

DEPARTMENT OF MECHANICAL ENGINEERING REPORT- TECHNICAL QUIZ ON BASIC MECHANICAL CONCEPTS

Date: 02/09/2021

BACKGROUND AND OBJECTIVES:

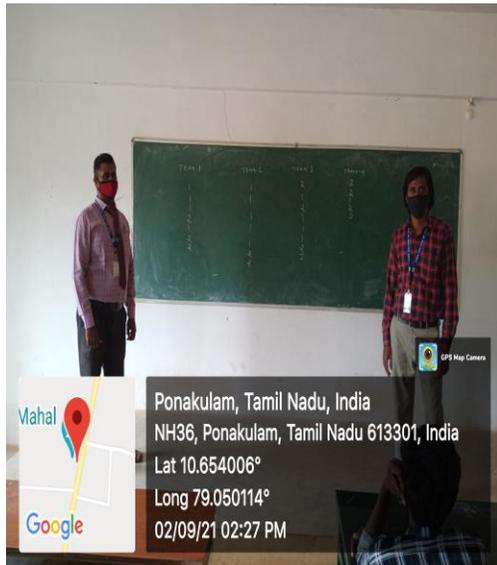

The Department of Mechanical Engineering, Kings College of Engineering organized an Quiz on mechanical engineering titled “**TECHNICAL QUIZ ON BASIC MECHANICAL CONCEPTS**” for Students. The main objective of this quiz is to testing our knowledge and motivating them to prepare for the competitive examination. Mr. S. Desikan AP/Mech, Mr. M. Sakthivel AP/Mech organized the quiz under the help of faculties of Mechanical Engineering department.

QUIZ DETAILS:

The quiz “**TECHNICAL QUIZ ON BASIC MECHANICAL CONCEPTS**” was conducted in our Department class room number 208 at 2.00 p.m. The quiz consisted of 25 Multiple Choice Questions on basics of Mechanical Engineering (Engineering Mechanics, Strength of Materials, Manufacturing Technology, Thermodynamics, and Engineering Design).

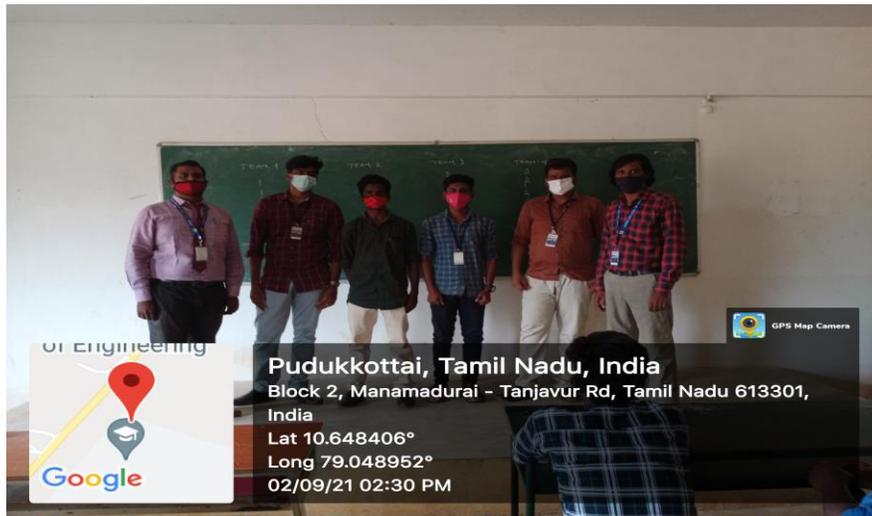

PARTICIPANT'S DETAILS:

Third year and Final year students are actively participated in the oral quiz. We form the students into four groups consist of third year and final year students and shuffle the third and final year students and make them an interactive quiz session.

In this quiz **group A** won the prize and the members Are appreciated in forthcoming SCC.
The group members are as follows:

- 1.S.Karthikeyan (IV Mech)
2. S.Karthikkaran (IV Mech)
3. P.Gunal (III Mech)
4. R.Veeramani (III Mech)
