript
- ✓ Basic Java programming for server side Programming
- ✓ Practical session (you will design your first website on your own)

### Requirements

- Students may avail their laptop in order to use this workshop effectively.

# DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING KINGS COLLEGE OF ENGINEERING PUNALKULAM

One day work shop on Web App Development was organized by department of Electronics and communication engineering on 25/08/18, to motivate the students to involve them in commercial website designing and also the students to get exposure on “the placements available in website designing”. **Mr.S.Mathiyarasan, Software Engineer, IVTL Info view, Chennai** was the resource person.

		
Presidential Address By Mrs.N.Mangayarkarasi HOD ic/ECE	Welcome Address By Mr.P.Raja Pirian AP/ECE	Participants
		
Chief guest Address by Mr.S.Mathiyarasan Software Engineer IVTL	Hands on session at VLSI Lab	Feedback session

The workshop was begins at 10.15a.m at DSP Lab, **Mr.P.Raja Pirian AP/ECE** welcomes the resource person and the gathering, followed by **Mrs.N.Mangayarkarasi HOD ic/ECE**, honored the chief guest and also delivered the inaugural address. **Mr.S.Mathiyarasan**, delivered the chief guest address. Immediately the 1<sup>st</sup> session begins with a Lecture on Introduction to Web App Development by the resource person. After the Lunch break The 2<sup>nd</sup> session was continued by the resource person at DSP lab with hands on session. The students were actively involved in the entire sessions and got knowledge to create simple commercial website. The program ends with valedictory. Mr W.Newton Davidraj Delivered the vote of thanks.

Nearly 23 students from all the classes of ECE department were participated in the workshop.

## One Day Project Level Training on Electronic System Design for Polytechnic Students

28<sup>th</sup> February 2018

Jointly Organized by

Department of Electronics and  
Communication Engineering

&

IEEE Student Branch

KINGS COLLEGE OF ENGINEERING

Noted: Academic Institution

(Approved by AICTE, New Delhi & Affiliated to Anna

University, Chennai)

Phone: 041302-383378, 383387

#### ABOUT OUR INSTITUTION:

Kings College of Engineering (KCE) is an institution which was formed with the single aim of providing quality education to the poor and under-privileged students of this region. KCE has been started during 2001 and run by Raj Educational Trust (RET). KCE is approved by All India Council of Technical Education, New Delhi (AICTE) and is affiliated to Anna University, Chennai. KCE has acquired ISO certification by TUV, Rheinland, Germany and Accredited by NBA, AICTE - India. Our institution offers 5 U.G Programmes and 5 P.G Programmes. The college maintains high standard of education by providing a wide array of world class academic facilities, employing highly qualified and experienced faculty members and creating an ambience conducive of quality education. The institution is located at Thanjavur, a historical place of Tamil Nadu on the Thanjavur - Pudukottai Highway.

#### ABOUT THE DEPARTMENT:

The Department of Electronics and Communication Engineering was established with state of art laboratories in the year 2001. It is continuously upgrading the infrastructure and laboratory facilities with the emerging technology as per the industrial needs. The department is recognized as research center for collaborative research by Anna University, Chennai. A significant number of research projects funded by government and non-government organizations viz. DRDO, MCIT, AICTE New Delhi, TNSCST, Chennai and Texas Instruments USA have been successfully carried out.

#### About the Workshop

Embedded system is the core of every intelligent device. Everything around us from a simple watch to the space ship is using embedded systems. Mobile phones, PDAs, Washing Machines, Microwave Ovens, Automobile and all the automated electronics gadgets are having one or another form of embedded systems responsible for their intelligent functioning. This training program is suitable for beginners to create applications using embedded systems. The hands on training in electronic system design will help the students to carry out their project work and develop their own applications.

