

**ISTE STAFF CHAPTER [TN 205]
ACADEMIC YEAR 2021-22 (ODD SEMESTER)
WEBINAR REPORT**

Date : 30-09-2021

A one day webinar titled as “Material Characterization” was organized by the ISTE Staff Chapter [TN 205] through Online Mode on 30.09.2021 between 01.30 pm to 02.30 pm to the faculty members of Kings College of Engineering with an objective to provide a better understanding of recent developments of material characteristics and its techniques.

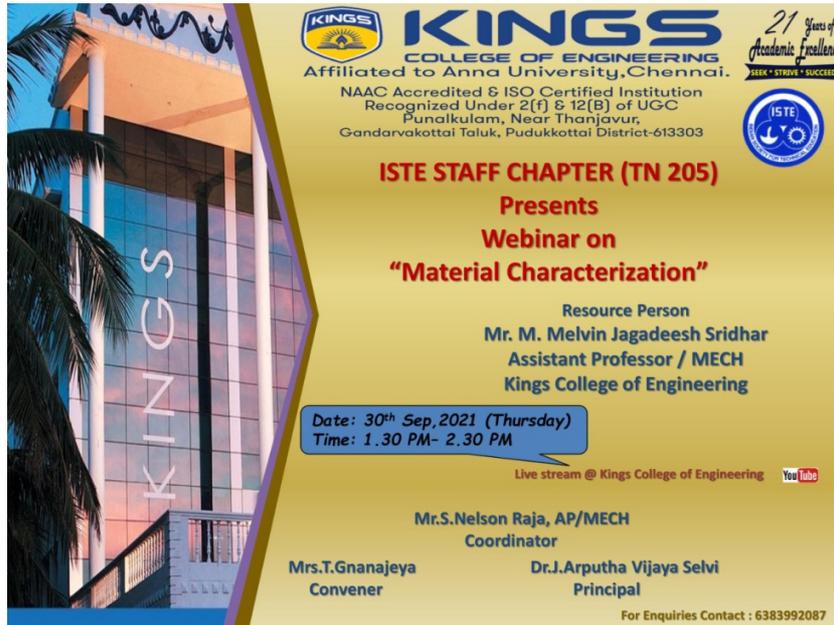

Welcome address and resource person introduction were delivered by Mrs. T. Gnanajeya, Coordinator / ISTE Chapter, Kings College of Engineering.

The session was handled by eminent resource person **Mr. M. Melwin Jagadeesh Sridhar, Assistant Professor, Department of Mechanical Engineering, Kings College of Engineering, Punalkulam.** The resource person explained the concept of material characterization, classification and various techniques followed to identify the material characteristics.

Totally 42 faculty members of Kings College of Engineering are actively participated in this session and gained knowledge about the material characterization.

Vote of thanks was delivered by Mr. S. Nelson Raja, AP/MECH, Kings College of Engineering and also he acted as a host of this webinar. After end of the session participants gave their feedback through online.
