TECHNICAL EVENT REPORT

CISABZ'23, a significant symposium, took place on October 10, 2023, at the Chera Hall, hosted by department of CSE, Kings College of Engineering. The event served as a hub for students from various engineering colleges to come together, learn, share, and grow.

The primary aim was to provide a platform for engineering students to exhibit their technical skills, presentation abilities, and organizational talents. A notable highlight of the event was the presence of a distinguished guest, Ms. B. Senthamizh Selvi, who currently serves as the Talent Acquisition Lead at Think Global Technologies Pvt. Ltd in Chennai. The stage was shared by the Secretary, Dr.R.Rajendran , Principal, Dr. J.Arputha Vijayaselvi and Vice Principal, Dr.S.Sivakumar.

The chief guest offered valuable insights into the world of job interviews and the art of crafting compelling resumes. Her guidance was particularly beneficial to the students who were on the cusp of graduating and stepping into the job market. This symposium was thoughtfully organized by Mr.S.Rajarajan and Ms. N. Dhamayandhi with the support of Head of department (incharge) Dr. K.Abhirami, faculty members and students of our department. Furthermore, they aimed to foster an environment where students could exchange innovative ideas and knowledge.

During inauguration, chief guest released Souvenir of the symposium and Techbitz (Technical Magazine of CSE department. Later, chief guest introduction was delivered by Mr.S.Mohammed Sameer, Student president of IV year CSE.

CISABZ'23 managed to attract the participation of nearly 200 students from different engineering colleges. Throughout the symposium, attendees had the chance to immerse themselves in technical and non-technical events. This exposure not only broadened their horizons but also sparked fresh ideas and solutions to real-world challenges. Importantly, the event also acted as a dynamic networking platform, allowing students to forge connections with like-minded peers.

Additionally, by actively participating in the organization of the event, students honed their skills in planning, coordination, and execution. This hands-on experience was instrumental in nurturing their organizational skills, a quality highly sought after in the professional world.

There were 8 events conducted in total

TECHNICAL EVENTS	NON-TECHNICAL EVENTS
PAPYRUS [PAPER PRESENTATION]	CONNEXION [CONNECTION]
CODE-O-FISTA[CODE DEBUGGING]	TECH-IT-OUT [JUST A MINUTE]
MIND CRASHIER[TECHNICAL QUIZ]	WEAPON MASTER [MINI MILITIA]
DESIGNO-LIT-O [FIGMA DESIGN]	LENS ART [PENCIL SKETCHING]

CISABZ'23 was a resounding success, leaving participants with a profound sense of accomplishment and motivation. As the day drew to a close, the event concluded with a valedictory function, the certificates were distributed to the winners and participants. The symposium was ended with vote of thanks delivered by Ms. A.C.Arunothaya, Vice president of IV year CSE.

In summary, CISABZ'23 was a vibrant and enriching gathering that empowered students with knowledge, skills, and a network of like-minded individuals, ensuring they left with a sense of optimism and inspiration for their academic and professional futures.