#### Session Details

Topics to be covered in training

1. Introduction to Embedded C
2. Embedded C Constructs & Data Formats
3. Mapping 8051 Architecture to Embedded C
4. Introduction to KEIL Cross-Compiler & its features
5. General Discussion & Overview of Embedded Systems
6. 8051 microcontroller: Architecture & Pin Diagram of 8051
7. Hardware Details: SFRs, Ports, Timers, Counters Interrupts & Serial Programming Techniques
8. I/O Device interfacing
9. LCD and keyboard interfacing
10. ADC, DAC and sensor interfacing
11. Relay, Optoisolator and stepper motor interfacing

**Report – One Day Training on Electronic System Design for Polytechnic Students**

Department of Electronics and Communication Engineering and IEEE Student Branch of our college organized a **One Day Training on Electronic System Design for Polytechnic Students** on 28<sup>th</sup> February, 2018. The objective of this training program is to help the students to carry out their projects and develop their own applications using embedded systems.

**Resource persons:**

- Mr. T. Pasupathi, AP/ECE, KCE
- Mr. T. Jeyaseelan, AP/ECE, KCE
- Mr.P.Rajasekar, Project Engineer, V3 Technologies, Thanjavur.

**Coordinators:**

1. Mr.P.Raja Pirian, Assistant Professor/ECE
2. Mr.T.Pasupathi, Assistant Professor/ECE
3. Mr.A.Herald, Assistant Professor/ECE

**Inaugural Session:**

The dignitaries on the Dais during the inaugural session were Dr.J.Arputha Vijaya Selvi, Principal, KCE, Mrs. N. Mangaiyarkarasi, Ac. Coordinator / ECE and the Program Coordinator. The program was started with Thamizh Thaa Vaazthu followed by welcome address delivered by Mrs.N.Mangaiyarkarasi, AP/ECE. Dr. J. Arputha Vijaya Selvi, Principal delivered the inaugural address. In her inaugural address, she advised the students to do their projects on their own. Also she insisted the students to continue their career by proceeding with undergraduate, post graduate and to end by completing their doctor of philosophy. While concluding, the major devices and technology used in our day today life employ embedded systems and ask the participants to utilize their knowledge to create such applications.

Welcome Address by Mrs. N. Mangaiyarkarasi

Inaugural Address by Dr. J. Arputha Vijaya Selvi

### Valedictory Function:

The participants shared their feedback about the training programme. Dr. S. Sivakumar, Vice Principal, KCE delivered the valedictory address. In his valedictory address, he advised to refer the four major key hand books required for electronic design engineers. The dignitaries issued certificates to all the participants. Mr. A. Herald, AP/ECE delivered the vote of thanks. Finally the program ended with National anthem. Sixty students along with three faculty members from various polytechnic colleges participated and got benefited.

## POST WEBINAR REPORT

The webinar organized by department of Electrical and Electronics Engineering on "Motivational Talk" on 15.09.2020 for third and final EEE students. The session started with silent prayer and then the session continued with the welcoming address and introduction of resource person given by Mr.C.John Selvaraj AP/EEE.

Resource person interact with students about their career

Er.M.Veeramani (Resource person) motivated the students about the various career opportunities and the way of preparing for the same. In his webinar he pointed out and focused many of the achiever like Dr.A.P.J.Abdulkalam and Scientist Albert Einstien. He mentioned some of their quotes like **"Imagination is more important than knowledge. Knowledge is limited. Imagination encircles the world."** He talked about the incident that happened in Dr.A.P.J.Abdulkalam life - A monk changed his life after his greatest failure with this quote **"Defeat the defeatist tendency"**. Then he motivated the students to try for various government jobs through GATE.

## **2010 Reunion of EEE Students**

On

**18/01/2020**

**Prepared by**

Mr.P.Raja Pirian, Vice President, Alumni Association  
C.John Selvaraj, Alumni Coordinator, EEE

**ALUMNI ASSOCIATION  
ACADEMIC YEAR 2019 – 2020 (EVEN SEMESTER)**

**REPORT**

23/01/2020

Alumni reunion was organized by (2006- 2010) batch alumni of Electrical and Electronics Engineering on 18/01/2020 at Chera hall of our KINGS premises.

The (2006-10) EEE Batch had 60 students. After their Graduation, they had a vision to meet all the batch mates in kings after 10 years. Based on this vision they arranged this meet Reunion EEE 2006 - 10.

