## INDUSTRY EXPERTS TALK ON FUTURE TRENDS IN ELECTRICAL ENGINEERING AND AUTOMATION

### Meet Our Esteemed Speakers

#### Session I -

**From Electrons to Employment: Build your  
career for future EEE opportunities**

**Mr.P.V.Anand**  
Additional Chief Manager – HR  
NLC India Limited,  
Neyveli, TN

#### Session II -

**Fueling the Future: Green Energy &  
Smart Grid Technologies**

**Mr. Kannan Govindaraju**  
Co-Founder & Managing Director  
Vilvatech Smart Solutions Pvt. Ltd

#### Session III -

**Powering Precisions: Designing Efficient  
Electrical Distribution Networks in oil  
and gas field**

**Mr.S.Jagadeesan**  
Senior Technical Professional  
KBR Inc, Chennai

#### Session IV -

**Exploring Global Horizons: Electrical  
Engineering Beyond Borders**

**Mr.Abhishek Chakraborty**  
Project Control Engineer  
ExxonMobil Services & Technology Pvt. Ltd  
Bengaluru Technical Campus

## INSTITUTIONAL EXCELLENCE

Kings College of Engineering (KCE) was established in the year 2001 by Raj Educational Trust (RET), Chennai, with the singular aim of providing quality education to the poor and under-privileged students of industrially and economically backward district of Pudukkottai and adjoining districts. Situated on the Thanjavur - Pudukkottai Highway, the institute spans over 50 acre in a beautiful, serene atmosphere ideally suited for technical education. KCE, a NAAC accredited institution, has been conferred AUTONOMOUS status and recognized with 2(f) & 12B status by UGC, New Delhi. KCE is approved by AICTE, New Delhi and affiliated to Anna University, Chennai.

## VISION

To impart globally competitive technical education, enhance human values and to provide a research atmosphere to the socially challenged aspirants.

## DEPARTMENT LEGACY & VISION

The Electrical and Electronics Engineering department, established in 2001, offers a 4-year B.E. course and a 2-year M.E. course in Power Electronics and Drives since 2012. With highly qualified faculty, the department provides quality education supported by state-of-the-art labs and simulation software. It organizes national-level workshops, conferences, and the annual technical symposium-'ENIGMA', industrial visits, in-plant training, and guest lectures by experts to enhance practical learning. The department actively supports student projects through government funding and offers value-added courses like PLC, SCADA, and Embedded Systems. Faculties also conduct research in emerging areas of electrical domain and the department is an approved research center under Anna University for Ph.D. programs.

## INTELLECTUAL VOICES

The Department of EEE is honoured to present about Powering the Future: Industry Experts Talk on Future Electrical Engineering & Automation. This engaging session is lead by a powerful industry professionals who will share insights on the latest trends and innovations shaping the future of electrical engineering and automation. This talk will explore cutting-edge areas such as smart grids, renewable energy systems, electric vehicles, industrial automation, AI integration, IoT, and Industry 4.0. Students will gain valuable knowledge about real-world applications, emerging technologies, and the skills required to succeed in a rapidly evolving industry. This is a unique opportunity to bridge the gap between academic learning and industry expectations, interact with experts, clarify career paths, and get inspired to become future-ready engineers and innovators.
