### ACADEMIC YEAR 2020 – 2021 EVEN SEMESTER

#### ORIENTATION REPORT

The Department of Computer Science & Engineering organized an orientation program for II Year (Batch: 2019 -2023) and III Year (Batch: 2018 -2022) students on **18.02.2021**.

#### OBJECTIVE

The objective of the orientation program is to create awareness about course outcome, program outcome, the mapping between CO to PO and Program Specific Objectives (PSO), Program Educational Objectives (PEO) of CSE department and the significance of Outcome based Education (OBE) and usage of Bloom's taxonomy in question paper setting and question bank preparation.

#### SESSION DETAILS

**Ms.R.Suganthalakshmi AP/CSE** handled the session for II year students. **Ms.S.Puvaneswari AP/CSE** handled the session for III Year students. In both sessions, CO,PO,PSO,and PEO of CSE department was explained. A sample subject was taken and how the course outcome of a subject was mapped to the program outcome was explained. The evaluation method of program outcome using the performance indicator was described. The usage of Bloom's taxonomy and its importance were insisted to the students.

#### OUTCOME OF THE EVENT

At the end of session, the students should be able to,

- know CO,PO,PSO and PEO of CSE department
- realize the significance of course outcome
- understand the usage of Bloom's taxonomy
- achieve the PEO at the end of graduation
- improve the PO attainment analysis

Ms.R.Suganthalakshmi AP/CSE explained the importance of outcome based education to II Year students

Ms.S.Puvaneswari AP/CSE explained the CO to PO mapping of a subject