Nearly 40 alumnae participated with their families in this reunion. 50 students got married. All are settled in good position, except few alumni, all the others are working in Singapore, Malaysia, German, China and other Gulf countries.

The reunion began at 9.00 AM. All the alumnae were invited with an introduction about them and also asked to share their feelings while entering the college after 10 Years. They showed their happiness and their feelings. It was a wonderful event. They felt very happy.

*Chief guest Address by Mrs. Sharmila Rajaa,  
Chairperson KCE*

*Honoring the Chief Guest with shall and  
memento by Ms.Ramya*

The formal registration process was done by the registration committee Members, then the Reunion began with Tamilthai vazthu at 10.30 a.m. Mr.K.Santhosh kumar, welcomed the dignitaries, alumni and their family by welcome address.

The meeting was inaugurated with the lighting of kuthu vizhakku by the dignitaries and alumni. Ms.K.Ramya, honoured the chief Guest Mrs. Sharmila Rajaa, Chairperson KCE by memento.

Honoring the Secretary with shall and memento by Mr.Balamurugan

Honoring the Vice Principal with shall and memento by Mr.Stephan

Honoring the HoD/EEE with shall and memento by Alumni Ramanathan

Honoring the Vice President, Alumni Association with shall and memento by Vijayaragavan

Mrs. Sharmila Rajaa, Chairperson, Kings College of Engineering, delivered the chief guest address. In her address, she appreciated all the alumni and also appreciated the efforts taken by them for this reunion at KINGS.

Dr.R.Rajedaran, Secretary, Kings College of engineering, delivered the special address. In his address he narrated his sweet memories from his teaching profession. He also appreciate the efforts taken by the alumni for this grand gathering.

Dr.S.Sivakumar, Vice Principal, Kings College of engineering, shared the importance of Reunion, and wished all the alumni in his felicitation address.

Dr.A.Albert Martin Ruban, HOD/EEE, Kings College of engineering, delivered the felicitation address. In his address he suggested the alumni to give their contribution towards placement.

Mr.P.Raja Pirian, Vice President Alumni Association, discussed the activities of alumni association and also invited the alumni to show more involvement towards the welfare of the students.

*Special Address by Dr.R.Rajendran, Secretary, KCE*

*Felicitation Address by Dr.S.Sivakumar, Vice Principal, KCE.*

*Felicitation Address by Dr.A.Albert Martin Ruban, HOD/EEE, KCE.*

*Address by Mr.P.Raja Pirian, Vice President, Alumni Association*

After that they paid tributes to the alumni Mr.Anbarasan, who attained the lotus feet of the almighty.

The inaugural session ended with tea break. The tea time was also a great time for them, because they utilized the time with sharing the memories among them.

The next session started with sharing sweet memories, Alumni shared their sweet memories, they recalled a lot with enthusiastic manner. They also share their efforts and hard work to achieve the current position.

*Sharing the sweet memories by Vijayaragavan*

*Sharing the sweet memories by Praveen*

*Sharing the sweet memories by Shobana*

*Sharing the sweet memories by Ramya*

*Dignitaries & Participants*

The morning session ended with a good lunch. They introduced their family members with their classmates and felt very happy.

The afternoon session continued with sharing of sweet memories. After that, group photo session was arranged. In the mean time a lucky draw was organized by them, the winners received the prizes by Vice Principal and other staff members.

*Sharing the Experience with Alumni BY  
Mr.J.Arokiaraj AP/ECE*

*Dignitaries & Participants*

*Distributing memento to Araiavendhan*

*Distributing memento to Santosh kumar*

After that past memories were shared by the staff members, they recalled how they handled them in their study periods, and it was also a happy moment to be heard from them.

Mr. Balamurugan one of the organizing members delivered the vote of thanks. They thanked the management, Principal, Vice principal, HoD's and all the staff members for making this reunion a grand success.

It was the happiest day for them and also planned to arrange this reunion after 5 Years.

Alumni Activity in Industrial Visit at  
"Dr.Babu ENT Clinic (15 kWp Solar Power Plant)"

13.02.19

**Resource Person:**

Er.M.Mohamad Riyash (Alumni: 2004-08 Batch),

Assistant Engineer - M.R.T,

TNEB,

Thanjavur.

