

ISTE STUDENT CHAPTER [TN 217]

ACADEMIC YEAR 2021-22 (ODD SEMESTER)

WEBINAR REPORT

Date : 25.09.2021

A one day webinar titled as “**Introduction to Composite Materials**” was organized by the ISTE Student Chapter [TN 217] through Online Mode on **25.09.2021** between **09.00 am to 10.00 am** to the students of Mechanical Engineering department with an objective to provide a better understanding of recent developments of composite materials and its future scopes.

Welcome address and resource person introduction were delivered by Mrs. T. Gnanajeya, Coordinator / ISTE Chapter, Kings College of Engineering.

The session was handled by eminent resource person **Mr. V. Boobesh Nathan, Assistant Professor, Department of Mechanical Engineering, CSI College of Engineering, Ooty**. The resource person explained the concept of composite materials, classification, manufacturing methods and future applications of composite materials.

Totally 57 students were registered from department of Mechanical Engineering. 62 students and staff members of Mechanical department are actively participated in this session and gained knowledge about composite materials.

Vote of thanks was delivered by Mr. S. Nelson Raja, AP/MECH, Kings College of Engineering and also he acted as a host of this webinar. After end of the session participants gave their feedback through online. E-Certificates were issued to all the participants.
