

## Department of Science and Humanities

Academic Year 2021-22 / ODD Semester

### Report of “Intra Department Paper Presentation on Life Through Chemistry”

Date : 10.02.2022

Venue : Smart class Room

The Department of Chemistry, Kings College of Engineering organised “Intra Department Paper Presentation” on 10<sup>th</sup> February 2022. Dr.S.Udayakumar, AP Gr.III / Chemistry welcomed the gathering. The programme was inaugurated by **Dr.V.Suresh Kumar**, HoD / S&H. In his inaugural address he appreciated the students for their active participation, also he encouraged the students to participate in the events organized by other colleges. Finally Dr.P.Saravanan AP Gr III / Chemistry delivered the vote of thanks.

In this programme, 22 teams (44 first year students) from various departments were enthusiastically participated. Out of 22 teams, two teams were selected for first two positions. The winners were appreciated by giving certificates on 11.02.2022 (Friday) SCC.