Venue: Dr.Babu ENT Clinic – 15kWp Solar Power Plant

## **REPORT**

The M.R.T (Meter Relay Testing) Engineer Mr.M.Mohamad Riyash addressed the students of second year and third year EEE on 13.02.19 at Dr.Babu ENT Clinic then introduced about the solar power plant. He explained all parameters and specifications of solar panel as below:

### **Details Solar Power Plant:**

Total Capacity: 15kwp

Units : 3

Each unit : 5kwp (20 panels)

Single Panel : 255W

Type : On-Grid (No Storage)

Panel Name : Renesola Jiangsu Ltd

Made : China

Model application: Class A

During this session, students interacted regarding installing procedure of PV Panels, maintenance required for PV Panels and meter relay testing. In addition with, they were also explained about the various schemes of government subsidy and tariff provided by the state & central government.

DEPARTMENT OF ELECTRICAL & ELECTRONICS ENGINEERING  
ACADEMIC YEAR 2016-17

**ALUMNI ACTIVITY**

On 06.08.2016, department of EEE conduct program on "Awareness about Higher Studies" by our alumni Ms.U.G.Lydia

**OBJECTIVE:**

The main objective of the program is to create awareness and exposure about higher studies among the students through our college alumni.

**RESOURCE PERSON:**

The resource person of this program was Ms.U.G.Lydia studying M.B.A at SASTRA University, Thanjavur. She is our college alumni (2016 passed out).

In this class she discussed about higher studies and competitive exams like GATE, TANCET, CAT, MAT etc. In addition to that she was also discussed about management studies, importance and various branches available in M.B.A. The session was very interactive and more informative.

She also shared her college days experience regarding preparation of competitive exams and participation of various events. She motivated the students towards participate in more events like paper presentation in symposium and conference, project competitions etc.

## 1.2 Detailed Report

### OVERVIEW OF ALUMNI MEET:

Kings College of Engineering has organized the 2<sup>nd</sup> Alumni Meet on 21.09.19 (Saturday) in chera hall of our college premises. The alumni meet was conducted in order to reconnect with the Alumni and celebrate their success and various achievements.

The Alumni started arriving for college by 9.15 a.m. and they were received by the registration team and were taken on a campus tour where they revisited the familiar place where they had studied and were shown the various developments that had taken place since then. The alumni were surprised by seeing the selfie stand with all the alumnus photos and the autograph board was kept at the entrance to register their presence.

### Alumni Registration Desk:

The 2<sup>nd</sup> Alumni meet 2019, started with formal registration of the Alumni at 09.30 a.m. The registration team was headed by Mrs.U.Jeyamalar along with Mrs.B.Sangeetha. An overwhelming response from the alumni was seen. More than 165 Alumni formally registered at the Alumni registration desk reporting from different parts of India and abroad.

### INAUGURAL FUNCTION

The Alumni meet was started as per the schedule at 10:00 a.m. with the eminent alumnus. The function was inaugurated with Tamizhthaai vaazhthu and lighting the lamp.

**Inaugural Function- Dignitaries and alumnus lighting the lamp.**

The function was graced by the dignitaries on the Dias. Prof. R.Rajendran, the secretary of Kings College of Engineering, Prof.J.Arputha vijaya selvi, the Principal of Kings College of Engineering, Prof. S.Sivakumar, the Vice Principal of K.C.E, Mr. P.Raja Pirian, the vice president of Alumni association, and the entire department Heads.

Mrs.B.Sangeetha welcomed the dignitaries, alumnus and gathering by the words. A multimedia presentation, "Trip down memory lane..." followed which chronicled the journey of the alumni of KCE from 2005 to the present. It was put together by Mr.T.Pasupathi. Vintage photos were submitted by some of the Alumni and were collected from old newsletters in college.

***Honoring the Secretary Dr.R.Rajendran, with shawl and memento by Principal Dr.J.Arputha Vijay Selvi***

***Honoring the Principal Dr.J.Arputha Vijaya Selvi, with shawl and memento by Vice President Mr.P.Raja Pirian***

***Honoring the Vice Principal Dr.S.Sivakumar, with shall and memento by Mr.T.Pasupathi***

***Honoring the HoD/ECE, Mrs.N.Mangaiyarkarasi, with shall and memento by Alumni***

***Honoring the HoD/CSE Dr.S.M.Uma with shall and memento by Alumni***

***Honoring the HoD/EEE Dr.A.Albert Martin Ruban with shall and memento by Alumni***

***Honoring the HoD/Mech Dr.T.Pushparaj with shall and memento by Alumni***

***Honoring the HoD/Civil Mrs. with shall and memento by Alumni***

“Without integrity and honor, having everything means nothing.” Followed by the presentation, the dignitaries on the Dias were honored with shawl and memento by the alumnus.

***Special Address by Dr.R.Rajendran, Secretary, KCE.***

Prof.R.Rajendran, the secretary delivered the special Address. He emphasized his sweet memories from his teaching profession and this type of function will provide opportunity for the alumni community to share their experiences in the outside world.

***Felicitation Address by Dr.J.Arputha vijaya selvi, Principal, KCE.***

***Address by Dr.S.Sivakumar, Vice Principal, KCE.***

Our Principal Dr.J.Arputha Vijaya Selvi, delivered the felicitation address. She emphasized the importance of alumni meet and wishes all the alumni for their bright future and also she thank all the alumni for responding to the invitation from college and being present for the alumni meet in spite of their busy schedule.

Dr.S.Sivakumar, Vice Principal, addressed the gatherings and shared his sweet memories with the alumni.

#### **Sharing alumni activities by Mr.P.Raja Pirian, vice president of Alumni Association**

Mr.P.RajaPirian, Vice President of Alumni Association, discussed the activities of alumni association and also invited the alumni to show more involvement towards the welfare of the institution. He shared the memories of the 1<sup>st</sup> alumni meet held at Hotel temple tower on 12-01-2016. He appreciated the alumni for their contribution to the departments towards acting as resource person for guest lectures, workshops and conferences etc.,

#### **Alumnus sharing their memories**

The time had come to hear the sweet memories of our alumnus, they recall a lot with enthusiastic manner. They share their feedback about various best practices of the college from the first batch onwards. They also gave some suggestions for the betterment of students. They shared their sweet memories during their college days. They shared a lot about their memories with their staff members.

**Photo session- The Alumnus of CSE & ECE with their respective department.**

**Photo session- The Alumnus of CIVIL, EEE & MECH with their respective department.**

A photo session was arranged for the alumnus. After that the Alumni feedback was obtained via oral and also through feedback forms.

*Cultural performance by our FAA members*

*Dignitaries, Alumnus & Audience eagerly watching the cultural programmes.*

The Fine Arts Association members of KCE entertained the alumnus by putting a scintillating performance, which depicted the journey of an engineer during his 4 years in college. It was well received by the Alumni and garnered a huge applause from the audience.

*Vote of thanks by Mr.C.John selvaraj*

Mr.C.John selvaraj, proposed the vote of thanks. He thanked the Alumni for taking the time to come for the Alumni Meet who have made it a very special and memorable one. He thanked the various organizers of the event (teaching, non-teaching staff and the enthusiastic student volunteers) whose hard work and dedication made the event possible. He also thanked the management of KCE for the support and guidance which has made Alumni Meet 2019 a grand success.

Thus the function comes to an end with National anthem.

# **REPORT**

## **2010 Reunion of EEE Students**

**On**

**18/01/2020**

**Prepared by**

**Mr.P.Raja Pirian, Vice President, Alumni Association  
Mr.C.John Selvaraj, Alumni Coordinator, EEE**

**ALUMNI ASSOCIATION  
ACADEMIC YEAR 2019 - 2020 (EVEN SEMESTER)**

**REPORT**

23/01/2020

Alumni reunion was organized by (2006- 2010) batch alumni of Electrical and Electronics Engineering on 18/01/2020 at chera hall of our KINGS premises.

The (2006-10)EEE Batch have 60 students. After their Graduation, They had a vision to meet all the batch mates in kings after 10 years. Based on this vision they arranged this meet Reunion EEE 2006 - 10 .

Nearly 40 alumnae participated with their families in this reunion. 50 students got married. All are settled in good position, except few alumni, all the others are working in Singapore, Malaysia, German, China and other Gulf countries.

The reunion began at 9.00 AM. All the alumnae were invited with an introduction about them and also asked to share their feelings while entering the college after 10 Years. They showed their happiness and their feelings. It's a wonderful event. They felt very happy.

*Chief guest Address by Mrs.Sharmila Rajaa,  
Chairperson KCE*

*Honoring the chief Guest with shawl and  
memento by Ms.Ramya*

The formal registration process was done by the registration committee Members, then the Reunion was began with Tamilthai vazthu at 10.30 a.m. Mr.K.Santhosh kumar, welcomes the dignitaries , alumni and their family by welcome address.

The meeting was inaugurated with the lighting of kuthu vizhakku by the dignitaries and alumni. Mr.K.Ramya, honored the chief Guest Mrs. Sharmila Rajaa, chairperson KCE by memento.

**Honoring the Secretary with shall and memento by Mr.Balamurugan**

**Honoring the Vice Principal with shall and memento by Mr.Stephan**

***Honoring the HoD/EEE with shall and memento by Alumni Ramanathan***

***Honoring the Vice President, Alumni Association with shall and memento by Vijayaragavan***

Mrs. Sharmila Rajaa, Chairperson, Kings College of Engineering, delivered the chief guest address. In her address, she appreciated all the alumni and also appreciated the efforts taken by them for this reunion at KINGS.

Dr.R.Rajedaran, Secretary, Kings College of engineering, delivered the special address. In his address he narrated his sweet memories from his teaching profession. He also appreciate the efforts taken by the alumni for this grant gathering.

Dr.S.Sivakumar, Vice Principal, Kings College of engineering, shared the importance of Reunion, and wished all the alumni in his felicitation address.

**Dr.A.Albert Martin Ruban, HOD/EEE, Kings College of engineering, delivered the felicitation address. In his address he suggested the alumni to give their contribution towards placement.**

**Mr.P.Raja Pirian , Vice President Alumni Association, discussed the activities of alumni association and also invited the alumni to show more involvement towards the welfare of the students.**

***Special Address by Dr.R.Rajendran, Secretary, KCE***

***Felicitation Address by Dr.S.Sivakumar, Vice Principal, KCE.***

***Felicitation Address by Dr.A.Albert Martin Ruban, HOD/EEE, KCE.***

***Address by Mr.P.Raja Pirian, Vice President, Alumni Association***

**After that they paid tributes to the alumni Mr.Anbarasan, who attained the lotus feet of the almighty.**

**The inaugural session ended with tea break. The tea time was also a great time for them, because they utilized the time with sharing the memories among them.**

**The next session started with sharing sweet memories, Alumni shared their sweet memories, they recalled a lot with enthusiastic manner. They also share their efforts and hard work to achieve the current position.**

*Sharing the sweet memories by Vijayaragavan*

*Sharing the sweet memories by Praveen*

*Sharing the sweet memories by Shobana*

*Sharing the sweet memories by Ramya*

*Dignitaries & Participants*

The morning session ended with a good lunch. They introduced their family members with their classmates and felt very happy.

The afternoon session continued with sharing of sweet memories. After that, group photo session was arranged. In the mean time a lucky draw was organized by them, the winners received the prizes by Vice Principal and other staff members.

**Sharing the Experience with Alumni BY Mr.J.Arokiaraj AP/ECE**

**Dignitaries & Participants**

**Distributing memento to Ariyavendhan**

**Distributing memento to Santhosh Kumar**

After that past memories were shared by the staff members, they recall how they handled them in their study periods and it was also a happy moment to be heard from them. A gift bag was given to all the alumni for the memory of this reunion.

Mr. Balamurugan one of the organizing members delivers the vote of thanks. They thanks the management, Principal, Vice principal, HoDs and all the staff members for making this reunion in a great success.

It's a Happiest day for them and also planned to arrange this reunion after 5 Years.

*Alumni Vice president*

*HOD/EEE*

*Vice Principal*

*Principal*
